

Chapter: 892

Lin Ziming was stunned on the spot when he heard this.

What the hell?

Is there such a physique in this world?

If it wasn't for Ugly Master's expression to be more serious than ever, and with some panic, for fear of being heard by Nishang, Lin Ziming would suspect that Ugly Master was lying to him.

After a while, Lin Ziming said, "Who is the Taoist couple in the neon clothes?"

Ugly Master shook his head and said: "As far as I know, Master Nishang is still free, and there are no Taoists. In fact, the secret that Master Nishang is a very yin physique has only been circulated not long ago, and not many people know it. Ye Xingchen would say this, obviously he is one of the secrets."

Then the ugly master frowned again, and said with a little worry: "According to Ye Xingchen's personality, he knows that Master Nishang is a very yin physique, and he will definitely not let this opportunity go. He is probably going to be disadvantageous to Master Nishang!"

Lin Ziming also nodded lightly, agreeing with Ugly Master's speculation, and after simply contacting Ye Xingchen twice, Lin Ziming could see that Ye Xingchen was the kind of ambitious person who would do nothing to achieve his goal.

After thinking about it, Lin Ziming said, "I want to see this man in neon clothes, can you arrange it?"

The Ugly Master smiled bitterly and said: "Master, you can look up to me. I am just a servant. How can I arrange for a master in neon clothes? She is a super strong in the fourth stage of the Innate Realm."

This is also true.

Lin Ziming said again: "Since she will come to Huacheng, she should see me sooner or later."

The ugly master thought for a while, but said helplessly: "I can't give you the answer to this, I can't guess what she thinks, but I think I should see you once. of."

"Okay." Lin Ziming also knew that as the ugly master, he couldn't arrange a meeting with the neon clothes. The more so, the more he wanted to see the neon clothes.

Then, Lin Ziming asked some things about neon clothes, but the ugly master didn't have anything to hide, because he didn't know much about neon clothes. He only knew that the neon clothes belonged to the Luotian organization in the Western Regions and was brought by the saint Qin Yuehua back then. He came back to Luo Tian organization, and his cultivation base was very high. Besides, there was no other information.

At this moment, Ugly Master's cell phone rang suddenly. He took it out and showed a surprised expression on his face. Then he looked up at Lin Ziming and thought for a while before answering the phone.

"Hey, Master Nishang..."

Lin Ziming immediately raised his brows and his ears stood up.

On the phone, there was a cold female voice immediately: "Tell brother Ziming, the time is right, I will meet him, and Ye Xingchen, don't worry about him, I will solve it and let him concentrate on cultivation."

"Okay Ni..." Ugly Master responded respectfully. He didn't finish speaking, and he felt a flower in front of him, a gust of wind blowing, and Lin Ziming quickly walked in front of him, and I snatched his phone, put it in my ear and said, "I want to see you now."

"Master, you..."

Lin Ziming glared at him, and the ugly master didn't dare to speak.

On the phone, Nishang heard the sound of shortness of breath, and there was no immediate response, but he was silent.

After a while, the voice of neon clothes came through the phone, "It's not the time yet."

"When is the time then?" Lin Ziming asked in a deep voice.

Nishang has no answer.

Lin Ziming sighed, this feeling of being hung is really uncomfortable.
