

Chapter: 896

This person, unsurprisingly, must be a high-level person in Xuanyuan 3rd place. Tan Qiuya and Tian Mingjie immediately showed respect when they saw him, and saluted solemnly: “Chu Sun!”

The iron-blooded middle-aged nodded to them, walked to Lin Ziming, and said in admiration: “Mr. Lin, you are younger than you look in the picture. If you haven’t personally investigated you, I really can’t believe it. He is thirty years old.”

After walking in, Lin Ziming could clearly find that the opponent’s right foot was obviously short. Even if he had covered it well, he could still see it. Moreover, one of the opponent’s eyes was broken and it was fake. The eyes will not turn.

Especially the place has an iron-blooded and hard-line temperament, and the evil spirit is very strong. At first glance, it is known that many people have been killed. But his murderous aura does not make people feel bloody, he is not the kind of vicious person. Lin Ziming knew immediately that the other side had killed all bad guys, he had a clear conscience, and even thought it was honor.

Lin Ziming immediately raised his respect and said politely, “Chu Sun, hello.”

Obviously, even if the person in front of him is not the main office of Xuanyuan 3rd place, he is at least the deputy office.

To be honest, Lin Ziming is still a bit surprised. Even if he is the deputy, his identity is not simple. Actually he will come to him personally, which shows that Xuanyuan 3 places great importance on him. It also shows that the talents of Xuanyuan 3 are withered and he needs him very much. .

Sun Chu first smiled and looked at Lin Ziming carefully, then suddenly his expression became serious. He actually saluted Lin Ziming and said in a deep voice, “Xuanyuan Third Deputy Chief Sun Liang, sincerely invite Mr. Lin to join Xuanyuan Third !”

At the same time, Tan Qiuya and Tian Mingjie also saluted Lin Ziming at the same time, with extremely serious and solemn expressions, and even with obvious requests in their eyes, they shouted: “Tan Qiuya, deputy head of the fourth team of Xuanyuan Third Division, sincerely Invite Mr. Lin to join the third place of Xuanyuan!”

“Tian Mingjie, member of the fourth team of Xuanyuan No. 3, sincerely invites Mr. Lin to join Xuanyuan No. 3!”

The sound is loud, can penetrate the sky, and shock people’s hearts.

Even with Lin Ziming’s composure, at this moment, he couldn’t help but be shocked, a little moved, and a stream of blood flowed through his body.

In fact, when he is in his state, it is difficult to be emotionally affected by the outside world, but now, he is not only affected, but also not lightly.

He could feel it completely, they didn't pretend, they really wanted him to join the three places of Xuanyuan.

Especially from their eyes, Lin Ziming saw bitterness and sadness. It was obvious that there was really no one in the third place of Xuanyuan.

Originally, Lin Ziming was reluctant to join, especially now that he has obtained the status of charity ambassador and has a relationship with the lord of the state. His status in China is already relatively detached. Joining Xuanyuan three places will not give What benefits he brings, but the danger has increased a lot.

If rationally, Lin Ziming shouldn't join the three places of Xuanyuan no matter what, but Lin Ziming is not a purely rational person, he is a person of flesh and blood, emotions and aspirations.

Now the country needs help, he has this ability, it is difficult to stand on the sidelines.

Finally, he sighed in his heart and shook his head helplessly.

When the three of Sun Liang saw Lin Ziming's reaction, they thought Lin Ziming had refused. Their eyes dimmed. Sun Liang sighed heavily and said, "Everyone has their own ambitions. Since Mr. Lin, you don't want to join Xuanyuan. Well, then we won't force you."

There was a deep sense of loss and bitterness in his eyes.

Lin Ziming smiled bitterly and said, "Director Sun, you have misunderstood me. I am willing to join Xuanyuan Three."

"what?!"

In an instant, Sun Liang opened his eyes wide and looked at Lin Ziming excitedly. Tan Qiuya and Tian Mingjie also had the same surprise on their faces. There was a kind of unsustainable ambiguity, and the willows and flowers illuminate another village.

Lin Ziming touched his nose and said with a wry smile: "Your reaction is too big, it makes me so rare."

Sun Liang laughed loudly and patted Lin Ziming on the shoulder and said, "Haha, Mr. Lin, with your participation in the three places of Xuanyuan, we will definitely be able to regain glory."

Lin Ziming was even more embarrassed when he was praised. Although his current cultivation base was not low, he was still far from enough to look at such a large institution in Xuanyuan Three. He still had this point of self-knowledge.

Sun Liang seemed to have confidence in him, and said with a smile: "Mr. Lin, to put it bluntly, in terms of your strength, perhaps you don't even know us about you."
