

## Apocalypse 234

### Chapter 234

Liu Shi Man didn't wait to be prompted to touch the treasure chest this time.

After the blinding light went away, a golden ring slowly floated in the air.

The old voice held back no words to praise it.

『 Take a look everyone, this is the Ring of Teleportation! 』

『 With this ring, our Champion is free to transport herself at will, returning to our Arena of Eternal, getting away from any and all dangers in the real world 』

『 Once our Champion wants to leave, we will arrange for her to warp to a random safe location anywhere on this planet 』

『 The teleportation has no cooldown, she can do it as much as she wants to! 』

Liu Shi Man quickly wore the ring and couldn't wait to ask: "How do I activate it?"

The old voice responded: 『 You only need to cover it with the power of the Earth Element to trigger it 』

The old voice added: 『 A Martial Artist can use their Martial Thaumaturgy, while a God's Chosen can use their God's Chosen Skill to activate this Ring of Teleportation 』

『 How is it, our lady Champion? Are you pleased with your reward? 』

Liu Shi Man excitedly yelled: "Extremely pleased"

『 Then, are you still afraid of that clown? 』

"If I'm able to get away at any time, why would I be afraid of it!" Liu Shi Man clenched her fist and answered.

『 Very good, very good! 』 the old voice was very pleased.

『 From this round onward, we will continue to provide this powerful artifact to our winners, guaranteeing that your lives aren't threatened by some evil entity 』

『 The rewards have been given, Liu Shi Man will quickly return to reality, please give a round of applause for our brave hero! 』

Following these words, Liu Shi Man disappeared from the arena.

There was nothing but the 100-ish corpses left.

The old voice continued: 『 The next Game of Eternal shall begin at the same time tomorrow 』

『 If you want to become like Liu Shi Man, gaining eternal life and ultimate power, as well as a way to always escape from threats, then come and sign up 』

『 We await even more participants during the next round, perhaps our next Champion could be you 』

『 Goodbye, let us meet again tomorrow 』

As the old voice finished, the scene instantly disappeared.

“It’s troublesome” Zhang Ying Hao opened his eyes: “I have to say, even I’m a bit tempted by that”

“Me as well, but I’m more aware of my own strength” Liao Xing opened his eyes and spoke.

“That’s because you don’t know how to fight at all” Zhang Ying Hao retorted.

“Brat, I don’t need to fight to deal with you” Liao Xing glared back.

Impartial Goddess’ voice came: [The target has been identified, Liu Shi Man, Confederate citizen, Chang Ning county Southeastern district, we’ve locked on to her location, requesting Mr. Ye Fei Li to sortie immediately]

Gu Qing Shan looked at Ye Fei Li and said: “The Bloodbone Demoness’ weak point is at the top of her head, no matter where else you attack, you’ll still be doing a lot of work for little gain”

He continued: “Don’t drag the fight on, you have to kill her in one hit, that’s the only way to make sure everyone remains frightened, got it?”

“No worries, a 4th stage Earth Elementalist is only a small fry to me” Ye Fei Li said, “but you still haven’t mentioned the most important problem ——she can instantly transport to run away at any time”

“Which is why this time, simple brute strength isn’t enough”

“And?”

“And so we’ll require professionals for this” Gu Qing Shan looked at Zhang Ying Hao.

Zhang Ying Hao answered: “My price isn’t cheap you know”

“What did you say? I couldn’t quite hear you, can you repeat that?” Anna started at him.

“I heard him, it seems somebody wants to leave our group of partners?” Gu Qing Shan also squinted his eyes.

Zhang Ying Hao looked at Anna, then at Gu Qing Shan and helplessly sighed: “As comrades, you don’t need to pay”

Zhang Ying Hao turned on his Holo-Brain and began to arrange the mission.

Seeing how much work he had to do, Ye Fei Li wondered: “Do you need to go through that much trouble just to kill someone?”

“Assassination is skill-based job; you have to use your head to work” Zhang Ying Hao answered.

He frowned: “The opponent is a 4th stage Elementalist, so the deciding blow has to be done by the strongest person possible”

Gu Qing Shan looked at Anna: “I don’t think I can swing my sword yet, so you’ll have to do it”

Anna listened seriously and asked: “What do I have to do?”

“I can keep her still for 2 seconds, during that time, she won’t be able to control her Elemental power to teleport away” Gu Qing Shan replied.

Anna asked further: "Should I kill her directly?"

Zhang Ying Hao answered: "No, that's something Ye Fei Li will have to do during the live broadcast"

Hearing that, Anna calmed down: "I thought it would be harder, 2 seconds is more than enough for me"

"The main problem is that she can't find out at all, otherwise she'll teleport away" Gu Qing Shan looked at Zhang Ying Hao.

Zhang Ying Hao answered: "I'll create an opportunity, you keep her still, and Anna is in charge of attacking"

Anna answered: "No problem"

Please support our website and read on novelbold

Gu Qing Shan also answered: "No problem for me as well"

Seeing they've decided everything, Ye Fei Li swung his hand.

The Murder Clown armor rose from the floor and stuck itself onto him.

"Impartial Goddess" Gu Qing Shan said, "prepare for the live broadcast"

[Understood, it's been prepared, please be assured]

"Hm —Zhang Ying Hao, this time we'll be following your orders" Gu Qing Shan said.

"Very well" Zhang Ying Hao replied.

Gu Qing Shan then continued: "There's another thing, Liao Xing, our warping and other matters will be left to you"

"No worries" Liao Xing pounded his chest and said.

The Murder Clown, Gu Qing Shan, Anna and Zhang Ying Hao all walked onto the large-sized warp device.

Liao Xing quickly operated on the screen and said: "The location has been set, the warp is prepared —are you ready?"

The Murder Clown spreads his black wings and raised a thumb up.

Liao Xing slammed on a button on the screen, shouting: "Go and get that cold-blooded woman!"

A blue light spreads out as the four people all disappeared from the S.W. Divine Temple.

Liu Shi Man had just returned to Reality.

The Game of Eternal was very considerate and dropped her off in a secluded alleyway without any people.

She looked down at the golden ring on her finger.

On the window of a shop across the road, herself from back when she was an innocent 18-year old was reflected.

The only strange thing is that such a young lady was wearing a fierce battle suit.

Liu Shi Man laughed silently.

Her figure turned into a blurry shadow, passing by a hat shop.

Taking a large cap to wear, she quickly made her way into a female clothing shop.

Escaping the normal people's vision, Liu Shi Man broke the lock and went into a changing room with the sign 'Do not disturb' hung on it.

When she walked out, she was wearing a slightly worn set of female clothes, still wearing her cap.

It wasn't until much later that a scream of surprise was heard from the female clothing shop.

Liu Shi Man quickly walked on the main street.

This was a decently busy street.

Voices came from every direction; it was exceptionally rowdy.

She was glancing around while she walked and even managed to take a pair of sunglasses from the purse of another girl who walked past.

After wearing the sunglasses, no one should be able to recognize her features anymore.

Walking through the sea of people for a bit, Liu Shi Man casually bought a bottle of water.

She couldn't feel any killing intent, no anomalies.

Everyone was just focused on what they were doing, the only people who took notice of her at all were some young men.

She's very used to that type of gaze, the look on their faces was also very familiar, innocent, people that hasn't had any bloodshed on their hands.

Liu Shi Man steps slowed down.

She was suddenly alarmed.

On the seat of an outdoor café not too far from where she was, an old man was lying on the bench, listening to the news from his Holo-Brain.

[Breaking news, the winner of the Game of Eternal has been confirmed to be a wanted criminal of our city, a Professionalist called Liu Shi Man]

[At the moment, the government as well as various organizations are currently looking for her whereabouts]

[As Liu Shi Man is a citizen of our city, there's a great chance that she might reappear right here]

[Authorities are worried that the battle between Liu Shi Man and the Murder Clown might affect the city...]

Liu Shi Man was stunned.

—why did the news spread so quickly?

She rubbed her golden ring on her finger.

*No, I have to seize the time and immediately enact the getaway plan I've prepared.*
