

Chapter: 945

Fortunately, this is an absolutely closed secret room. Except for her and Lin Ziming, there are no other people. She took a deep breath and said: "I am a rare extremely yin physique in the world. Double cultivation with me can not only increase The cultivation base can also wash away all the toxins in the body. In other words, I am the antidote."

After speaking, Nishang threw Lin Ziming down...

Lin Ziming was completely dumbfounded. No matter how strong his mental quality was, and no matter how much he had seen the world, at this moment, he was completely confused, short-circuited in his mind, and couldn't react for a long time.

In fact, Nishang's words were too subversive for him. He had never heard of it before. Doing that kind of thing can detoxify!

However, the fact that this is happening again made Lin Ziming have to believe it.

To be honest, Lin Ziming's mind is very messy now, and he didn't even think that such a thing would happen when he was killed.

The second woman in his life will be neon clothes.

When he saw a drop of glittering tears in the corner of the neon clothes, Lin Ziming calmed down and vowed in his heart that from now on, no matter what happens, he must protect the neon clothes!

The neon clothes did not deceive him. The extremely yin physique did have infinite magical effects. He could clearly feel that his body was recovering, and the poisoned legs also slowly recovered their intuition and began to reduce the swelling.

Moreover, unexpected changes have taken place in his body. It seems that spring has arrived, and plants have grown in the dry land, glowing with new vitality.

This change lasted for almost an hour.

And they resisted each other from the beginning to slowly put in, the aura of neon clothes gradually strengthened, from the weak acquired peak, slowly restored to the innate realm...

However, after all, the benefits of neon clothes were not as much as Lin Ziming's. She just recovered to the second stage and stopped.

In the end everything came to a sudden halt, and the secret room returned to silence.

"Let me go."

Nishang first opened the silence, she said in a low voice, her tone was obviously shy, she lowered her head, she didn't dare to look up at Lin Ziming.

Lin Ziming looked at her, and at the same time saw the piece of red on her clothes, his heart was extremely gentle.

“Nishang, from now on, you will be my woman, and I will do my best to protect you.” Lin Ziming said very seriously.

These words came from his heart, full of true feelings.

But Nishang heard his words, but suddenly his face turned aside, raised his head, staring at him coldly, and said: “Presumptuous! When did I promise to be your woman! Lin Ziming, I tell you, I will save you today.” I just look at the face of my aunt and don’t want her to lose her son. I have no feelings for you! You are not allowed to mention this matter in the future, no one can say, if you let me know, I can’t spare you! !”

The neon clothes suddenly became very cold, cold and ruthless, where is the shy and gentle look just now?

This change of her made Lin Ziming stunned at the moment, and she had no idea that the neon clothes would react like this.

However, he saw the cold expression of Nishang, which didn’t seem to be joking. He became silent. After a while, he slowly became cold, laughed at himself, and said: “I know, I owe you my life. ”

Nishang saw him like this, some pain and intolerance flashed in his eyes, but after a flash, he immediately returned to his cold and ruthless appearance, and said: “You go, with your current strength, it is enough to defeat Ye Xingchen.”

“Okay.” Lin Ziming nodded, and when he walked to the door, he turned his head and took a deep look at the neon clothes. He saw that the neon clothes were still cold and ruthless, as if what they had just experienced was just a dream. He laughed at himself again. , Opened the door of the secret room and walked out.

Walking out of this door, all his affection and tenderness were buried in his heart, and the rest was endless anger and killing intent.

Today, he wants to kill Ye Xingchen, even if Jesus comes, he can’t stop him!
