

Chapter: 948

The ugly master was very nervous, with layers of cold sweat on his forehead, just recovered some bloody face, and now he is beginning to pale again.

The same is true for other people, they are all swaying with fear.

Now they feared Ye Xingchen to the extreme, there was no way, Ye Xingchen was too powerful, and brought them an indelible shadow.

However, even if they were afraid of Ye Xingchen, they were afraid that they would disobey Ugly Master's orders.

Lin Ziming was very moved. He held the Ugly Master's hand, smiled, and said faintly: "Don't panic, I have already broken through, Ye Xingchen is not my opponent."

He said this calmly, and didn't. Any domineering, or heroic, is just stating a fact, like saying that people will die if they don't breathe.

After listening to Ugly Lord, he was stunned right now, and he couldn't believe it.

And after Ye Xingchen heard it, he seemed to have heard a big joke, "Lin Ziming, I think you have burnt your brain, you are about to die, and you are still bragging? You hit my dart, painted on it You are dead!"

"Really?" Lin Ziming smiled evilly, stepped out, and immediately, an overwhelming momentum of moving mountains and reclaiming the sea, emanating from the Agricultural Bank of Lin Ziming City, toward Ye Xingchen swept over!

There was no wind and waves, a gust of wind, blowing out of thin air, blowing Ye Xingchen's hair fluttered.

Suddenly, Ye Xingchen paled in shock, widened his eyes, and screamed out, "This is impossible!!" Just now, Lin Ziming's momentum gave him a strong sense of crisis, as if he was facing a congenital realm. Dzogchen's peerless powerhouse!

This doesn't make sense, Lin Ziming is clearly poisoned, and there is no antidote. Even if Lin Ziming is a master of the innate realm, he will not last an hour!

But now, Lin Ziming has not only survived for an hour, but has improved his cultivation! ! How is this possible?

The Ugly Master only realized that Lin Ziming's was different, and there was a half-poisoned appearance. On the contrary, his aura was even more terrifying than before.

Lin Ziming clenched his fists and then released them again. He began to walk towards Ye Xingchen step by step, and said jokingly, "Why, you are starting to be scared?"

Ye Xingchen stared at him firmly, his face changed, why did he I don't even think about it. Lin Ziming was poisoned, how could he... Suddenly, he saw the neon clothes on the other side, also restored to his cultivation. There was

a thunderbolt in his mind, and at the same time he lost his mind. He blurted out: "Nishang, you slut, and Lin Ziming, double repaired! Your extremely yin power relieved his pain! Damn! Damn! Damn!!"

He now has eyes distraught with a grim expression. It looked terrifying.

The scandal said that he also opened his eyes wide, staring at the neon clothes dumbfounded, with a wonderful expression.

Nishang was stabbed out in front of so many people, and her pretty face turned red all at once. This kind of thing is simply a huge shame to her.

"Turn your face away!" Nishang glared at him with a fierce look, and the ugly master shook his whole body in fright. He hurriedly turned his face to the side and didn't dare to look at it again, but the shock in his heart couldn't stop.

"Ahem." Lin Ziming also showed some embarrassment on his face. He is also a thin-skinned person. The two words double repair made him very embarrassed.

And their reaction strengthened Ye Xingchen's guess, making him even more uncomfortable, gritted his teeth.

"You guys and dogs!" Ye Xingchen is going crazy. He has always regarded the neon clothes as his woman. Sooner or later, he will conquer him. But now, Lin Ziming has taken love and won the first place in the neon clothes. once! He felt that his head was green and his hatred for Lin Ziming had reached its extreme.

Lin Ziming didn't talk nonsense anymore, he snorted and shot Ye Xingchen directly.

His shot was immediately surging, and it was oppressive and suffocating.
