

## Chapter: 872

Wang Shougui's words surprised Lin Ziming. He had briefly understood that the title of charity ambassador was very popular in advance, but he had never thought that with such popularity, he has become a gold medal for avoiding death.

"This charity ambassador can have such a great effect?" Lin Ziming asked with some doubts.

No wonder he suspects that in China, charitable activities are quite frequent, and even often seen on TV, there are many obvious donations.

Besides, doing charity things is entirely voluntary. According to reason, the identity of a charity ambassador is not that important.

Wang Shougui saw Lin Ziming's doubts, and he quickly explained: "Chairman, you don't know that the charity gala tonight is officially organized, not just in G province, but also many famous entrepreneurs in the south. The most important thing is that in recent years, there have been several disasters in the country, leading to a deficit in the national treasury, resulting in an unprecedented charity gap. Especially some time ago, natural disasters occurred again... so tonight's charity The meaning of the party is different. This also means that the amount of charity tonight will definitely reach an astonishing amount. As long as you become the charity ambassador this time, your social status will be completely different!"

After a pause, Wang Shougui said very seriously, "Chairman, your subordinates believe that it is necessary for you to obtain the status of charity ambassador tonight, which will help you unexpectedly help your future development in China."

Lin Ziming is so smart. After hearing this, he still doesn't understand the preciousness of this charity ambassador tonight.

Especially now that the Luo Tian organization reappeared and discovered his existence, it shows that his situation has fallen into a more dangerous situation, and at this time, if he has obtained the status of charity ambassador and has been valued by the country, it is equal to more. As a guarantee, if Luo Tian organization wants to move him, he has to weigh it carefully.

Soon, he made up his mind.

At the same time, similar voices sounded in many places on the scene, and they wanted to win the status of charity ambassador tonight.

On Zhou Zhe's side, he also clenched his fists, looking at the charity ambassador's trophy on the stage, his eyes were full of enthusiasm, and he must get it.

Not long after, the host announced that tonight's charity activities had begun. First of all, he threw out a project to help the disabled and called on everyone to bid actively.

"I donated ten million!"

“I donated 15 million!”

“I donated 20 million!”

As the host’s voice fell, many people began to raise their hands, shouting out the amount of donation they wanted to donate. The amount was larger than one, and the minimum was tens of millions.

In just ten minutes, the donation amount has reached more than two billion. If this is spread, it will cause a lot of shock in the society.

You know, half of the donations seen on the news are hundreds of thousands, millions, and tens of millions are a minority.

It’s only now the first charity project, and it has raised more than 2 billion, which is incredible. After all, the money donated is tantamount to wasted, and it doesn’t have any effect on oneself.

At this moment, a loud voice rang out. It was Zhou Zhe. With a confident smile on his face, he said: “I donate two hundred million to support our country’s charity projects and carry out positive energy.”

When he said this, it immediately caused a lot of shock in the audience. This shot was 200 million yuan, and it was the Beitianhui, and it was rich!

Beitian Club’s main business is security. This does not mean that they don’t have other businesses. On the contrary, what they really make money is not security, but other projects. Security is only their foundation. By infiltrating bodyguards There is no disadvantage to getting information and doing business around the big people from all walks of life.

Two hundred million is just a drizzle for Beitianhui.

When he shouted out this amount, it caused a lot of shock in the audience, and many people shouted out in surprise.

“It really deserves to be the North Sky Club. From the beginning, I donated 200 million yuan directly, which is too fierce!”

“Yes, it seems that the status of charity ambassador tonight must be Zhou Zhe!”

“It’s nice to have money.”

“I wonder if Lin Ziming will compete with Zhou Zhe?”
