

Chapter: 911

He frowned, stared at Ouyang Yanran, and said, "Ouyang Yanran, what are you doing?"

Ouyang Yanran was so scolded by Lin Ziming, especially the impatient expression that blocked her heart, and she felt an unprecedented grievance. She opened her mouth and wanted to talk, but she found that she didn't say anything. When I came out, my nose became sour instantly, and tears flowed out unconvincingly!

Even if I witnessed Laibinbai's derailment in the first place, he was far from sad now.

Lin Ziming had never cared about her, even in Lin Ziming's eyes, she was just a savage woman.

She didn't know why she was like this. It was obvious that she had a noble background, thousands of pursuers, and a lot of outstanding people. It happened that she had a love for Lin Ziming, which was very abnormal to her!

But the fact is that she can't change it. Lin Ziming is indeed the most attractive and powerful man she has ever met.

I feel that this kind of thing cannot be controlled or controlled by itself.

Lin Ziming was shocked when he saw her crying.

What the hell is this? He didn't curse, besides, he was obviously the victim.

As a woman, Tao Sanniang had outstanding observation ability, and she could tell at a glance that there was nothing so simple between Ouyang Yanran and Lin Ziming, and she showed a meaningful expression.

As for Yang Guiying, she became even more angry, thinking that it was Lin Ziming's scumbag who had done something to hurt Ouyang Yanran!

She yelled a scumbag and started to attack Lin Ziming again.

Tao Sanniang naturally wouldn't let Lin Ziming take action. She stood in front of Lin Ziming and fought Yang Guiying.

For a while, it was even harder to match.

Lin Ziming immediately got a headache when he saw it.

Many people in the airport stopped and began to watch this good show.

Many people have to take out their mobile phones to shoot, after all, this situation is not always visible.

Yang Guiying couldn't win Tao Sanniang for a while, she became even more anxious, and cursed at Lin Ziming: "Scumbag! You hide behind a woman, what a man, you don't want to be a turtle, and I have a fight!"

Tao Sanniang also cursed: "Crazy woman, please keep your mouth clean. My man is not a scumbag!"

Yang Guiying cursed at Tao Sanniang: "You are a crazy woman. You were deceived by this little white face. He is a scumbag and cheated my girlfriend. Now he is cheating with you again. You have to protect him with such a

little white face. Your mind is flooded!”

Little white face?

When Lin Ziming heard these words, he became even more confused. When did he become a little boy? It's so wrong.

Lin Ziming was really dumbfounded.

Ouyang Yanran wiped her tears. Seeing this situation, she became even more panicked. She rushed over and tried to hold Yang Guiying, “Guiying, don't fight, things are not what you think, he... what.....”

Yang Guiying was furious. Wherever he could care about Ouyang Yanran, she pushed Ouyang Yanran out with a quick push. With a lot of strength, Ouyang Yanran was out of balance, she was about to fall, and there was exactly one and a half meters behind her. The high ladder, if it falls, it will not fall lightly.

In a hurry, Lin Ziming had to take action. He was very fast, and in the blink of an eye, he arrived in front of Ouyang Yanran and caught her, but Ouyang Yanran was panicked, completely in a conditioned reflex, and hooked tightly. With Lin Ziming's neck, the postures of the two of them were quite ambiguous...
