

Chapter: 875

And he also has this confidence.

As for Lin Ziming? It's just a jumping clown.

He had already investigated Lin Ziming's assets, including Ziqiong Media, Teng Yue Advertising, Aegis Security, and the funds that Lin Ziming could mobilize were only 3 billion yuan. Compared with him, it was completely a man's arm blocker. At your own discretion!

Moreover, Lin Ziming had already squandered one billion just now, and only two billion were left. He asked Lin Ziming to donate the three billion, but he couldn't even get his root hair.

After understanding this, Zhou Zhe's face looked much better, with a sneer on the corners of his mouth.

"Fight with me? Lao Tzu made you lose everything." Zhou Zhe sneered, full of confidence.

Soon, the third charity project came again. It was about the construction of the disaster area. Many people realized that this was one of the highlights of the charity party tonight, because the construction of the disaster area was closely related to the people's livelihood.

For a while, many people began to bid hard again.

"I donated thirty million!"

"I donated fifty million!"

"I donated 70 million!"

"I donate..."

This time, many big bosses who gave up the fight for charity ambassadors all began to donate hard. The lowest amounts were all over 30 million. After a while, they had already collected more than 5 billion yuan.

After all, this charity project is related to the country's people's livelihood. Even if they can't grab a charity ambassador, they can still leave a good impression on the country. Then they can hire a media to promote it in the society and get a lot The support of the people.

After more than ten minutes, everyone else in the room had finished donating. Zhou Zhe and Lin Ziming still had no donations. Zhou Zhe rolled his eyes and stared at Lin Ziming again. He said, "Lin Ziming, I don't know this time. How much do you want to donate? Is it a billion?"

His words were full of ridicule, and he didn't believe that Lin Ziming could donate such a large sum of money.

As his words fell, many people present also looked at Lin Ziming, expecting how much Lin Ziming would donate.

To be honest, even if Lin Ziming donated one billion in one breath just now and slapped Zhou Zhe in the face, in most people's minds, they still don't think that Lin Ziming can compete with Zhou Zhe tonight. Tianhui is too rich.

Lin Ziming showed a smile and said, "I donate two billion."

In an instant, the originally noisy scene began to quiet down again, and everyone was speechless again, their eyes widened, and looked at Lin Ziming with shocked eyes.

Damn, this is another two billion donations!

This Lin Ziming is too tyrant, it's not two hundred million, not twenty million, but two billion. With such a large sum of money, you can buy several companies!

Zhou Zhe's breathing was also a lot quicker, Lin Ziming actually called out two billion, which was really unexpected for him.

Wait.....

It suddenly occurred to him that Lin Ziming's current funds were only 3 billion yuan, which had been squandered by Lin Ziming. Then, Lin Ziming would not be able to spend any money.

After confirming this, Zhou Zhe showed a happier smile and said: "It is indeed Lin Dong. After only three charity projects, he has donated 3 billion yuan. Tsk tsk, it is really admirable. But what? , I plan to donate 3 billion, just a little more than you."

When he said this, he immediately caused another uproar.

Zhou Zhe was very proud and enjoyed the exclamation of everyone. Lin Ziming's smile became even stronger.

He came to attend the charity party tonight, originally planning to donate more, anyway, some time ago, he only bet to win 14.6 billion, just squander it.

I don't know when Zhou Zhe donated a large sum of money, but he can't win the title of Charity Ambassador. What is his expression?

Now Lin Ziming is looking forward to it.
