

Chapter: 952

When Lin Ziming returned to the headquarters, the ugly master was waiting there. He was so badly injured, but after taking the Yulu Vigor Pill, he has not only passed the dangerous period, but he can also walk down the ground. It can be seen that the Yulu Vigor Pill That's awesome.

His face was full of nervousness. After seeing Lin Ziming coming back, he immediately greeted him and asked: "Master, you are back, where is Ye Xingchen?"

Lin Ziming said lightly: "I was beaten to death."
call.....

When the ugly master heard this, he finally breathed a sigh of relief and said: "He is finally dead, great!"

Lin Ziming smiled slightly, without any pride or excitement on his face, he looked very plain, as if he had just done a trivial thing.

His eyes looked in the room, and there was no red figure found, and his consciousness searched a lot, and there was no smell of neon clothes, and he couldn't help but feel a little lost.

"Where is the neon clothes?" He couldn't help but ask.

The ugly master said: "Master, I just wanted to tell you that Master Nishang is gone."

"Oh." Lin Ziming replied, and the loss in his heart became more serious. He solved Ye Xingchen and still wanted to tell Nishang this message himself.

"What did she say before she left?" Lin Ziming thought for a while and asked.

Ugly master thought for a while and said, "Master Nishang said that he wants to return to the organization, and he won't be here during this time.

"Really?" Lin Ziming frowned slightly, and couldn't help but said, "Other than that, what else did you say?"

Chou Ye shook his head, indicating that there is no such thing.

Lin Ziming sighed inwardly. It seems that between him and Nishang, it's over now, and people don't want to pay attention to him at all.

What's more, originally he and Nishang met in Pingshui, and Nishang kept seeing him uncomfortable. If it weren't for his mother's bond, he would never have known Nishang.

As for what happened today, consider it a dream or a deal.

After understanding it, Lin Ziming didn't think so much. He finally confessed a few words to the Ugly Master, and sent Han Jinlong to the aftermath, gave a sum of money to the injured hand, and he began to leave.

After he came out, he saw that passersby looked at him with weird eyes. Many people even pointed at him before realizing that he had forgotten to change his clothes. Now he looks so embarrassed and unkempt. The clothes are still dirty. The most embarrassing thing is that he doesn't even have

shoes. They are barefoot, just like a beggar.

He couldn't help but laughed bitterly, he was too mad, and he didn't even know how to clean up his image from the ugly man before he came out.

Now these people on the street must think he is a lunatic.

Fortunately, there are no acquaintances I meet, otherwise I will be embarrassed.

However, God is so tricky, the more things you don't want to happen, the more they happen.

Lin Ziming walked with his head down, hoping to leave here early, find a clothing store, buy a set of clothes, and then change it in a nearby hotel. At this time, he really met an acquaintance.

And this acquaintance is really a very familiar person.

In front of him, there were a few people standing chatting, two men and three women, among them there was a beautiful woman who looked like a flower and had an elegant and generous temperament. It wasn't anyone, it was Chu Fei.

When Lin Ziming saw her, he was stunned. He never thought that he would meet Chu Fei here. This is a coincidence!

If it was normal, Lin Ziming would have nothing, he would only think it was fateful, but now, his image, if he walked over, it would definitely embarrass Chu Fei.

So as soon as he stepped into the clothing store, he turned around and wanted to leave, but when he was about to leave, he suddenly found that the man standing next to Chu Fei, his eyes looking at Chu Fei were full of covetousness and coveting. , Obviously it was Chu Fei's idea.

Moreover, this man is still an acquired master!

Those who had swallowed the Xisui Pill, but had failed to attack the innate realm, immediately, Lin Ziming's eyes narrowed.

The pace he was about to leave stopped.

At the same time, there was a woman with a pretty look, but with a very thick makeup, and said to Chu Fei: "Fei Fei, we finally came out to meet once, and we went to dinner at night. Zhu Xinghai reserved all seats. All right."

Another woman also said: "Yeah, Feifei, Mr. Zhu is the big boss. The seats reserved are the best. And I heard that the big star Ning Yuning will sing tonight. This is rare. Opportunity! It would be even better if I could ask for a signature."

The Houtian Peak man next to Chu Fei smiled and said, "I have a good relationship with Ning Yuning's boss. It is not difficult to get a signature of Ning Yuning. In fact, I can also invite her over and have a meal with us. "

After he said these words, his face was full of pride and pride. Ning Yuning is currently the hottest star, film, music, and variety shows are not left behind. He is an almighty three-night entertainer. At present, the popularity in China is extremely high, and many people are her fans, even Chu Fei is

no exception.

When Chu Fei heard that she could have a meal with Ning Yuning, she immediately moved a little.
