

## Chapter: 914

Yang Guiying's mentality collapsed, and she had no idea that such a thing would happen.

She is an avid fan of martial arts. After hearing about Lin Ziming for a while, she became crazy about Lin Ziming and regarded Lin Ziming as an idol. She was even more obsessed than chasing stars. She wanted to see him in her dreams. To Lin Ziming, the ultimate goal is to worship Lin Ziming's sect. This time she came to Huacheng, mainly rushing to Lin Ziming, but Wan Wanren had thought that she really saw Lin Ziming, but this was the case.

When she realized that Ouyang Yanran was not joking, but the fact, she hurriedly chased in the direction where Lin Ziming disappeared...

However, it was still too late. Lin Ziming and Tao Sanniang left the airport and drove home.

Yang Guiying really wanted to cry without tears, all her thoughts were grayed out for a while, and she felt that her life was gloomy.

She actually called her idol a scumbag, a little white face, and she had to teach the idol just now. Now the idol must be extremely disgusted with her.

"My life, why is it so bitter..." Yang Guiying sat next to the flower pond with a face full of love.

When Ouyang Yanran saw her like this, she wanted to laugh a little. She didn't think that Yang Guiying would have such a sad side.

"Are you okay?" Ouyang Yanran patted her on the shoulder and asked concerned.

Yang Guiying immediately grabbed Ouyang Yanran's hand and said excitedly: "Yanran, you chase the idol! When you are with the idol, blow the pillow wind to the idol and let the idol accept me as a disciple!"

With a fiery face, she stared at Ouyang Yanran straightly.

The more I think about it, the more I feel that this method works, and then he said: "Yan Ran, on your terms, if you look so beautiful and have such a good figure, the idol will definitely like you! When you become an idol, then the idol will definitely not I will hate me. With my martial arts talent, idols are definitely willing to accept me as a disciple...Oh no, won't you become my wife by then?"

Ouyang Yanran saw her talking more and more ridiculously, and couldn't listen anymore, she said quickly, "Hey, what nonsense are you talking about? It's messy! Did you see it just now? Lin Ziming already has a confidante, besides, he I'm already married, what chance do I have..."

Speaking of this, Ouyang Yanran was quite uncomfortable. Wan Wanzhen had thought that Ouyang Yanran, such a goddess with such a good condition, was always the only one pursued by others. Now that Feng Shui turns, she has become a crush on others.

Yang Guiying recalled the picture just now. It seemed that the idol really

had no interest in Ouyang Yanran, and she was so disappointed that she couldn't help but sighed. For a while, the two of them were sitting next to the flower pond, lost in their souls, and they became a landscape in the airport.

.....  
Speaking of Lin Ziming's side, after he and Tao Sanniang came out, they found that Tao Sanniang had been looking at him with a smiling face, which made him very guilty.

He was embarrassed by the look, and asked: "What's the matter, keep looking at me like this."

Tao Sanniang did not speak, but still looked at him with a non-smiling expression. He couldn't bear it, and continued to explain: "Just now that is Ouyang Yanran, Ouyang Feng's daughter. You also saw Gu Hanxing's birthday party before. Yes. I don't have the kind of relationship you imagined between me and her."

Tao Sanniang said, "Huh? What kind of relationship do I imagine?"

"Uh..." Lin Ziming immediately lost his words, became even more anxious, and said, "I didn't lie to you, me and her..."

Tao San Niang has continued to talk to Lin Ziming, he blocked Lin Ziming's mouth, and said with a smile: "Fool, I just teased you. It's not the first day I met you. What kind of person are you? I don't believe it."

Lin Ziming asked with some confusion, "Do you really believe me?"

On the contrary, he is a little unconfident.

Tao Sanniang held his hand and said softly: "Of course I believe you, if you were really the kind of man with a heart, you wouldn't have rejected me like this in the first place. If it weren't for the first time, I would be in the situation of your betrayal. , And chose to stand on your side. You promise now that you will not accept me. So, how can a "coward" man like you get in trouble outside?"

Lin Ziming breathed a sigh of relief when he heard it, but after listening, there was something wrong with Tao Sanniang's mouth.
