

Chapter: 942

Lin Ziming broke his defense with a kick, kicked him on the waist, kicked him out hard, fell into the headquarters hard, and fell in front of the ugly master.

The kick was too heavy, and with his powerful body, he couldn't help but spit out a mouthful of blood.

Lin Ziming looked particularly relieved, he had completely seized the upper hand now, and he was not in a hurry.

He took two deep breaths and then spit it out. He also consumed a lot of physical energy just now. Now, under the blessing of his mind, tens of thousands of pores all over his body opened up, radiating heat, and directly evaporating the sweat on his body. It turned into mist, radiating to the surroundings.

This scene looks very shocking.

Lin Ziming recovered a lot of physical strength through these few seconds and began to walk towards Ye Xingchen.

“Ye Xingchen, you are done.”

Lin Ziming walked in and stared at Ye Xingchen coldly.

Ye Xingchen's face was full of horror and panic. He struggled to get up and begged Lin Ziming for mercy and said, “Lin Ziming, I am also a member of Luo Tian organization, you can't kill me.”

“Really?” Lin Ziming sneered, he was brewing killing intent.

Ye Xingchen seemed to panic even more, and said quickly: “Lin Ziming! I know where your mother is. If you don't kill me, I'm willing to take you to see your mother!”

When Lin Ziming heard this, his originally stable mind was immediately shocked.

But at this moment, Ye Xingchen realized this, a trace of pride and insidiousness flashed in his eyes, and he suddenly shot, took out a few darts from him, and flew towards Lin Ziming, and instantly sealed Lin Ziming. All directions!

When Lin Ziming reacted, it was too late...

“not good!!”

Lin Ziming's pupils shrank suddenly, and he never thought that Ye Xingchen was so mean, and deliberately showing weakness to anesthetize him, just to issue a hidden weapon to count him!

He felt the great danger for the first time, and in an instant, he even felt the breath of death coming.

Ye Xingchen had deliberately issued these hidden weapons for a long time, and sealed his whole body. In this case, he was completely unable to dodge.

At the critical moment, Lin Ziming once again stimulated his potential, and in a second, he seemed to have entered the fourth stage of the Innate Realm,

his mental strength increased sharply, and the speed of the darts that had flown rapidly was half slowed.

And he also made the most correct reaction completely reflexively. He dodged most of the darts. Unfortunately, there was another dart, which he did not dodge, and was inserted right into his thigh and embedded in it. Halfway in, the intense pain made him groan.

“Ye! Star! Chen!!!”

Lin Ziming almost yelled these three words from between his teeth, and his hatred for Lin Ziming reached an unprecedented level.

The Ugly Master on the side suddenly opened his eyes, his face full of horror. He originally thought that Lin Ziming was about to win, but he had never thought that things would be reversed like this. Ye Xingchen, a super strong man at this level. , And use hidden weapons, it's really despicable! !

In the neon clothes in the secret room, she saw the darts sticking in Lin Ziming's thigh, her face changed drastically, because she recognized that these darts were poisoned!

Lin Ziming suddenly pulled out the dart stuck in his thigh, and was about to rush towards Ye Xingchen. When he was about to kill Ye Xingchen in one fell swoop, he found that as soon as he exerted his strength, his thigh felt severe pain. Almost fell.

Ye Xingchen laughed at the moment, “Lin Ziming, you're done, you hit my deadly dart, and you want to do it? I tell you, my dart is coated with poison. The faster your blood flows, the more deadly it will be. Soon You are poisoned and killed!”

Lin Ziming's expression suddenly changed when he heard this. Now he did feel the pain and numbness of his thighs, and slowly began to spread throughout his body.

He stared at Ye Xingchen, gritted his teeth and cursed: “Ye Xingchen! You despicable villain, you still use hidden weapons!”

Ye Xingchen stood up straight, where did he panic just now? Now his face was full of complacency and joking, looking at Lin Ziming, he was looking at a rubbish.

“Haha, I'm so ridiculous, the soldiers are not tired of deceit, Lin Ziming, you don't even understand this point, how can you fight me?” Ye Xingchen said with great pride, now he looks like he is owed and owed.

Lin Ziming was very angry, but there was no way he could do it. He was really careless just now, he didn't expect Ye Xingchen to be so disciplined!

Mainly, he also thought that Ye Xingchen was distracted by mentioning his mother.
