

Chapter: 910

“Hey, don’t go...”

The woman named Yanran stood up quickly, trying to hold the girlfriend in front of her, but she was already a step slower, and the girlfriend strode towards Lin Ziming and Tao Sanniang.

She is no one but Ouyang Xuehai’s daughter, Ouyang Yanran.

During this period of time, she was in a very bad mood. She followed her best friend to travel abroad, visited a few places, and ate a lot of local delicacies. Her mood was a little more happy. Finally, she just flew back to Hwaseong City and was at the airport. Just saw such a scene, Lin Ziming and another woman Qingqing, I and I are clearly a romantic relationship.

I don’t know why, when she saw this scene, she felt particularly uncomfortable, and she even felt aggrieved, her nose was sour, her eyes were red, and there was an urge to cry!

She didn’t understand why she had such a reaction. It was obvious that she and Lin Ziming weren’t even friends. They only met a few times, but she just couldn’t forget Lin Ziming, especially when she saw Lin Ziming being close to other women. It is extremely difficult.

What’s bad is that her good girlfriend actually discovered her anomaly and had to go to trouble Lin Ziming, which really scared her!

She is very clear about the character of her best friend, savage and hot, and will definitely be rude to Lin Ziming. The point is, she and Lin Ziming are not like that at all, aren’t they doing a disservice.

“Guiying, come back soon, things are not what you imagined!!” Ouyang Yanran hurried to catch up, trying to stop her girlfriend Yang Guiying, but Yang Guiying’s speed was very fast. At this moment, she was already in front of Lin Ziming.

And shouted loudly: “Hey, scumbag, stop for me!”

She shouted loudly and with anger, and immediately shocked everyone around her and looked over.

Lin Ziming had noticed her anger towards him a long time ago, and felt inexplicable, but he didn’t look back, pretended not to hear, and continued to move forward.

Instead, Tao Sanniang turned her head and looked at Yang Guiying strangely. She frowned and was very angry, but Lin Ziming didn’t say anything. If she continued to move forward, she wouldn’t be able to say anything. After all, she was outside, a virtuous person. A woman still has to give a man face all the time, and Tao Sanniang still has this bit of wisdom for a woman.

Yang Guiying became even more annoyed. She stepped up to the ground and grabbed Lin Ziming’s shoulder directly, “Hey! I’m talking to you, are you deaf?”

Her speed is quite fast, and she has the realm of a master.

If it was an ordinary person, she would have to be captured by her and fell to the ground. Her eyes flashed a little bit fiercely, intending to teach Lin Ziming this scumbag a lesson.

However, her three-legged cat kung fu is too pediatric for Lin Ziming. Lin Ziming just casually took one side of her body and avoided her capture.

Tao Sanniang suddenly became annoyed. She patted Yang Guiying with a palm and cursed, "Where is the mad woman from? I'm sick!"

Tao Sanniang is also a master in the realm of masters. She rarely makes shots, which does not mean that she is a weak female class.

Yang Guiying was wary of Tao Sanniang. She was accidentally slapped by Tao Sanniang. Her face changed and she stepped back several steps. She became even more angry and shouted for death. Then she got anxious and started to face Tao Sanniang attacked.

Fortunately, at this moment, Ouyang Yanran had already run over, and she hurriedly stopped Yang Guiying, "Guiying stop!"

Yang Guiying was grabbed by Ouyang Yanran. She was very angry and said: "Yanran, don't stop me, let me go, let me teach this couple of dogs!"

With that, she was about to push Ouyang Yanran away.

Tao Sanniang is also on fire now. She was in a good mood when she came back this time, but was destroyed by Yang Guiying, a mad woman.

So she also has to do something to teach Yang Guiying a lesson.

At this moment, Lin Ziming spoke and said in a deep voice, "Enough!"
