

## Chapter: 959

“Please, we have been friends for so many years, so what else can we hide.” Another female friend also said: “Yes, there are no outsiders now, just tell us.”

Chu Fei said dumbfoundedly: “I didn’t lie to you. My husband is really the chairman of Ziqiong Media. If you don’t believe it, you can check it yourself. A listed company can be found in a single check.”

When the two female friends saw what Chu Fei said so absolutely, they looked at each other and did not believe it. Instead, they strengthened the guess in their hearts that Chu Fei’s husband happened to have the same name as the chairman of Ziqiong Media, so if you check it online, you can’t find anything. Otherwise, Chu Fei’s husband pretended to be the name of the chairman of Ziqiong Media.

But Chu Fei is all here, and they are not good to go on, so they changed the subject and said: “Fei Fei, I think Zhu Xinghai is interesting to you, don’t you think about it? He is from Yuancheng, come to Hwaseong Development, young and promising, especially rich and handsome.”

“Yes, although you are married, but you still have no children, and you are in good shape. I believe that if you take the initiative, Zhu Xinghai won’t mind.”

When Chu Fei heard this, she finally couldn’t listen anymore. The more this person said, the more outrageous he was!

She sternly said: “Hey, Lu Guyun, Chang Yuqin, you two are enough! I treat you as good friends, and I have been holding you back just now, and now you are still saying this! If you do this again, I want Angry!”

Lu Guyun and Chang Yuqin were really a little angry when they saw Chu Fei. They pointed at them like this, and their faces were a little bit awkward. Lu Guyun frowned and said, “Fei Fei, are you getting angry with us like this? Good sisters for many years, what I just said is for your own good. Who can’t tell, your husband is just an ordinary person. What about the chairman of Ziqiong Media? Who believes it, you treat us blindly.”

Chang Yuqin also said: “Yeah, do you think we are fools? If you are really a big boss, can you be so embarrassed? He can’t even wear shoes. I think he is a beggar. We matched you and Zhu Xinghai as well. For your own sake, what good conditions are Zhu Xinghai, not a hundred times better than your Lin Ziming?”

When Chu Fei faced this, she was very angry, but she couldn’t say anything to refute it. Who made Lin Ziming appear today is indeed too embarrassed. She has known Lin Ziming for so long, and she has never seen Lin Ziming so embarrassed. Look like.

“Believe it or not! Anyway, it’s impossible for me to betray my husband. If you mention these later, don’t blame me for turning my face!” Chu Fei said

with a cold face.

Lu Guyun and Chang Yuqin were also a little angry, thinking that Chu Fei was a dog biting Lu Dongbing and not knowing people. However, in comparison, they were more gloating. How about Chu Fei being so beautiful? It turned out that they were not married to an ordinary person. Thinking about it this way, their hearts were balanced.

On Lin Ziming's side, Zhu Xinghai also showed his true face. He tilted his legs, raised his head, and looked at Lin Ziming with contempt. He did not hide his arrogance and contempt, and said: "Lin Ziming is right? Now that the women are gone, and there are men left, then I will tell you in a man's way."

Lin Ziming looked at him, with a hint of playfulness in his eyes, "Really, what do you want to say?"

Zhu Xinghai said with a lofty posture: "Chu Fei, I am interested, you can make a price."
