

## Chapter: 938

Yes, Lin Ziming arrived. When he saw the mess on the ground, hundreds of people were lying on the ground and groaning in pain, and they were seriously injured. One of them was more miserable than one. A dozen of them were dead and became corpses.

Especially the Ugly Master, his chest sunken, his breath is like a candle in the wind, he will die at any time, his head is still grasped by Ye Xingchen, and he is constantly tightening to catch Ugly's head.

Lin Ziming saw this scene, and suddenly a monstrous anger swept through his body!

哧哧哧哧...

He clenched his fist, as tight as never before, even a piece of stainless steel could be crushed by him.

This anger hit his mind directly, making his eyes flushed and bloodshot, staring at Ye Xingchen, if his eyes could kill, Ye Xingchen would have been cut by him a thousand times.

Ye Xingchen was stunned when he saw him appear, then let go of the ugly master, and said with a smile: "Oh, it's Dong Lin who is here, tusk, you are here in time, it seems that it's the slut of Nishang. , I told you about it."

The ugly master turned his head to look at Lin Ziming. He showed a happy smile and whispered softly, "Master, you are here..."

In the secret room, Nishang saw Lin Ziming's arrival, and she immediately raised her heart!

"Oops, why is Brother Ziming here!?"

Ni Chang's face was worried, she couldn't calm down, because she had fought Lin Ziming and Ye Xingchen, and it was clear that with Lin Ziming's current strength, she was not Ye Xingchen's opponent at all.

When it comes to the innate realm, the gap between each stage is not small, especially after the third stage, the gap is even wider. Lin Ziming is only in the third stage, no matter how good his fighting talent is, he can't beat Ye Xingchen.

"Brother Ziming, go quickly, you are not his opponent!"

At the moment, Nishang called out.

Lin Ziming heard her voice, raised his head, looked at the camera on the wall, shook his head, and took a deep breath. In an instant, he suppressed his anger, restored his calmness, and said, "I won't Go, Ye Xingchen is immortal today, I, Lin Ziming, swear not to be a man!"

After speaking the last word, Lin Ziming's eyes suddenly became round and brilliant, like the original two dim oil lamps, which suddenly turned into two high-power car lights, shining Ye Xingchen's eyes. Can't open it anymore.

Of course, Lin Ziming's eyes don't shine. He uses mental interference to bring such an illusion to Ye Xingchen. In fact, everyone present can feel Lin

Ziming's eyes burst out as long as they consciously. The terrifying light contains terrifying energy in the body, which is enough to destroy the world! Ye Xingchen's face changed, he didn't even think that Lin Ziming could interfere with his spiritual world, and even brought him a sense of crisis! This is something he cannot tolerate.

"Huh!" He roared, and soon returned to normal. Facing Lin Ziming's attack, he did not dodge, but chose to head-on, to defeat Lin Ziming with a crushing force!

When the time comes, he will use Lin Ziming to threaten the neon clothes, so he won't be afraid that the neon clothes won't come out.

He played well, but he still underestimated Lin Ziming's strength.

The blood in Lin Ziming's whole body boiled, and Ye Xingchen's behavior had already greatly aroused his killing intent. If Ye Xingchen were not killed, he would spend his entire life in regret.

He knew that Ye Xingchen's realm was higher than him, but so what? Since he stepped into the innate realm, which time hasn't he challenged his opponent by leapfrogging?

So he has confidence in himself, he can definitely defeat Ye Xingchen.

Even though Lin Ziming is in the third stage of the Innate Realm, his strength is already infinitely close to the fourth stage. In addition, some time ago, on the cliffs, he constantly tempered his life and death, and his will has reached a level that ordinary people could not understand. Formidable.

To put it bluntly, the pressure Ye Xingchen brings to him now is far inferior to the cliffs.

Therefore, he can display 100% of his strength, and there is absolutely no fear of Ye Xingchen.
