

Chapter: 981

“Hoho, this is not necessarily true. I found out that the new instructor in the fourth group is a businessman. He was originally invited by Sun Chu. The reason why he abused the fourth group alone is purely because Director Sun came out, otherwise. As a new instructor, it’s not easy to come in to the three places of Xuanyuan.”

“It makes sense to say that, besides, the rubbish of the fourth group is famous in Xuanyuan three places. The results of each competition are the worst. Which group did not beat them?”

“That’s true…….”

“This looks good, if the new instructor of the fourth group is tortured by the Fangs group, it will be ashamed if it is spread out!”

Most people are not optimistic about Lin Ziming, waiting to see Lin Ziming’s jokes.

Lin Ziming laughed without anger. He didn’t understand the ridicule of these people. Instead, he directly said to the three Changfeng: “It seems that you are not going to apologize. If this is the case, then I can only replace your instructors and take good care of them. Teach you how to behave!”

After saying this, Lin Ziming’s eyes suddenly lifted, just a slight movement, and immediately, it felt different to people, as if a sleeping lion had awakened at this moment.

Changfeng and the others felt Lin Ziming’s aura, but they didn’t despise it so much, “It seems that there is something, who will go first?”

Agni stood up, twisted his neck, made a chuckle, and smiled coldly, “I’ll come first.”

“Okay.” Chang Feng and Qing Lang both nodded, stepped aside, and gave way to Agni. Green Wolf said in a weird manner: “Agni, you act lightly, but don’t abuse the new instructor too badly. After all, it was Chief Sun’arranged’ to come in. When you teach him too badly, they will not end well.”

With a cruel smile on Lihuo’s stodgy face, he started gearing up and said with a grinning grin: “Don’t worry, I’m very’measured’!

He looks like this, everyone can see that the fire is going to abuse Lin Ziming.

Many people who knew Agni at the scene knew that he was a very irritable person. Once he started a fight, he would be very ruthless and would often abuse his opponents miserably. In every competition, many people were discounted. In his hands.

However, Lin Ziming shook his head and said, “You are too weak, you can’t even handle a single move, so let’s go with the three of you.”

As Lin Ziming said this, Li Huo’s expression immediately changed, becoming more anxious and ferocious and cold, “You are looking for

death!”

After saying this, he immediately made a move. The speed was extremely fast. With a squeak, people came to Lin Ziming and punched Lin Ziming hard. The angle was very tricky. He was confident that once Lin Ziming was hit With this punch, you must be seriously injured!

In the face of his attack, Lin Ziming seemed silly. He didn't react at all. He still stood there in a daze. When everyone saw his reaction so slow, they all thought he was going to die. It's famous for its explosive power, and no one can stand a punch from him.

Seeing that Lin Ziming couldn't react to dodge, the corners of his mouth began to rise, revealing a smug grin.

However, at the next moment, the grinning grin on his face stiffened, and Lin Ziming caught his confident punch with one hand, motionless, and looked very relaxed.

“That's it?” Lin Ziming said with a smile.

Li Huo immediately opened his eyes, and cried out in a gaffe: “It's impossible?!”

He has always had a facial paralyzed face, and he has always been abnormal and cold, but now, he is completely stunned, his mouth is open, and he can swallow an apple.

Not only him, but everyone present was also shocked and dumbfounded.

It's not that their concentration is not enough, but that this scene is really weird for them. They can feel the strength of the punch just now, at least 5,000 catties, even if it's a wall. I was stabbed through, but Lin Ziming followed it lightly, and he didn't even shake his body!

This is completely beyond their cognition.
