

Chapter: 874

“hiss.....”

After three seconds of weird silence, there were bursts of cold breath suddenly sounded on the scene.

Almost everyone opened their eyes wide and looked at Lin Ziming incredulously, obviously shocked by the number Lin Ziming called out.

One billion!

What kind of concept is this? More than half of the people present can earn less than one billion in a year!

Besides, this is the second charity project, and there are more than a dozen in the future.

Is Lin Ziming crazy? !

For the first charity project just now, many people thought that Lin Ziming would call out more than Zhou Zhe, but Lin Ziming only donated 30 million. For the second charity project, most people thought that Lin Ziming had already given up and shouted out the number, which was tens of millions at most. I had never imagined that Lin Ziming would directly donate one billion.

This is too cruel.

Even the host was a little shocked now. He was stunned for a while before asking Lin Ziming, “Excuse me, Mr. Lin, just now you said you want to donate one billion?”

Everyone’s eyes fell on Lin Ziming. Lin Ziming nodded lightly, his face was calm, “Yes, is there a problem?”

“There is no problem, there is no problem!” The host shook his head quickly, and now the look he looked at Lin Ziming was a little different.

One billion, just donated it. He has hosted a charity party for so long, and he rarely sees that some people donate so hard.

Not afraid of not knowing the goods, but afraid of comparing goods.

Just now they heard that Zhou Zhe donated 200 million in one go. They were shocked. They thought Zhou Zhe had a lot of money, but now that Lin Ziming’s one billion is out, he immediately compared Zhou Zhe to it.

Many people still think that Zhou Zhe is a bit stingy. He donated 200 million yuan for the first time and only 100 million yuan for the second time, which is completely comparable to Lin Ziming’s 1 billion yuan.

Even Ye Xingchen frowned, looking at Lin Ziming’s eyes, a bit more haze.

He especially disliked Lin Ziming’s pretending appearance!

Zhou Zhe clenched his teeth. What he had just mocked Lin Ziming had now become his own humiliation. This feeling is really uncomfortable.

Especially the eyes of those around him looking at him are even more annoying to him.

“This Zhou Zhe laughed so hard at me. He thought that he had donated 300

million yuan and it was a lot. He was embarrassed to mock Lin Ziming, but Lin Ziming slapped him heavily and slapped him on the face.”

“Isn’t it? You can tell by looking at his face now.”

“Haha, I suddenly remembered the famous scene of him peeing his pants in fright just now by Lin Ziming.”

“That’s really funny.”

Zhou Zhe heard these voices in his ears, making him extremely uncomfortable, and his teeth were biting loudly.

Lin Ziming didn’t even look at him, and continued to close his eyes to rest his mind. He didn’t even put him in his eyes. It was this kind of ignorance that made him even more uncomfortable.

He planned it, and when he waited for the next charity project, he must overpower Lin Ziming!

“Huh, damn Lin Ziming, I’ll see when you can swell your face and fill the fat man, and you will be richer than me? You are dead, I will make you lose money!” Zhou Zhe stared at Lin Ziming. Direction, gritted teeth.

He didn’t believe that Lin Ziming could compare to him in terms of financial resources.

You know, this time, in order to obtain the status of charity ambassador, he prepared six billion yuan and smashed it hard. In any case, he must return the status of charity ambassador!
