

## Chapter: 930

Neishang saw Ye Xingchen, her expression changed drastically, and her heart was shocked. She never thought that Ye Xingchen would come to the door, so courageous!

If it is normal, Nishang is not afraid of him, but now, she has reached the weakening period of her practice, yesterday was the third stage of the innate realm, and now she has fallen to the second stage, which is also the time when she is weakest.

Even, her next realm will fall again, falling to the first stage! Only after the lowest point, she will slowly recover her cultivation base.

This is the flaw of her practice, and it is also the mystery of her practice, because as long as she has successfully experienced this period of weakness, then her cultivation will definitely improve.

And the most important thing is that very few people know her secret, how did Ye Xingchen learn it? ! The only possibility is that someone betrayed her, who is that person!

In an instant, many ideas emerged in Nishang's mind.

Several times before, she hid herself, closed the door, and spent it perfectly, but now, she was discovered by Ye Xingchen, and looking at Ye Xingchen's appearance, it was clear that she was going to be unruly to her!

Even with the concentration of neon clothes, he couldn't help panicking at this moment.

She didn't have any extra moves. The moment she saw Ye Xingchen, she turned around and ran!

However, she didn't even run towards the gate, which was already blocked by Ye Xingchen. With her current strength, she was not Ye Xingchen's opponent at all and couldn't compete, so she could only run in another direction.

She made a decisive decision, rushed directly to the balcony, jumped out, bent her legs, and jumped suddenly, like a huge spring, directly onto the opposite building.

Ye Xingchen looked at her so decisively and didn't have the first time to chase her. Instead, the corners of her mouth raised, showing a joking and fanatical expression, "Nishang, I don't think you are really in a period of weakness, and you have fallen to the second stage. , In the next few hours, you will fall again...you can't run, you are destined to be my person...extremely yin physique, top double cultivation cauldron, as long as I put If you get it, you will definitely be able to break through the fourth stage and reach the realm of Dzogchen!"

After saying this, Ye Xingchen stepped forward, shrank to an inch, and in the blink of an eye, he was already on the balcony, and then he bent with one foot and jumped directly over the distance of more than ten meters. He

leaped over easily. Now, how many times easier it is than neon clothes. There is no way, he is now a peerless powerhouse in the fourth stage, and the neon clothes has fallen to the second stage, and the cultivation base is still declining, it is impossible for her to escape.

Now she clearly felt that Ye Xingchen had locked her aura, the sky was so big that she could not hide from Ye Xingchen's pursuit.

Nishang is a very courageous person. She is also a martial arts wizard. She broke through to the innate realm at a young age. She has a high status in the Luo Tian organization. With her indifferent personality, she rarely panics. . But now, she really started to panic, because Ye Xingchen made it clear that she was going to be unruly to her and wanted her to be abused by Ye Xingchen. She would rather die!

However, she still can't die now, she still has a lot of things to do, and most importantly, she still doesn't want to help her aunt fulfill her long-cherished wish to meet Lin Ziming, she must live.

Run, run with all your strength.

After all, she is also a person who has experienced wind and waves. After a brief panic, she quickly recovered her composure, because she knew that panic was not useful at this time, and she still had to find a way to get out.

Today is her last day of weakness, as long as today is past, she won't have to be afraid of Ye Xingchen tomorrow!
