

Chapter: 966

Lin Ziming saw that Zhu Xinghai had really invited Ning Yuning. His wry smile even worsened. He secretly looked at Chu Fei and found that Chu Fei's eyes were full of expectation. He had to hold back what was in his heart and prayed in his heart. This ability invites Ning Yu to come over, or after Ning Yu comes over, he will not show his horse's feet.

Speaking of Zhu Xinghai's side, he held up his head and walked towards Ning Yuning ambitiously. He walked with wind and was particularly proud. He had met Ning Yuning before, plus his identity. Confidence can successfully invite Ning Yuning over.

At this moment, several people were already around Ning Yuning, inviting Ning Yuning to go over to eat, but Ning Yuning did not agree and declined with a smile.

After Zhu Xinghai approached, the amazing color in his eyes couldn't be concealed, his heartbeat accelerated a lot, and his breathing began to rush. He wanted to look natural and natural, but he found it difficult to do it. In fact, Ning Yuning is too beautiful, and the aura is very big, more charming than when he saw Ning Yuning last time.

"Well, Miss Ning, how are you." Zhu Xinghai walked up to Ning Yuning and greeted him with a smile, looking a little nervous.

Ning Yuning nodded to him politely and replied hello with a smile.

Then Ning Yuning looked at other places, and didn't pay any attention to him.

Zhu Xinghai was a little embarrassed, but he did not give up. Instead, he cleared his throat and continued: "Miss Ning, I am Zhu Xinghai, the general manager of Star Crown Group. I want to invite you to come to my place and have a meal with me. My friend signs a name, I don't know, can Miss Ning show her face?"

Ning Yuning shook her head and said apologetically: "Mr. Zhu, I'm sorry, I still have something to do. Forgive me for not being able to accompany you to dinner. As for signing, you can ask your friend to come over and I will sign on the spot."

After hearing this, Zhu Xinghai frowned slightly. He was full of what he said just now. He would definitely be able to invite Ning Yuning over, but now that Ning Yuning refuses him, it makes his face a little bit uncontrollable.

If the other party was a small star, he would have been rude, but this is Ning Yuning, a super star, and he can't afford to offend him, so he lowered his posture even more and said, "Miss Ning, it won't take you much time. , My seat is over there, just a few steps away. Besides, my friends are all your ardent fans, and I promised them to invite you over, hoping that Miss Ning can give me a face. Zhu is so grateful!"

But Ning Yuning's expression remained unmoved, and she showed an apologetic smile, "Mr. Zhu, it is true that there are too many people who have invited me, and I am not favoring one another. I hope Mr. Zhu understands that you can make your friends. Come here."

Zhu Xinghai frowned. He looked back and saw that Lu Guyun and Chang Yuqin were all looking at him, especially Chu Fei's gaze, which made him unable to erase his face. He gritted his teeth and continued: "Miss Ning To be honest, I have made a promise to a few friends that I will definitely invite you over. If you don't want to, I really don't have a place to save my face, so I also ask Miss Ning to help."

Ning Yuning still shook her head, "That's really embarrassing, I really can't walk away. Mr. Zhu, why not do this, I will sign a few names, and you will show it to your friend?"

"This one....."

Zhu Xinghai became a little irritable, and he forced them to pretend to be out. If Ning Yuning could not be invited, he would definitely be laughed at by Lin Ziming!

There were also several bosses who came to invite Ning Yuning, but Ning Yuning refused. They all looked at Zhu Xinghai mockingly now, thinking that Zhu Xinghai was overpowering.

When Zhu Xinghai saw the eyes of these people, he felt even more uncomfortable. He gritted his teeth and said: "Miss Ning, alas, that's it. I have a friend who has a terminal illness. He came to Alice Restaurant this time just to see you. Face, it's not convenient for her to come over now, so I asked Miss Ning to look at my friend's face and move her jade feet!"
