

Chapter: 907

The over a hundred buggers all lay down.

No, there is the last one. He was the first bull to challenge Lin Ziming. He now rushed to Lin Ziming three meters before stopping. Looking at the colleague lying on the ground, his face suddenly paled!

Lin Ziming smiled and said to him: "You are left, let's do it."

Guru! !

Daniel swallowed heavily, his scalp numb, especially when Lin Ziming looked at him like this, he was really terrified, and his feet began to swing.

It's not that he is not brave enough and afraid of death, but that Lin Ziming is shaking him too much now! He couldn't even think that Lin Ziming could really bring down so many people. He still had no injuries at all in such a crushing situation.

Is this really still a human?

It's a monster! ! !

Daniel's face was full of fear, and he couldn't help but ask Lin Ziming, "Are you a human or a ghost?"

Lin Ziming was amused. He deliberately made a threatening action to Daniel, "What do you think?"

Suddenly, Daniel became even more frightened.

He now hurriedly backed up, tripped his back feet and fell to the ground. All his fighting spirit faded at this moment. Even when performing dangerous tasks, he never had such a gaffe.

In fact, Lin Ziming's toughness was far beyond his imagination.

In fact, not only him, but everyone present was shocked by Lin Ziming. The eyes looking at Lin Ziming were full of shock, incredible, and hell.

Sun Liang was dumbfounded and stared at Lin Ziming motionlessly. He couldn't recover for a long time. He knew that Lin Ziming was amazing, but he didn't even think that Lin Ziming was so amazing!

In his impression, there seems to be no such perverted character in the three places of Xuanyuan?

As for Chang Hongshen, who is upstairs in the building, his scalp is numb now, staring at the square in disbelief, looking at the shameless Lin Ziming, he is completely stupid.

He has lived for so long, and has never encountered such a thing, even with his will, at this moment, he is shocked.

At this moment, Lin Ziming suddenly turned around, raised his head and looked at him, showing him an intriguing smile, his eyes clearly saying, 'Is my performance satisfying you?' Chang Hongshen's scalp became even more numb. Obviously, from the beginning, Lin Ziming knew that he was peeping here.

At this moment, he completely disregarded and questioned Lin Ziming

before, but invisible, he felt a sense of awe for Lin Ziming.

Lin Ziming can stop, he stood with his hands in his hands, and said with a smile: “How about it, is there anyone who is not convinced? I can wait.”

No one spoke, they were all impressed by Lin Ziming.

Finally, someone stood up one after another, walked to Lin Ziming, bowed deeply, and said convincingly: “Instructor Lin, I take it. From now on, you will be my instructor. You let us go east. We will never west!”

With the first one taking the lead, soon there will be a second and a third, until everyone bows deeply to Lin Ziming, showing their respect and conviction.
