

Chapter: 965

At this moment, Zhu Xinghai's eyes rolled, he noticed that Lin Ziming was not talking all the time, and he looked left and right, with a vacant look, he smiled slyly, and brought the topic to Lin Ziming, and said with a smile: "Mr. Lin, you are not If you say you are the chairman of Ziqiong Media, you can be regarded as someone in the entertainment circle. You must know who Ning Yuning's sweetheart is, right?"

Lin Ziming suddenly felt a throb in his heart, his expression froze, a little vacant, and the eyes of other people were all on his face.

Seeing his guilty conscience, everyone began to sneer, watching his jokes.

As everyone knows, they all misunderstood Lin Ziming's guilty conscience. It was not because of the status of the chairman of Ziqiong Media, but Ning Yuning's performance just now. He also saw that there are all kinds of sex, this sweetheart is him!

Now he regrets a little bit. He had known this way, he shouldn't have come. If Chu Fei discovered this, it would be a bad thing...

Chu Fei also looked over, and she also saw Lin Ziming's guilty conscience, but she didn't think deeply.

Fortunately, Lin Ziming's psychological quality is not the same, and he quickly returned to nature. "Ning Yuning is not an artist of Ziqiong Media. How do I understand these gossips."

There is nothing wrong with the logic of what he said, but Zhu Xinghai sneered, "Really? Since you are the chairman of Ziqiong Media, then Ning Yuning should know you? I wonder if you can call her over. Sign us?"

"This..." Lin Ziming hesitated. It's not that he can't, but he doesn't dare. In case Ning Yuning arrives and shows a little horse's feet and is discovered by Chu Fei, then he will be finished. Up.

Zhu Xinghai kept staring at him, seeing his expression, immediately became happy, and asked even more vigorously, "Why, President Lin, don't you even have the face to call her over? Haha."

The three of Lu Guyun snickered when they heard it. They didn't think Lin Ziming was the big boss from beginning to end, just an ordinary person who likes to brag. They have little skill, and how to have such a big face, so they invited Ning Yuning. Come here?

Lin Ziming was very helpless now, so he had to say, "I don't know Ning Yuning well."

"Hahaha, are you not familiar with it, or don't you know it at all?" Zhu Xinghai couldn't help but laughed aloud, and the others looked at him jokingly.

Chu Fei couldn't stand it anymore, she frowned and said, "What's so funny? Zhu Xinghai, as if you could call Ning Yuning over."

Zhu Xinghai said triumphantly: "I'm sorry, let you be right, I can really call

Ning Yuning over.”

Lu Guyun and Chang Yuqin immediately brightened their eyes, gave Zhu Xinghai a thumbs up, and said admiringly, “Mr. Zhu is awesome!”

Chu Fei was very upset. She hadn’t been so aggrieved for a long time since she became the president of Centec Lighting. At the same time, she didn’t understand Lin Ziming, why did she suddenly become so swallowed? This is not Lin Ziming’s character.

Zhu Xinghai snapped his fingers at the manager. The manager walked over. He said proudly: “Manager Tan, please help me pass a message to Miss Ning Yuning, saying that Zhu Xinghai from Star Crown Group invited her to come over and eat together. A meal.”

Manager Tan showed some embarrassment on his face and said, “Mr. Zhu, Miss Ning Yuning is very popular now. Many big bosses are lining up to invite her. If I go to spread the word, it may not be enough.”

What Manager Tan said was very obvious. Zhu Xinghai couldn’t understand it. He thought for a while and said, “Well, I will personally go over and invite Miss Ning Yuning.”

After speaking, he stood up and walked in Ning Yuning’s direction with Manager Tan.
