

## Chapter: 888

Seeing this red shadow, Lin Ziming immediately thought of it. This is what the ugly master said, Master Nishang!

A super master of the fourth stage of the Innate Realm, she appeared again. Ye Xingchen's murderous intent had condensed to the extreme just now, and it was about to be shot.

With Lin Ziming's current cultivation base, Chu Fei was burdened with it, and when he really fought, his chances of winning were actually very small. But at this time, neon clothes appeared.

No, to be precise, Nishang was here long ago, staring at them in the dark. When Ye Xingchen was about to attack Lin Ziming, Nishang warned Ye Xingchen and immediately alarmed Ye Xingchen and rescued him in disguise. under.

Nishang disappeared very quickly, even with Lin Ziming's eyesight, he couldn't track it, but in an instant, he saw the profile of Nishang, a beautiful and flawless face.

He feels a bit complicated, grateful for neon clothes, but also worried about neon clothes.

"Ziming, I'm sorry, I caused you trouble again."

At this moment, he heard Chu Fei's sad voice next to him, pulled his thoughts back, lowered his head, and saw Chu Fei's guilty face.

Lin Ziming held her face and said with a smile: "Fool, how can you say that it caused me trouble? Originally, I and Ye Xingchen were in a hostile relationship. Even if you didn't meet him tonight, between me and him It is impossible to reconcile."

Chu Fei said, "But, he knows that you have a wife..."

Chu Fei's meaning is obvious, that is, she will become Lin Ziming's burden in the future.

Lin Ziming shook his head again and said, "Fool, don't think about it. There is no such thing, a powerful person at the level of Ye Xingchen, he will not start with ordinary people around me. Once this kind of thing is spread, he will Spurned by thousands of people."

"Is this really the case?" Chu Fei said with some worry.

Lin Ziming held her hand and said with a smile: "Of course it's true, when did I lie to you. Okay, don't think about it, it's nothing, this Ye Xingchen is not my opponent."

"Um..." Chu Fei nodded gently, very docile, and after a pause she wanted to say something, but when the words came to her lips, she still didn't say anything.

Actually, there is no need for her to say anything, Lin Ziming knows what she is going to say, just asking about the conversation between him and Ye Xingchen, especially Ye Xingchen said that he is a wild species and is not

qualified to exist in this world.

Lin Ziming looked at Chu Fei deeply and said, “Fei Fei, I assure you that I will be fine. After this incident, I will explain my life experience to you.”

Chu Fei nodded vigorously, “Okay!”

Next, they went home together.

Lin Ziming finally glanced at the direction where the neon clothes disappeared, and some worries flashed in his eyes, hoping that there would be nothing wrong with the neon clothes.

He didn't have the choice to chase, one couldn't catch up, and secondly, it didn't make sense.

.....

When Ye Xingchen was about to attack Lin Ziming, he suddenly felt a strong breath and warned him. When he turned his head, he found the neon clothes and chased after him without hesitation.
