

## Chapter: 972

When she said these words, the pity and pity made people feel distressed involuntarily when she saw it.

There is only one person who feels distressed, and that is Lin Ziming. On the contrary, let alone his distress, he has a creepy and numb scalp. He quickly buried his head on the dinner table and slumped to eat. He didn't dare to raise his head at all, and he was very embarrassed.

He only hoped that he was invisible and would not be noticed by Chu Fei.

Of course, his thoughts were unrealistic. Chu Fei immediately flew her gaze, and put her hand on Lin Ziming's shoulder, and said: "Ziming, you and Miss Ning are friends, and you must know Miss Ning too. My sweetheart, as a friend, would you like to help make the match?"

Hearing this, Lin Ziming became even more terrified. He felt a huge smile. Obviously, Chu Fei could see it!

Now he is so bitter. If he knew it, he shouldn't have come over tonight. Chu Fei must have misunderstood him this time, and she couldn't wash it after jumping into the Yellow River, alas.

He had to bite the bullet and said: "Well, I will try."

Chu Fei glared at him immediately, and she didn't continue to tear down his platform. She would accept it as soon as she saw it. At this point, Chu Fei was able to grasp it very well, and she didn't really embarrass Lin Ziming and took the initiative to transfer. Other topics.

Lin Ziming had to breathe a sigh of relief, and he was somewhat grateful to Chu Fei. If Chu Fei really wanted to coax, he would have no way of doing it. Who made Ning Yuning behave so clearly just now, as long as anyone who is not blind can see it.

Therefore, Lin Ziming couldn't help but gave Ning Yuning an angry look, but immediately saw the loss and resentment of Ning Yuning. It looked pitiful, and he couldn't get angry.

Forget it, when I go back this time, explain to Chu Fei, because he and Ning Yuning are innocent anyway.

As for the other people around, Ning Yuning was also interesting to Lin Ziming. Suddenly, their expressions became exceptionally wonderful, especially the men, who were so sour, envy and jealous.

After chatting for a few more words, Ning Yuning didn't have a cheeky stay. She is a public figure after all, and she still maintains the image of a female lady. She can't be too obvious. In case it is passed out, she will have a reputation for her. She doesn't care much about her reputation. The key is that she is an artist under Black Rock Media, which is not good for Black Rock Media.

She can't harm Black Rock Media because of her children's personal affair. She still has this professional ethics.

After she left, Chu Fei immediately said with a smile but not a smile: “Awesome Lin Dong, you are so majestic, even the big stars will never forget you.”

Again.....

Lin Ziming quickly explained: “There is absolutely nothing! Ning Yuning and I are all scallions mixed with tofu, so innocent, absolutely not what you think!”

“Really?” Chu Fei put her hand on Lin Ziming’s waist, making pinch movements at any time, making Lin Ziming’s muscles tight at the moment, “Then tell me, what do I think?”

“Uh...” Lin Ziming was stunned at the moment, and then wanted to slap herself, Chu Fei didn’t even say, what is she doing with such a guilty conscience, isn’t this a guilty conscience!

“Wife, don’t make things difficult for me, I swear to you, Ning Yuning and I are really innocent, lie to you and me...” Lin Ziming was about to swear solemnly, and soon his mouth was Chu Fei blocked it, and Chu Fei smiled, and said, “Seeing that you are nervous, I don’t have to blame you.”

Lin Ziming breathed a sigh of relief, wait a minute, this is a bit weird, don’t blame me, I still suspect that Ning Yuning and I have a leg.

Just when Lin Ziming was still trying to explain, Chu Fei spoke again, “Ziming, Ning Yuning is so beautiful and a big star. Have you ever been moved by it?”

She looked serious, her eyes were still full of doubts, and she couldn’t understand why Lin Ziming was not tempted.

Lin Ziming patted his chest and said, “Of course it’s not tempting. I have a beautiful wife like Feifei. How can other women compare to you?”

“Hate, when did you become so glib?” Chu Fei’s face rose with a blush, and Lin Ziming gave Lin Ziming an agitated look. There are so many styles and styles of her. Today, her dress is indeed compared to Ning Yuning. , But the mature charm on her is not comparable to that of an unmanned virgin like Ning Yuning.
