

## Chapter: 955

“Haha, of course, after all, he is the chairman of Ziqiong Media. However, I don’t seem to have heard of it. Now the trend is rising and beggars are pretending to be.”

“Hey Feifei, don’t be angry, I’m just joking with you.”

“Yes, Feifei, we just said casually, you are the big boss, you don’t have the same knowledge as us.”

The two of them started to be yin and yang strange, and that look was very disgusting.

Chu Fei clenched her lip. She felt a hot pain on her face now. It wasn’t because she complained that Lin Ziming was embarrassing her, but because she just blew a wave of Lin Ziming proudly, but the reality was that she gave her a fierce one. A slap in the face is a shame to her thin-skinned temper.

Lin Ziming suddenly lowered his face and said, “Is it funny?”

His aura is very strong, such a stern face immediately made everyone breathe, and began to become scared, as if facing his top boss, the clothing store was strangely quiet.

The joking smile on Zhu Xinghai’s face also instantly stiffened, looking very funny and embarrassing.

“No, no...”

“It was a joke just now, don’t worry about it...”

The two female friends hurriedly apologized, but they broke out in a cold sweat. There was no way, because Lin Ziming just put too much pressure on them.

Lin Ziming retracted his gaze and explained apologetically to Chu Fei: “I dealt with a little thing today, so I made it like this. I went into the clothing store specially, bought a set of clothes and put it on and then went home to look for you.”

Chu Fei immediately took Lin Ziming’s hand and asked worriedly: “Then you have nothing wrong with you?”

Lin Ziming smiled and shook his head and said, “There is nothing wrong, people are fine.”

“That’s good.” Chu Fei breathed a sigh of relief. Lin Ziming then asked the salesperson to bring him a suit and go into the fitting room.

After Lin Ziming left, the talents of them breathed a sigh of relief, with a stunned expression on their faces, and then realized that what happened to him just now, was actually afraid of Lin Ziming?

This made them feel very embarrassed, especially Zhu Xinghai. Now his face is particularly ugly, and he was actually bluffed by a beggar version of trash. This is simply his shame!

He is a person who likes to bully and fear hardship. In his eyes, Lin Ziming

is the kind of soft persimmon, and he will definitely not let it go.

Not long after, Lin Ziming changed his clothes, walked out of the fitting room, and immediately surprised many people.

Before entering, Lin Ziming was ragged, unkempt, and even had no shoes. He was like a beggar. Now he is wearing a neat and high-end suit, matching his tall and slender figure, with a gentle temperament like jade. , This kind of strong gap made everyone present in a daze.

Lin Ziming's looks are not handsome, but he is very attractive. He has a special charm, especially his temperament and the self-confidence displayed between his behaviors and actions, which made him the focus of the scene.

Chu Fei saw Lin Ziming's new image come out, and immediately lit up, greeted him, and affectionately took Lin Ziming's wrist, with red hearts in her eyes, and did not hide her enthusiasm for Lin Ziming. : "Ziming, you are so handsome."
