Tang Shaoyang used all the Spirit Blessings, while the Grade B Spirit dominated his spirit army composition. He also had many Grade S+ Spirits. It was thanks to the Trial of The Epic. He had allocated all the attribute points, and he had used all the Spirit Blessings as well. That was the preparation for the next battle.

"Now it's time for an open discussion for everyone." When he said everyone, he included all the spirits. "We need to discuss an alternative option to gain Spirit Power. I can't sacrifice the spirits if I want to build a spirit army. I agree with that, so we need an alternative to how to gain the Spirit Power without sacrificing the spirits."

Tang Shaoyang spent the rest of the night discussing the alternative way to gain Spirit Power with all the spirits. While discussing that, he also adjusted his body with the sudden increase of his attribute.

After spending all night, they could only get a solution. It was not an actual solution, but he could try to use the [Spirit Gate] and entered the Spirit World. Maybe he could find a way to increase his Spirit Power in the Spirit World.

That was the only option he could have when no one knew what to do. Finding something in the right place. Spirit World might be the right place to find whether there was an alternative way to increase the

Spirit Power or not. Of course, Tang Shaoyang would not do it right now. Right now, he had another pressing matter: it was to set up an ambush for the Dark Tribe and the Guardian Beasts.

Tang Shaoyang got up from the bed and walked toward the door. When he opened the door, four female attendants were waiting for him. Next to the female attendant, there was a trolley with a tray of food.

"Good Morning, Lord Tang." The four female attendants bowed their heads and greeted him simultaneously. "We came to deliver breakfast for you."

There was no need to ask. This must be Roan's doing. Tang Shaoyang was about to send them off, but his eyes looked at the food. It was three days in the real world, but it was over a week in the trial dimension. During that time, he did not eat anything. There was no way he would monster meat. No matter how bold he was, he was still disgusted to eat monster meat.

"Bring the food inside." Tang Shaoyang entered the room again and woke up the sleeping Golden Dragon and the lazy Dark Predator. "Call Selena and Ashley to my room if you want to eat."

Greed's hazy eyes opened wide the moment the word "eat" entered his ears. He woke up and immediately dashed out of the room. Seeing the black cat go outside, the Golden Dragon went back to sleep. "Prepare another two portions for the breakfast, Greed's food as well, and double the portion!" He told one attendant.

"Yes, My Lord. I will prepare the food immediately." After saying that, the female attendant turned around and left the room. The workers of Biaska Inn were familiar with Greed. They prepared a lot of fresh meat every day for Greed. As for why their Lord asked to double the portion, they did not ask. It was not for them to ask that. They just needed to do what they were ordered to.

The breakfast was two loaves of bread and a bowl of white soup. He did not know what kind of soup was, but it was quite tasty. Of course, it was nothing compared to Elin's cooking. Still far off, not even close.

As he took the first bite, only then he realized the three female attendants were staying in the room. "What are you guys doing here?"

"We are here to serve you, My Lord. We will do anything you ask." A bolder attendant answered his question.

Tang Shaoyang then realized that the three attendants were beauties. On top of that, Roan seemed to know his taste as they had big chests. He shook his head. Roan's intention was obvious. Before he could send them off, an icy voice rang in the room. "He needs nothing from you. Serve the food for us and then leave!" Ashley and Selena entered the room, and they heard what the female attendant said to Tang Shaoyang.

Ashley's response was chilly as her cold blue eyes locked on the female attendant, who replied to Tang Shaoyang. The three female attendants bowed their heads and immediately left the room.

"After breakfast, I am going to talk to Roan. He can't be doing this with us still here." Ashley did not blame Tang Shaoyang. She could tell that this was Roan's doing to flatter his Lord. However, Ashley would not let this matter slide.

"You can't blame Roan, Ashley. You should know why Roan does this, right?" Selena smiled as her alluring crimson eyes looked toward Tang Shaoyang... Even though the girl was smiling, she still gave off a different feeling.
