

## ARMIPOTENT Chapter 524

"Where are we going to, Sir Yoman?" Dean Rosikh brought his mother and his sister to meet with the group. They were escorted out of the mansion by Yoman's private knights. There were fifty knights in total and two hundred and twenty-one people, mostly they were the family of the knights.

Yoman showed the map to Dean and pointed into an area, "We will be entering the Gigante Forest to secure our path to the Rosalie Citadel," He pointed to the west side of Aram, "Don't worry though, we will not enter the deeper part. We will stay in the outer area of the forest and go down to Biaska Town, from Biaska Town we will continue our journey to Rosalie Citadel. We have to report everything we know about the Revolution Army to help the kingdom. I have done a little bit of investigation and has an estimation of how strong the Revolution Army individually,"

Yoman had done his investigation and found out that most of the people he investigated were strong individuals hence he insisted for Lord Robin investigate all people that entered the city in the last three days. However, they were too late as the Revolution Army made their move first to capture the city.

"I see," Dean nodded his head and looked up, "Sir Yoman, do you have a spare sword? I will be fighting as well if we encounter the beasts inside the Gigante Forest," More than that, he needed a weapon to protect his family. Even though Mother Viona was not his blood mother, he loved her as much as she loved him. With his father's absence, he had to step out and protect his family.

Yoman smiled, "We have a set of armor and a sword for you, Lord Dean," he was aware that Dean had been trained to be a knight as well. One had to be knighted to inherit the noble title. Dean had passed the test even though he was just sixteen years old this year. He was an excellent knight.

"Follow me, Lord Dean," Yoman turned around and led Dean to get the armor and weapon before they departed to Gigante Forest.

Tang Shaoyang opened his eyes as he felt movement down there. He looked down and found Ashley was doing little Shaoyang with her mouth. Yet another victim had fallen into [Divine Pleasure]. The girl was a bit shy at first but became increasingly bolder as they kept doing it. Now she took the initiative to service him with her mouth early in the morning.

Tang Shaoyang closed his eyes again and enjoyed the service. Even though it was clumsy compared to Elin and Mengyao, he let the girl learn by herself. He could not teach her to do something he never did, after all. The best thing he could do was to guide her to which spot she should lick.

"Yes, there... Be careful with your teeth... Nnn... That's not bad..." He commented as Ashley continued. After a while, Ashley backed away and Tang Shaoyang looked at her. She was squatted and positioned her wet private region against little Shaoyang, "My mouth is quite sore, you can be pleased with just mouth..." The girl muttered as she went down.

"Ahnn~" A moan escaped through Ashley's mouth as little Shaoyang entered her fully. She stopped for a moment before she raised her hip up and down afterward. As she did not, she was going faster, "Hngg~ Nnn~ Hngg~," She tried to suppress her moan since the house had a bad soundproof.

Since she was on the top, Ashley took control of the rhythm. She would accelerate the pace when she felt it was not enough, and she would slow down if it was too much for her.

Meanwhile, of course, even with the suppressed voice, people could still hear it from outside. Aki had a sharp hearing and as soon as he noticed the activity in the house, he immediately isolated the area. This was not his first time doing this so he was quick with his action. Within the blink of an eye, he emptied the perimeter.

This was the third day and hundreds of beastmen and beasts had joined the group. It was no longer the same anymore. As someone who served Tang Shaoyang earlier, Lauri and Aki had become the butler. Managing the lodging, supplies, and armies.

In the last three days, they managed to conquer seventeen tribes. Aki had to admit that even though his human lord had not reached Epic, he could easily defeat the epic. Four tribes tried to fight them yet Tang Shaoyang and the female human Ashley took care of them. The armies were not deployed to fight. They were forced to watch and do the clean-up where they would leave the weak, the old, and the kids for the armies to slaughter.

Once the Tribe tried to fight, His Lord gave them no mercy. They would be slaughtered and used as sacrifices. Aki had seen four beasts had been summoned by his Lord and after three days, Aki finally knew what his Lord summoned was a dead spirit.

He did not know yet the use of this spirit, but it was a spirit. That was the only information he had. He did not know yet his Lord's Class until and he had learned his lesson, not to ask too much. His Lord would tell him if his Lord wanted to.

Thirty minutes later, his lord came out with Ashley and Selena. Aki immediately came over and greeted them, "Good morning, My Lord. Good morning Lady Ashley. Good Morning Lady Selena," He was meticulous with his greeting as he greeted them one by one, "We have prepared breakfast for you. Please follow me,"

Aki had learned about human habits in the last three days. They ate every morning, afternoon, and night. There was a particular schedule for them to eat and he timed it well.

Tang Shaoyang nodded and followed him. Even though he could probably survive for a month without eating, this had become a habit. It was just weird that he did not eat when he usually ate every day. Of course, since it was a wilderness, they could not be picky with the food even though Aki tried so hard to satisfy his Master. The rat beastmen mostly served him roasted meat.

He sat on the chair and started to eat his meat breakfast. It was greasy for breakfast, again, they could not be picky with the food. Tang Shaoyang started to eat his meat and checked his status screen. Thanks to the tribe who tried to fight him, he managed to level up to level 758.
