Lin Ziming knew what they were thinking when he saw the expressions of the four of them. It was really embarrassing now, even with his face, he couldn't help but blush.

Seeing Chu Fei's face, Lin Ziming still actively greeted him, "Hello, I am Chu Fei's husband, Lin Ziming."

He was very polite, but the other party didn't respond to him.

It's not that they don't give face, but Lin Ziming looks like this, it looks too desolate, and it has no relationship with the big boss that Chu Fei said.

Zhu Xinghai carefully looked at Lin Ziming. Originally, he had thoughts about Chu Fei. After all, Chu Fei's husband was the big boss, so he could not offend him. But now, seeing Lin Ziming's appearance as a beggar, his mind was immediately active. stand up.

Even if Chu Fei is already married, it would be nice to have fun, the best wife. Besides, Chu Fei's husband is an ordinary person at the bottom, he is not afraid of offending at all.

After thinking about it, he immediately became energetic and his smile returned to his face.

"Feifei, I can't remember wrong, you just said that your husband is the boss of three big companies?"

"Yes, the chairman of Ziqiong Media? Are you sure it is the one next to you?"

The two women's faces were all weird, and the word "Unbelief" was almost written on their faces.

Chu Fei was also embarrassed now. She didn't even think that she would meet Lin Ziming here, and she didn't even think that Lin Ziming would look like this. She herself was a thin-skinned person, and her pretty face immediately blushed.

She couldn't help but glared at Lin Ziming in embarrassment, as if she had gone back to the days when Lin Ziming humiliated her.

But in front of the outside, Chu Fei still wanted to give Lin Ziming face, she nodded and said, "Yes."

But they obviously don't believe it, because they are also people who start a company, and they know exactly how big a company is Ziqiong Media. Since Chu Fei's husband is the chairman of Ziqiong Media, how could she be so embarrassed, like a beggar on the side of the road. of.

The two salespersons next to him obviously didn't believe it, thinking that Chu Fei was bragging, just like Lin Ziming's shabby appearance, if they believed it, there was a problem with IQ.

Zhu Xinghai held back a smile and said to Lin Ziming: "It turned out to be President Lin, who has long admired his name. Ziqiong Media is a star company in Hwaseong with a market value of over 10 billion. I have always

admired Ziqiong Media's chairman. I didn't expect to meet it today."

What he said at first seemed to be something wrong. He was expressing his admiration for Lin Ziming. However, in line with his expression, he was ridiculing Lin Ziming by changing the method to ridicule Lin Ziming. He immediately changed his voice and asked: "Forgive me, I don't know if Lin Dong's dressing up is the latest trend?"

He ridiculed Lin Ziming solemnly, and immediately made everyone around him laugh, and several onlookers were laughing and laughing, as if Lin Ziming was a joke.

Even the two women who were in the same group couldn't help but laugh, and the gloating expressions on their faces couldn't hide. They were friends that Chu Fei had known for a long time. Married to the big boss, their hearts are quite unbalanced, but now, after seeing Lin Ziming, they immediately feel relieved.

When Zhu Xinghai saw so many people snickering, he was particularly proud. He felt that he was too funny. Not only did he humiliate Lin Ziming, he also raised his own image, killing two birds with one stone.

Lin Ziming frowned slightly. He couldn't tell that Zhu Xinghai was hitting Chu Fei's idea.

Chu Fei's expression changed instantly, and she became a little embarrassed. "Fei Fei, your husband is really interesting. He is dressed in 'fashion'. No wonder he can become the chairman of Ziqiong Media and lead the 'fashion'!"
