

## Chapter: 958

Suddenly, the other three people also looked at Lin Ziming, full of teasing. "Okay." Lin Ziming didn't seem to see Zhu Xinghai's ridicule, and he agreed with a smile. His answer made Zhu Xinghai treat him even more contemptuously. He determined that he was an ordinary person, but with good luck, he married Chu Fei. Just such a big beauty.

Chu Fei was rather angry. She snorted and said, "Don't bother Mr. Zhu. We don't care about a member of an Alice restaurant in just a few minutes."

What she said was the truth. As long as she was willing, Lin Ziming could open a higher-grade restaurant than Alice Western Restaurant. Besides, she would not like Zhu Xinghai's posturing appearance.

It's just that her words fell into their ears and turned into an expression of anger into anger, blindly defending Lin Ziming.

It can be seen that Zhu Xinghai often comes here for dinner. Even the manager knows him. When he saw him coming over, he made a welcome gesture and called out Mr. Zhu. He just glanced at Lin Ziming and Chu Fei and realized that it was. Zhu Xinghai's friends didn't ask any more, and led them directly to a special seat.

This lounge is not very central, but rather close to the corner, but the space is large and the environment is also very elegant.

"Despite it, this meal tonight counts as mine." Zhu Xinghai said proudly, and then said to the manager: "Manager Tan, is Ning Yuning here? I don't know when will I start playing?"

Manager Tan said with a smile: "Ms. Ning has arrived. About twenty minutes later, when most of the distinguished guests have arrived, Ms. Ning will come out and sing."

Some excitement flashed in Zhu Xinghai's eyes. He was very excited now, and he was in high spirits. He had been looking forward to Ning Yuning's appearance soon. Not only could he see the big stars, but he could also make a good wave of wind in front of Chu Fei. head! He believes that as long as Chu Fei sees his strength, he will definitely leave an impression in his heart from then on, and once an impression is left, then it will be easy to operate.

He is very talented when it comes to making up sisters. He can definitely conquer Chu Fei, a superb stunner, by putting a long line to catch big fish!

The other three people heard that Ning Yuning would appear in 20 minutes, and they were also looking forward to it. Even Chu Fei was looking forward to it. For them, Ning Yuning is an idol, and they can often hear Ning Yuning's popular songs, TV shows, and after a meal, they have seen a lot of Ning Yuning's variety shows. Even if Chu Fei is now the president, she also has a heart to chase stars.

Lin Ziming didn't quite understand their psychology. From his point of view, the celebrities were nothing great, and Ning Yuning was a big star, so he

didn't have to be respectful in front of him. Smith, who was a bigger international movie star before, died in his hands.

However, Chu Fei liked Ning Yuning, and he didn't mind using his identity to invite Ning Yuning over and sign Chu Fei to satisfy Chu Fei's wish.

At this moment, the two female friends winked at Chu Fei and invited Chu Fei to go to the bathroom together. Chu Fei thought for a while. She drank a lot of water just now, and she was a little impatient, so she nodded and passed by.

When they arrived in the bathroom, one of the female friends said to Chu Fei: "Fei Fei, what the hell do you husband do?"

Chu Fei said, "Starting a company, I've already told you about it."
