Chu Fei smiled, but did not respond.

Not long after, Chu Fei saw Lin Ziming who was rushing over, she was overjoyed, walked towards Lin Ziming, waved and shouted: "Ziming, I am here."

Immediately, Lin Ziming heard her voice and looked in this direction, and Ye Xingchen also looked in the direction of Lin Ziming. Suddenly, the two of them looked at each other.

Lin Ziming's heart jumped, why did Ye Xingchen appear here?

Lin Xingchen was also stunned, and immediately he realized that Chu Fei's husband was Lin Ziming. For a moment, he squinted his eyes and became cloudy.

Soon, Chu Fei walked in front of Lin Ziming, took Lin Ziming's arm affectionately, and kissed Lin Ziming's face, and said happily: "Ziming, you are here, I will give you introduce a friend. Fortunately, he just helped me out at the banquet."

"Really?" Lin Ziming smiled and took his gaze away from Ye Xingchen's face.

After a while, Chu Fei took Lin Ziming and walked up to Ye Xingchen, and said with a smile, "Mr. Ye, let me introduce you. This is my husband, called Lin Ziming."

Then he said to Lin Ziming: "Ziming, this is Mr. Ye Xingchen Ye. Fortunately, he was able to relieve me just now, otherwise I must be drunk now."

After speaking, she found something was wrong, Lin Ziming and Ye Xingchen looked at each other, the swords were drawn between them, and there were electric sparks flickering in the air!

She was not stupid, she realized in an instant that Lin Ziming and Ye Xingchen knew each other, and they were still in a hostile relationship.

"It's a coincidence, I didn't think that the woman I was looking for was your wife. Tsk." Ye Xingchen suddenly laughed, the corners of his mouth raised, revealing a mad and evil expression, where is the elegance and decency just now?

Seeing him like this, Chu Fei frowned immediately, and the goodwill towards him disappeared instantly.

Lin Ziming squinted his eyes and stared at Ye Xingchen, and said, "Ye Xingchen, you are the most powerful person in the fourth stage of the Innate Realm. You still have a face when you attack the ordinary people around me? Could it be that you think it's not me? My opponent, so he threatened me with people around me and made me throw a rat? Or should you say that your Luo Tian organization is all in this style?"

Chu Fei realized that there was an irreconcilable grievance between Lin

Ziming and Ye Xingchen, she immediately became nervous, and grasped Lin Ziming's arm, especially the evil spirit that Ye Xingchen exuded, which made her feel very uncomfortable.

At the same time, she was scared for a while, that Ye Xingchen was actually a bad person.

Ye Xingchen laughed loudly when he heard Lin Ziming's words. He stared at Lin Ziming and said, "I need to threaten you with people around you? A big joke!"

After he finished speaking, he took a step forward, staring straight at Lin Ziming, and a murderous intent appeared in his pupils, "Lin Ziming, you wild species, when Qin Yuehua betrayed the organization and married your dad, it was a shame! And your existence is the shame in the shame, you are simply not qualified to survive in this world!"

The aura that he exudes at this moment is huge, such as overwhelming mountains and seas, mountains whirring and tsunamis, turbulent aura and murderous intent swept in, so that Chu Fei could not bear it first, her face was pale, and her breathing became short.

Lin Ziming also took a step forward, blocking Chu Fei behind him.

"Ye Xingchen, this is the cultivation of your Luo Tian organization, one bite one wild species, and claiming to be a god, it's a terrible mess in the world, but you also have this face!" Lin Ziming did not give up, his aura rose steadily. , And Ye Xingchen's tit-for-tat, "I am not qualified to exist. It is not your Luo Tian organization that has the final say, let alone you Ye Xingchen!"

Ye Xingchen showed a grinning smile on his face. His murderous intent was at the extreme at this moment, and he was about to disregard the occasion and directly attack Lin Ziming, "It's not me who has the final say? Then I will let you see today, can I have the final say? !give me....."

Speaking of this, just when he was about to make a move, suddenly, he sensed something, his face changed suddenly, and he looked in a direction behind him. He was astonished for a second, and then he showed a playful expression, "Somewhat interesting. ."

After saying this, he disappeared directly on the spot, chasing in that direction.

Lin Ziming also sensed it in an instant, and he also looked over and saw a red shadow that flashed past.
