

Chapter: 879

“I donate...”

As the host's voice fell, many people began to donate, and in a short while, nearly tens of billions were raised!

This amount is not a small amount in the charity world.

With the addition of the previous charity projects, all the money has exceeded 30 billion.

Soon, Zhou Zhe and Lin Ziming were left with no donations.

Everyone's eyes turned to both of them.

The host asked: “Mr. Zhou, Mr. Lin, I don't know how much you two are going to donate?”

Zhou Zhe's donation is now 20 million more than Lin Ziming's donation, and he has donated 8.65 billion in total. This is already the sum of all his projects in the North Sky Club, two years of income, just donate like this. When I went in, I felt distressed when I thought of it!

If it weren't for the guy Lin Ziming to intervene, he wouldn't have to spend that much money at all. You know, the third largest donation is just over one billion, damn.

However, as long as it can successfully win the status of charity ambassador tonight, it will be worth it.

He glared at Lin Ziming with resentment, and then said: “Now that the disaster is serious and it affects the hearts of the people across the country, I decided to donate another 150 million to help the compatriots in the disaster and tide over the difficulties.”

He added it all up tonight, which is equivalent to donating 8.8 billion, which is really a bloody!

Originally, his maximum budget tonight was 8 billion, and the remaining 800 million was equivalent to asking him to pay for it out of his own pocket. Blame this damn Lin Ziming! ! !

The host was a little disappointed when he heard this amount, but it was reasonable. After all, Zhou Zhe had donated 8.8 billion yuan after the entire charity party, which is no longer a small amount.

Next, he looked at Lin Ziming, smiled and asked, “Mr. Lin, you are left. I don't know how much you plan to donate?”

For a while, everyone's eyes were on Lin Ziming, and now Lin Ziming has donated 170 million less than Zhou Zhe.

Lin Ziming was stared at by so many people. There was no unnaturalness on his face. He was as steady as Mount Tai. He calmly said, “Excuse me, how much money is needed for the construction of the hardest-hit area this time?”

When he asked this, everyone was stunned for a moment, a little surprised Lin Ziming meant to ask this question.

The host was also a bit surprised, no one asked such questions for so many charity events before.

However, he answered honestly, “Oh, this time the disaster was serious. The earthquake destroyed many buildings and facilities, and killed many compatriots. If all were built, it would cost more than 20 billion.”

Twenty billion!

Hearing this number, many people were silent, this number is indeed too much.

Lin Ziming asked again: “Then I don’t know what the total donation amount is for so many colleagues just now?”

When the host heard this, he was even more puzzled. He didn’t understand the meaning of Lin Ziming’s words.

The host looked at Lin Ziming amusedly, and said: “Just now count as Mr. Last week, the total donation amount is 9.763.4 billion yuan.”

Lin Ziming’s eyes flashed, and the smile on the corner of his mouth became stronger, “That is to say, there is still a shortfall of 10.24 billion yuan from the amount of construction of the disaster area, right?”

“Yes.” The host nodded. Suddenly, he thought of something, and his heartbeat suddenly accelerated. Then, he heard Lin Ziming say in a flat tone, “As a member of China, it is mine. Obligation, it happens that I have this ability. I personally make up the remaining 10.24 billion. I decided to donate 10.5 billion to support the charity of the motherland. I hope that the motherland can successfully build the disaster area so that the compatriots in suffering can live well soon. day.”

The audience was shocked when he said this! ! !
