After Ning Yuning listened, she hesitated again and asked, “Where is your seat?”

When Zhu Xinghai saw that Ning Yuning meant to let go, he was immediately overjoyed, and hurriedly pointed towards the seat.

Ning Yuning followed Zhu Xinghai’s fingers and looked over, and saw a familiar figure. Suddenly, her eyes straightened! The body trembled, and the breathing stopped!

At this moment, the voice of the audience suddenly disappeared. In her world, all the voices, all the others, disappeared at this moment, only the man in her eyes! !

Lin Ziming, Lin Dong!

It’s him!

Ning Yuning’s eyes widened suddenly, her expression was completely incredible, and her whole body was taken aback.

Zhu Xinghai was stunned when he saw her expression. He didn’t understand why Ning Yuning showed such an expression.

Could it be that something went wrong?

When he was about to question his gains and losses, when Ning Yuning was about to ask questions, Ning Yuning regained her consciousness. She took her gaze back from Lin Ziming, and a bright smile suddenly appeared on her face. All of a sudden, the audience faint, all the women were lost in her smile with Russia’s blooming face.

Quite a little bit of looking back, Bai Meisheng smiled, and the meaning of Liu Gong’s pink and daisy colorless.

Zhu Xinghai was stunned at the moment, looking at Ning Yuning completely demented. Not only him, but everyone around him was deeply shocked by Ning Yuning’s blooming smile, and his heartbeat seemed to stop beating.

“Okay, I’ll go with you and meet your friends.” Ning Yuning said with a smile. Her joy of the moon could hardly be concealed. She couldn’t see her teeth, as if she was alive in an instant. Come here, to match her dress tonight, she is simply the goddess among the goddesses.

Zhu Xinghai finally came back to his senses. He was very excited, and nodded quickly: “Good, good! Ms. Ning can go over and sign for us, that would be really great, my friend will know that, I will definitely be very happy!!”

The bosses around, they are dumbfounded now, they don’t understand why Ning Yuning is willing to accept Zhu Xinghai’s invitation, they are envious now! At the same time, I regretted that they had said that a friend who was terminally ill was healed earlier. They did not think that this trick would work. It seems that the rumors on the Internet are good. Ning Yuning is a

kind-hearted person who especially sympathizes with the weak.

Zhu Xinghai also thought that Ning Yuning was because of this. He was particularly excited and happy now. He glanced at the bosses in contempt. He straightened his chest out and took off a victorious rooster, leading Ning Yuning. walk over.

As he walked, he still talked to Ning Yuning, but unfortunately found that Ning Yuning was not very enthusiastic in speaking, and he was also indifferent to him. He was a little embarrassed and didn't speak any more. But he immediately thought that he would be very excited by inviting Ning Yuning over.

On Lin Ziming's side, his gaze had always been on Ning Yuning, and seeing that Ning Yuning had actually come, his bitterness in his heart became even heavier.
