

ARMIPOTENT Chapter 609

Tang Shaoyang extended his hands wide and cast the [Epic Summoning]. The Dark Tribe's elite force corpses disappeared into black particles, creating a black storm in the forest. The phenomenon lasted for a minute before a figure came out of the storm.

A three meters tall black-furry figure stepped out of the storm. The figure had a spiral horn on its forehead, red eyes, and tail that discharged black electricity. It was a black wolf, and it immediately bared its teeth at the sight of Tang Shaoyang, asserting dominance. Of course, the wolf chose the wrong target. Instead of being intimidated, Tang Shaoyang found it was quite funny.

[You have summoned Grade S+ Spirit, Rowan the Abyss Storm Wolf!]

However, the wolf soon glanced at the Kirin next to Tang Shaoyang. The black-furred wolf stunned for a moment as its red eyes widened in surprise. From the look of it, the wolf recognized Kalliyian, the Guardian Beast of the Gigante Forest.

After a moment of surprise, Rowan got to the edge of the cliff and knelt toward Kalliyian. "This Rowan greets the Patron of the Abyss Clan."

"Raise, child," Kalliyian responded with an exhausted voice. "I am no longer The Protector of your clan, and I have failed your trust in me for my selfishness. I don't deserve your bow the honor, Brave Warrior."

The Abyss Storm Wolf raised his head and looked toward the Kirin. He did not understand what she said at all. He remembered the figure in front of him, fighting together against the demon with them. She led the force and wiped out the demon that tried to invade the continent.

"He is a brave warrior who fell during the great war against the demon race, Master. I recognize him; if not for the war, he might reach my level by now. Alas, fate was cruel and took his life before he could reach his peak of power." Kalliyian explained to Tang Shaoyang before he asked her to.

"Master?" Rowan looked toward the human who was floating next to The Kirin. Things were getting weirder and weirder. The Protector he admired now had a Master, and it was a human. He could not believe it, but from her tone and gesture as she spoke to the human. Everything was true; the Protector of the Gigante Forest had a human as her Master.

The human was a weak being. They were born weak and fated to be the bottom chain food of the strong. However, this human had the strongest beast under his command.

"Things have changed after the great war against the demon. The Abyss Clan is no longer exists. The remnant of the Abyss Clan, the Dark Tribe also on the brink of destruction. I am also no longer the Guardian Beast of the Gigante Forest but a servant of my Master." Kalliyian explained. "As for why you are here, it might be related to my Master. Why don't you speak with him instead?"

Rowan looked toward Tang Shaoyang and blurted out. "Are you that strong to make The Protector submit to you?" The Abyss Storm Wolf observed the human. "I don't think you are that strong..."

"Funny guy," Tang Shaoyang shook his head and smiled at the black-furred wolf. "It's not you who decides if I am strong or not." After saying that, he glanced toward Bronson and Zaneos, and both were standing next to each other. "Do any of you want to teach the newbie the real power?"

Bronson and Zaneos looked at each other. The two spirits were not satisfied with the battle against the Dark Tribe's elite force. They would gladly take the offer from their Master, but two against one was disgraceful.

"You have fought The Chief of the Dark Tribe. Let me have this one!" Bronson was the first to open his mouth, and he let Zaneos fight Igor before, so this was his turn now.

"Fair enough. You can teach the newbie. Make sure to beat him hard, so he knows his place!" The Demon Swordsman nodded his head.

Bronson grinned, "You don't need to worry about that. He disrespected Master for doubting him, and I will let him know his place for sure." The Executioner licked his lip and approached the black-furred wolf with his twin reavers.

At the same time, Tang Shaoyang ignored the battle, and there was no need to watch the fight as he believed in Bronson. He opened his window status. He gained many levels today; he had to allocate all the attribute points. By the time he finished allocating his Attribute Points, the fight should be over.
