

Chapter: 891

It's really uncomfortable to be caught by the neon clothes!

Nishang continued: "Ye Xingchen, I don't want to be an enemy of you. We don't offend the river. Don't provoke me, and I won't provoke you. Otherwise, the big deal will die together!"

After saying this, the neon clothes stopped staying, turned and left directly, stepping on the surface of the water, and crossing the river with a reed.

Ye Xingchen looked at the back of Nishang's departure, his face was ugly, and finally waved his sleeves, and said coldly: "Nishang, I will definitely get you, you wait for me!"

.....

On Lin Ziming's side, he was under even greater pressure, and he began to work hard to improve his cultivation as soon as possible.

If he loses to Ye Xingchen, the consequences will be disastrous, which he cannot accept.

He suddenly remembered something that Ye Xingchen mentioned when he first saw him.

Ye Xingchen thinks that his cultivation is so advanced because he has double cultivation with the neon clothes.

This is something he can't understand. What martial arts can be diligent through double cultivation? In this world, where there is such a good thing, he has never heard of such a thing.

After thinking about it, he decided to ask the ugly master.

"Who is Ye Xingchen?" Lin Ziming said straightforwardly after seeing the ugly master.

The Ugly Master was drinking tea. He was startled when he heard the three words Ye Xingchen. The tea in his mouth spouted out, and Lin Ziming dodged and hid.

From Chou Ye's reaction, Lin Ziming already knew the answer he wanted. This Ye Xingchen, even in the Luo Tian organization, must be a transcendent existence.

Ugly Master said in surprise: "Master, did Ye Xingchen find you?"

"Yes." Lin Ziming nodded, and then he briefly said about the events of the past few days. After listening to the ugly master, his face couldn't hide the panic, stood up, and paced back and forth.

Lin Ziming saw him like this and said again: "Tell me his identity."

The Ugly Master swallowed his saliva and said to Lin Ziming: "Ye Xingchen, he is the protector of the Eastern Region of Luo Tian organization. He has reached the fourth stage of the innate realm and reached the peak of his cultivation. It is said that he was once in Antarctica. After three years of training, he has cultivated cold energy into his body, and every attack can cause a lot of damage to his opponent! The most terrifying

thing is that his martial arts talent is extremely high, and he was killed when he first entered the first stage of the innate realm. A strong man in the second stage of the innate realm can achieve leapfrog killing. Now he has reached the fourth stage of the innate realm, I am afraid that he can be a peerless strong who can challenge the great perfection of the innate realm!” After Lin Ziming listened, he was also a little surprised, but after thinking about it carefully, the two contacts with Ye Xingchen did indeed feel Ye Xingchen’s extraordinary.

The ugly master said: “The previous Lu Dongbin was a small person, not to be afraid of, but Ye Xingchen, the protector of the Eastern Region, will definitely attack you with his character, and then take your head to the face of the holy king. Those who asked for credit before! Master, you are in danger!”

This was the first time Lin Ziming saw the Ugly Master in such a panic, so it seemed that Ye Xingchen was indeed a powerful character.

“It doesn’t matter, next time I see him, I will beat him to death.” Lin Ziming said calmly.

If you change the previous one, Ugly Master will believe it, but now, Ugly Master’s eyes are obviously full of doubts and bitterness, and he sighed and said: “Master, I know your martial arts talent is very high, but Ye Xingchen’s martial arts The learning talent is higher, especially, he is already in the fourth stage of the innate realm, one level higher than you, not because I don’t believe it, but in fact, you are really not his opponent.”

Lin Ziming smiled slightly, did not speak, and was silent for a while. He said curiously: “There is one more thing. Ye Xingchen saw me for the first time and said that I had both repaired with Nishang. What’s the matter, what is the secret of this neon clothes that I don’t know?”

When Ugly Master heard this, his face changed again, “This...”

He looked around, as if to see if the neon clothes were nearby.

Lin Ziming’s curiosity intensified when he saw his nervous look.

Finally, the Ugly Master was sure that Nishang was not here, so he gritted his teeth and walked to Lin Ziming’s ear and said softly: “This matter was once a secret, Master Nishang, she is a rare extremely vaginal physique in the world. The practitioner and her Double cultivation, cultivation level will be significantly improved, if you become a Taoist, long-term double cultivation, you can get huge benefits.”
