After thinking about it, he then asked: “My mother, how is she?”

Asking this sentence, Lin Ziming’s heart couldn’t help feeling nervous. In his mind, the gentle and kind face of his mother appeared. In the impression, he had not seen his mother for a long time, and once thought that his mother was dead. No, I didn’t think my mother was still alive.

Now he is in this world, and the only relative left is his mother.

“She... okay.”

Nishang’s words paused for a while, even if she quickly returned to nature, Lin Ziming still caught it keenly!

Mother is not doing well! !

Lin Ziming’s breathing began to swift, and holding the phone with a lot of force, the tempered glass screen was cracked by him.

“I heard that my mother was not doing well. Did someone bully her!” Lin Ziming’s eyes were cold, gritted his teeth, a strong murderous intent emanating from him, causing the temperature in the room to drop several degrees, ugly The Lord felt his coercion for the first time, his heart was tightened, and his heart was shocked. After not seeing him for a while, the young master’s cultivation became even more profound! !

Nishang became silent again. Lin Ziming hated her silence and gritted his teeth and said, “Tell me!”

Nishang finally spoke, her tone of helplessness and grief and anger, but she tried her best to suppress it, and at first it sounded very cold, “You don’t need to ask so much, she is in danger of life now. Besides, with your current repair Because I can’t save my aunt, what’s the point of telling you?”

Lin Ziming’s strength to lift up instantly vented half, and his anger disappeared like a tide, slowly rising, becoming bitter, unwilling, and self-blaming.

Yes, even if Nishang tells him, what can he do?

Not to mention fighting against the entire Luo Tian organization, Ye Xingchen is one of them. He is difficult to defeat, so what can he use to save his mother from the sea of suffering?

Strength, everything depends on strength!

Over the years, after experiencing so many difficulties and setbacks, Lin Ziming’s mind has long been tempered to be very tenacious. He didn’t have too much decadence, and he soon cheered up.

Now that he is less than 30 years old, there is still a lot of room for improvement!

Before he was so difficult, he has survived, and now he faces no matter how difficult he is, he will not easily fail.

“I am powerless now, it doesn’t mean that I will be powerless for the rest of my life. For thirty years in Hedong and thirty years in Hexi, one day, I will

have enough strength to rescue my mother!” Lin Ziming said firmly, at this moment, his eyes He was full of perseverance, and a strong self-confidence emerged spontaneously, emanating from him.

The ugly master on the side was immediately shocked by him. At this moment, he felt Lin Ziming’s determination and confidence to dare to fight against the sky without admitting defeat. In an instant, he even developed a kind of trust, believing that Lin Ziming would really one day grow up to the point where he could fight against the Luo Tian organization!

It seemed that the neon clothes on the other side of the phone also felt Lin Ziming’s confidence.

She fell silent again.

But after a few seconds, she said: “You don’t know Luo Tian, and it’s normal to have such confidence. Auntie, you don’t need to think about it too much. When the time is right, I will rescue auntie. When the time comes, Your mother and son will meet again.”

Nishang didn’t believe in Lin Ziming’s tone. Even if she covered up well, Lin Ziming heard it out. When Lin Ziming wanted to say something, Nishang had already hung up the phone.

Lin Ziming listened to the busy tone on the phone, his mood was quite complicated.

After returning the phone to the Ugly Master, Lin Ziming didn’t stay for long, so he left after explaining the matter.

Next, he will begin to retreat, sprint with all his strength, and break his cultivation base to the fourth stage of the innate realm! ! !
