

Chapter: 970

Zhu Xinghai realized that Lin Ziming is really the chairman of Ziqiong Media, not an ordinary person!

And he, who threatened Lin Ziming like this just now, and was so humiliated, thinking of this, his face immediately became pale, afraid that his legs were swaying!

If he was just the chairman of Ziqiong Media, he would not be so scared. What really scared him was that Lin Ziming's other identity, a master of the innate realm, had defeated the Beitianhui with his own power. Gu Xuan, the devil Wu Meizi, is known as the number one in G province! !

In front of Lin Ziming, he was at the pinnacle of the acquired day, and he was simply an ant, not enough to look at.

For a moment, he was extremely frightened. He was in a hurry and wanted to cry without tears. He said to Lin Ziming: "Dong Lin, I didn't know Taishan just now. I offended Dong Lin...I damn! I hope Lin Don't be as knowledgeable as me..."

Zhu Xinghai's reaction immediately stunned Lu Guyun and the others. They opened their eyes wide and looked at Zhu Xinghai in shock. They couldn't understand why Zhu Xinghai was so afraid of Lin Ziming? Anyhow, Zhu Xinghai is also the general manager of a large group. In terms of net worth, he is not as good as the chairman of Ziqiong Media, but he shouldn't be scared to this extent, right?

Besides, the market value of Star Crown Group itself is not lower than that of Zi Qiong Media.

It's just that they don't know that Lin Ziming's horror is far more than the chairman of Ziqiong Media!

Lin Ziming saw Zhu Xinghai's reaction and immediately understood that Zhu Xinghai knew that he was a master of the innate realm, so he was afraid of this.

He said with a smile but a smile: "Mr. Zhu, what you said, how dare I care about you? You are the general manager of the Star Crown Group, besides, you are a master at the peak of the day after tomorrow, young and promising."

When Zhu Xinghai heard this, his feelings of fear became stronger. He didn't care about embarrassment. He slapped himself quickly, crying in mourning, and said, "Dong Lin, I was wrong. I don't know Taishan. I don't recognize him. Lin Dong, you come! Offended Lin Dong, all the mistakes are my fault, and I hope that Mr. Lin Dong has a lot of things, don't be like my dog, let me go, please..."

While begging for mercy, he slapped himself in the face. This look was terrible, and he slapped loudly. He didn't dare to be lazy. He slapped himself, and immediately attracted the attention of the audience. .

When Ning Yuning saw this scene, some light flashed in her eyes, and her feelings for Lin Ziming became more profound.

She still couldn't see it. Lin Ziming really scared Zhu Xinghai not only because of his identity as chairman of Ziqiong Media, but because of his shocking kung fu. She had the honor to see that in the octagonal cage, no professional boxer like Connor was Lin Ziming's opponent.

Lu Guyun and Chang Yuqin were directly dumbfounded. They never thought that Zhu Xinghai, who was always arrogant, would have such a scary side! Is this totally unscientific? They have known Zhu Xinghai for a long time, and they know Zhu Xinghai's strength very well... but now... they also quickly realized that this is not Zhu Xinghai's urchin, but Lin Ziming's identity too. It's awesome, Zhu Xinghai is not of the same level at all!

For this kind of young man, Lin Ziming originally didn't want to be familiar with him, so he said directly, "Go away."

Zhu Xinghai was relieved, really just holding his head in his hands, turning himself into a ball, and rolled out.

The atmosphere suddenly became strange, and there was a strange silence on the scene.
