

ARMIPOTENT Chapter 443

"You should suppress your voice or your daughter will wake up," Tang Shaoyang parted his lips and whispered to her ear. His hand was still on her breast, enjoying the softness of her breast.

Li Shuang snapped out of her trance and looked at him with even reddened cheeks. She did not dare to meet his gaze. She did not dare to see him in the eyes, she was afraid. Afraid of being judged as a cheap woman or even a slut. It was understandable from her provocative action, but she was not ready for that yet.

Tang Shaoyang licked his lips. Despite being mature, the woman was still embarrassed by just this. This meant she truly had not had sex for a long time.

This fact made him even more excited. He pulled his hands from her chest and hugged her. He then stood up and she immediately clung to him with her all fours, like a koala hanging on the branch.

"Don't worry, I have a way to make the room soundproof," he walked to the door and placed his hand on it. With [Mana Manipulation], he covered the whole room with mana.

"Done, now we can continue our deed," Tang Shaoyang did not wait for them to return to the couch as he pushed the woman onto the wall.

He started with her lips again. It was a surprise that the woman was a good kisser. About the same as skilled as Elinova. His left hand moved to supper her butt as his right started to roam again. His right hand moved to her breasts and started to play with her breasts.

A muffled moan escaped from her mouth as he continued with his divine hand. The [Divine Pleasure] not only enhanced Little Shaoyang but all parts of his body.

Li Shuang truly lost it. Maybe it had been five years since her last time. She made an excuse for enjoying this despite her reason which was for her daughter, 'Since I am it might as well enjoy it as well.'

She never thought this would be this good. The plan was to satisfy the man and have him protect her and her daughter. She never expected the man was a player.

Playing with the breasts was not enough for Tang Shaoyang. He took off her clothes and revealed two snowy teams covered in a black bra. He was an experienced player, he easily plucked off of the bra.

Without waiting any longer, he buried his face on the treasure peak. Li Shuang moaned even harder as she pressed his head. She was asking for more.

Satisfied with the breasts, he carried the woman onto the table. He put her on the table and pulled her pants. It was swift as black panties revealed. His hand moved to the private and quickly realized she was wet, indicating she was ready for the real action.

Li Shuang looked away. She was totally embarrassed. She just met the man above her yesterday, of course, she was embarrassed being exposed. Yet she said nothing to complain. She closed her eyes and let the man do anything he wanted to her.

Tang Shaoyang would not shy away from the cake presented before himself. He immediately pulled down his pants and the hungry Little Shaoyang erected up.

Badump! Badump! Badump!

Tang Shaoyang could hear the woman's heartbeat. With his sharp hearing, that was something normal. He was not in a rush as he came closer to the woman's ear, "Calm down, I promise you will enjoy this."

If she did not close her eyes, she would roll her eyes. Who would say such a thing to the girl he was about to have intercourse with? But she let him as she hummed vaguely.

No, in fact, his words only made her even more nervous. Then she felt something touching her private region. She knew what it was. This was not her first time, after all.

The man rubbed her private region with his, stimulating her even more. The next second, the thing entered her, "Ahangg~~~" she let out a long muffled moan reflectively. She subconsciously suppressed her moan because she was aware of her daughter in the other room.

This was heavenly, she did not expect this would feel this good. She tried to control her desire and pleasure, but it was just too hard for her to control. "So good~" she subconsciously said it out loud.

Tang Shaoyang slowly pulled out and then thrust in again, further.

"Ahn~" just like a rhyme, she would moan thrust. He started it gently and slowly before he sped up. He kept pistoning against her as she kept moaning in pleasure.

After a while, he pulled out Little Shaoyang and flipped her body. Tang Shaoyang then put the Little Shaoyang into her once again. He pistoned again from behind now.

At this point, Li Shuang had lost it. She just let her body under the man's control. She could not even think clearly as he kept moving. The concerns and the determination she had were now blurred.

Starting from the table, they continued onto the couch then he carried her while doing it. To the kitchen then to the bathroom. After the bathroom, they returned to the living room, continuing their action on the couch.

She had forgotten how many times she had been brought into climax by the man. She never once thought that sexual intercourse could be this good. At least, she never had this kind of experience with her husband before.

"Ahhnnn~" a long moan escaped from her mouth as she reached climax again. But this time, she could feel hot liquid poured into her body. She could feel the warm liquid and trickle down from her private part.

She was too tired and exhausted to care about that. As soon as the man came inside her, she immediately released her grab from the man and closed her eyes. She fell asleep immediately after that.

Tang Shaoyang could hear her stable breathing and her heartbeat returned normal. He smiled at the sight of the woman passing out right after, 'It seems this is still too much for her since she is still low-level.'
