

Chapter: 971

Everyone's eyes were on Lin Ziming, and everyone else's was okay. Lin Ziming didn't care, but Ning Yuning and Chu Fei really made him feel like sitting on pins and needles!

Especially Chu Fei's meaningful expression made his back feel cold. When he was about to explain, Chu Fei smiled and said: "Husband, why didn't you tell me that you know Miss Ning? Not interesting enough."

And this call from her husband reached Ning Yuning's ears, making Ning Yuning feel sour.

"This..." Lin Ziming had some cold sweat on his forehead, and his heartbeat was frightening. Even in the face of Ye Xingchen, when he was alive and dead, he was not nervous now, and his brain was running wildly. He had to think of a reason. To explain!

"Which one?" Chu Fei touched it, and touched Lin Ziming's leg with her right hand. The smile on her face was full of threats, making Lin Ziming's heart cold, and the goose bumps all over her body stood up!

Wait!

Lin Ziming's inspiration suddenly flashed. It's not right, why should he have a guilty conscience, he and Ning Yuning are innocent, comparable to tofu mixed with shallots. Speaking of Tao Sanniang, he really has a guilty conscience, but Ning Yuning, he has never touched it.

After thinking about it, Lin Ziming immediately became upright and said, "I have met with Miss Ning several times. They are ordinary friends."

He deliberately bit the four words of ordinary friend harder, and now he is completely relaxed and not guilty.

After Chu Fei listened, her face looked better, but for Ning Yuning, her face became paler.

She bit her lip, then smiled, regained her grace, and proactively said to Chu Fei: "It seems that this is Mrs. Lin, right? She really looks like a beautiful country, and the country is all over the world. No wonder Lin Dong treats you so much. Infatuation, even in the face of temptations from the outside world, he is not tempted at all."

Chu Fei heard Ning Yuning's words, looked over, and became a little nervous. Anyway, she is a fan of Ning Yuning and quickly said: "Ms. Ning, you are kidding. In front of you, how dare I say The country is beautiful, you are the real beauty, and I am your number one fan."

Ning Yuning was taken aback for a moment. Obviously, she didn't think that Lin Ziming's wife would be her fan. This feeling was weird. However, knowing that Chu Fei is her fan, she is not so sad now, and said with a smile: "Mrs. Lin is humble. You are really beautiful. It is Lin Dong's blessing that Lin Dong can marry you."

Lin Ziming proudly said, "Of course."

But immediately, Ning Yuning also added: “Mrs. Lin, I envy you from the bottom of my heart. You can find a good man like Lin Dong. Unlike me, I am old and single, which is undesirable.”

People around me cried out in their hearts when they heard her words. How can you not want this condition? It’s obviously that your own vision is too high!

Chu Fei also said meaningfully: “Miss Ning, with such good terms as you, I believe that as long as you take the initiative, there is no man in the world that you can’t get it off.”

Ning Yu’s gaze deliberately glanced over Lin Ziming’s face, shook his head, smiled bitterly and said bitterly, “Mrs. Lin, you are the one who is full but not hungry. I like the person, even if I take the initiative again, He wouldn’t even look at me, oh...”
