

## Chapter: 937

When Ye Xingchen heard this, he stared in the direction of the speaker, his eyes were like electricity, he saw a camera next to the speaker, he instantly understood that the neon clothes are still here, and through the camera in the corner, you can see the hall. The scene.

“Neon clothes!” Ye Xingchen stared straight at the camera and said: “You are still here, I count to three, you come out obediently, otherwise I will kill him!”

With that, Ye Xingchen opened his right hand and grabbed the Ugly Master’s head. As long as he exerted his force, he could burst the Ugly Master’s head like a watermelon.

Yes, the neon clothes is indeed still not gone. She hid in a secret room. This is the secret room that she asked the ugly master to make. It is made of thick steel plate. Even the masters of the innate realm of Dzogchen have no way to violence. tear down.

Even with a laser gun, it can’t be shot through, and the legendary King Kong is not bad, and it has the ability to break open.

She looked at the dying look of Ugly Master being caught by Ye Xingchen now, she was very distressed, and her heart was twisted.

How the Ugly Master helped her to delay the time just now, she was watching, especially those subordinates, each of them, like moths to the fire, took their own lives, even if her temper was cold and hard-hearted, now Can’t help but be moved!

At the same time, her hatred for Ye Xingchen became even stronger.

Faced with Ye Xingchen’s threat, Nishang’s lips were bitten, and he angrily cursed: “Ye Xingchen! He is also a member of the organization, a servant of the saint of the previous generation. If you kill him, you will kill the same sect. The saint king will definitely not Let go of you!!!”

When Ye Xingchen heard this, some dread flashed on his face, but he disappeared immediately, and laughed loudly, “Neon clothes, death is approaching, do you dare to scare me? What about the previous saint, Qin Yuehua now Just a sinner! Let the organization be ashamed! If it weren’t for the holy king, he would have killed Qin Yuehua long ago! As for Qin Yuehua’s servant, it’s a fart, even if I kill him, it’s not a massacre, but to clear the organization. Scum!”

As he said, he tried harder, and the ugly master was trembling with pain.

But he still resisted, there was no scream, and he also screamed, “Master Nishang, don’t worry about me! Take care of yourself, wait for your skills to recover tomorrow, and then take revenge for me! It’s a pity, I think. It’s not the day when the young master grows up...”

Two lines of regretful tears shed from the corner of Ugly’s eyes.

Ye Xingchen’s expression was even more ugly. In his eyes, the Ugly Master

was just an ant-like existence, and he even dared to resist him.

“Since you want to die, then I will fulfill you!!” Ye Xingchen said this coldly, and then he started to squeeze the ugly master’s head directly.

Ugly Lord closed his eyes, there was no fear or panic on his face, he looked very indifferent, some were just reluctant and ashamed, and he murmured in his heart: Miss, the old slave is incompetent, unable to complete what you gave to the old slave Mission...

“enough!!”

At this moment, the neon clothes broke out, and she said with a short breath: “Ye Xingchen! You don’t want me to double cultivation with you, so as to increase the cultivation base, and reach the realm of the fifth stage of the innate realm! I promise you! ”

In the secret room, Nishang gritted her teeth and said this sentence. After speaking, she seemed to have emptied all of her strength. At the same time, her current cultivation base has also fallen directly out of the innate realm...

“Hahahaha...” Ye Xingchen was overjoyed, he let go of the ugly master, and laughed, “Nishang, you thought that way, it’s not like everything...”

Suddenly he felt something, turned his head suddenly, looked towards the door, and suddenly saw a tall and slender figure standing there, with Ling Ran staring at him murderously in his eyes.

It’s not who, but Lin Ziming.

He finally arrived! ! !
