

Chapter: 996

Liang Zhenghai heard his promise and immediately said excitedly: “Great! Brother Lin, you can rest assured, the high-end party tonight will definitely not let you down. Yes! At that time, the rich people in the circle will be there. If you can recognize one or two, then counterattack!”

“Really? Then I thank you very much.” Lin Ziming said with a smile.

Liang Zhenghai showed a simple smile, waved his hand, and said: “Hurt, we are all old acquaintances, what do you do so politely with me?”

Lin Ziming smiled slightly, and solemnly said to Liang Zhenghai: “Zhenghai, I see that your Yintang is a little dark, your fortune is not very high recently, you have to be more careful in normal times.”

“Haha, Brother Lin, when have you learned to look at pictures?” Liang Zhenghai laughed.

“You don’t need to worry about this. Anyway, you should pay more attention to it, especially the people around you. Be careful not to be overshadowed by others.” Lin Ziming said solemnly. Liang Zhenghai’s face is obviously a villain.

However, Liang Zhenghai didn’t take it seriously at all. He waved his hand and said disapprovingly: “Brother Lin, don’t worry about this. My life is very hard and there will be no accidents. Brother Lin, I will tell you secretly. During this period of time, I followed Brother Yuan and earned hundreds of thousands! Hehehe...”

He lowered his voice in the last sentence and said mysteriously, his face full of pride and pride.

Lin Ziming sighed. Seeing that Liang Zhenghai didn’t take it seriously, he couldn’t say anything anymore. Anyway, he was with Liang Zhenghai tonight. I believe that with the influence of his luck, Liang Zhenghai’s disaster has a high probability. It will come early, and he will be able to get rid of it at that time.

“Awesome.” Lin Ziming gave Liang Zhenghai a thumbs up.

Liang Zhenghai chuckled and wanted to say something. Now Cheng Yuan came over and looked at Lin Ziming’s dress. He frowned and said, “Your clothes are not good, it’s too rubbish, tonight what I want to attend is an upper-class gathering of rich people. Where else is my face going when you wear this body?”

Cheng Yuan made no secret of his contempt for Lin Ziming. In his eyes, Lin Ziming was a poor ghost. After so many years, he was still so miserable and too rubbish. Compared with him, it was almost a world away.

Liang Zhenghai also realized this, and he asked, “Brother Lin, do you have a suit at home? Tonight’s high-end party, it is indeed more appropriate to wear a suit.”

Lin Ziming just wanted to speak, and Cheng Yuan said again. “What you

are asking is not nonsense. Even if he has a suit, it is an inferior suit for two or three hundred dollars. Can it be on the table?"

Cheng Yuan is too annoying. Lin Ziming has not been caught for a long time. This has been offended, if it weren't for Liang Zhenghai's face, he really wanted to give Cheng Yuan two big mouths.

He endured his unhappiness and said, "I have a suit at home. Tell me where to meet. I will put it on."

Liang Zhenghai asked subconsciously, "Brother Lin, where do you live now?"

"Yulong Bay" Lin Ziming said.

Cheng Yuan immediately opened his eyes and asked: "What? You just said where you live?"

Lin Ziming repeated it again. Cheng Yuan laughed loudly now, "I'm so ridiculous, Yulongwan, but Hua The best villa area in the city, the cheapest villas in it cost tens of millions. Just you, the son-in-law, can live in Yulong Bay? Do you think we are a fool?"
