

## **The Amazing Son In Law Chapter 4339 ( The Charismatic Charlie Wade Chapter 4339 )**

On the other end of the phone, a young man in his twenties asked in a voice, "Feiyun, has the goods I ordered started to be delivered?"

This person is the most favored young master of the Fei family, Jamura.

Jamura is the eldest grandson of Fei Kexin's uncle Zaki, the same year as Qiao Feiyun, and both are 27 years old this year.

Although Jamura was a few years older than Fei Kexin, he was Fei Kexin's cousin, and his father Fei Xuebin was Fei Kexin's eldest cousin.

The young Jamura is a very perverse and cruel playboy.

Although he was working in the Fei family's investment foundation on the surface, it was actually just a temporary post. Most of his time and energy were spent on searching for novelties and excitement.

When Jamura was a teenager, he was sent to the best private school by his family, thus forming a large number of children from wealthy families with extremely superior backgrounds.

Some wealthy children get together to study how to make money and how to achieve their own careers, but there are also some wealthy children who get together and think about how to find pleasure and excitement.

Jamura is the latter.

Since he was a teenager, he has done almost all evils, and even his heart has become more and more distorted, and he has gradually developed a horrific hobby of bloodthirsty, especially torture.

But at that time, Jamura had no personal channels or abilities. When he occasionally killed someone and needed help from his family to wipe his butt, he would inevitably be reprimanded by his family, so he was relatively restrained.

Fortunately, among his classmates, there is a shrewd and bold Qiao Feiyun.

In order to get closer to Jamura, after realizing Jamura's special hobby, he immediately tailored a perfect outlet for Jamura.

In the past, Jamura needed to choose the prey by himself, deceive the prey by himself, and after the brutal killing, he needed to find a way to deal with the corpse by himself.

However, Qiao Feiyun took the initiative to ask Ying to solve all his troubles for him.

Qiao Feiyun will specifically look for a large number of prey for him to choose. As long as Jamura chooses any of them, he can immediately get them.

After a few times, Jamura became his first VIP customer, internal number VIP001.

After that, Qiao Feiyun gradually attracted many rich children like Jamura with distorted mentality, and his customers became more and more.

And his industry chain, which is devoid of conscience, has gradually improved and expanded.

He specially built a special venue for people like Jamura, which not only allowed these people to vent their animal desires at ease, but also solved all their worries for them, and handled the corpses and evidence seamlessly.

It is not uncommon in this world to cater to the bad tastes of the rich.

In some African countries, there has always been a legal business of paying to hunt and kill cherished wild animals. Rich people in Europe and the United States who love hunting have gone to Africa to hunt, just to satisfy their hunting hobbies.

A lion is \$20,000, an elephant is \$30,000, and a rhinoceros is \$50,000. Those rare animals in Africa have long been marked up by intermediaries for the rich to shoot and enjoy.

The bad habits of some rich people have already touched the ceiling here, but the ceiling of a few rich people is much higher than this.

Their hobby is far more cruel than hunting rare animals.

For them, they are willing to pay ten times, twenty times, or even a hundred times on the basis of fifty thousand dollars, but the prey must be changed from rhinos to live people.

Also, they are more willing to pay a higher price to make sure they don't get themselves any trouble afterwards.

Simply put, their needs are to spend the most money, do the most poisonous things, and have no consequences.

And what Qiao Feiyun is best at is to meet all their needs.

At this time, Qiao Feiyun heard Jamura's inquiries about the goods, and immediately realized that the goods he was talking about were the young girl

named Lisa among the group of girls that the third brother Qiao Feiyu picked up at sea last night.

Jamura immediately fell in love with this Lisa in the batch of materials submitted a few days ago, so he was willing to pay a lot of money to buy it from Qiao Feiyun.

As usual, Jamura would definitely take this opportunity to make a fortune first. After all, what he provides is service, and it is only natural for customers to pay for the service.

However, some time ago, Jamura was really awesome.

His grandfather Zaki, who had been the prince for decades, finally killed his great-grandfather and ascended the throne smoothly.

This also means that Jamura's father has become the new prince of the Fei family.

And Jamura, on the road to becoming the head of the Fei family, also went to a higher level, and he was only one step away from the prince of the Fei family.

Qiao Feiyun is also very good. In order to cater to Jamura, when Jamura selected Lisa, he immediately offered to give Lisa to him and asked him to wait in New York. .

Jamura naturally smiled at Qiao Feiyun's filial piety, and he waited all night, and he was really impatient. He called him now to ask him when he could send someone to New York.

Qiao Feiyun was very nervous at this time.

He didn't know how to answer all of a sudden. He didn't know whether he should tell Jamura all this frankly and seek help from the Fei family, or whether to keep the matter under cover for the time being and not let any customers including Jamura know about it.

Wanting to seek help is mainly because Qiao Feiyun is worried about the murderer who killed his brother, and he can't deal with it at all.

However, he also knows that if he asks for help today, the top VIPs including Jamura will definitely help him once because they are afraid of being exposed, but after this incident, they will definitely draw a clear line with him. keep distance.

Even, it is very likely that he will kill himself after the limelight of this matter passes.

Therefore, Qiao Feiyun decided not to tell anyone about this for the time being, and simply handle his brother's funeral, and then find a place to hide and see what happens next.

If you can get through it safely, you can kill yourself at any time.

If the mysterious black hand really can't afford it, it's not too late to ask these top VIPs for help.

After making up his mind, he immediately said to Jamura: "Master Fei, the Chinese girl you selected had an accident when picking up the goods last night. I was already in anaphylactic shock on the way, and my people did first aid, but in the end they couldn't be saved."

Jamura said in astonishment: "What's the situation? Dead?!"

"Yes..." Qiao Feiyun said hurriedly: "I'm really sorry, Master Fei, I have not arranged this matter well, give me some more time, and I'll find a better one for you!"

Jamura didn't have any doubts, because he knew that Qiao Feiyun had always followed his own lead. Since he had already let himself pick the goods, he would definitely not pass the goods on to others. It must have been an accident.

Thinking of this, he sighed bitterly: "To be honest, I quite like that girl. I saw her photos taken secretly in the convenience store. She is very beautiful and pure. It has been a long time since Europe and the United States have such fresh and good goods..."

Qiao Feiyun looked at his brother's tragic corpse, and said to Jamura with a smile: "Oh, Master Fei, have you started to like this one recently? I thought you liked the top-notch, What about a hot and sexy Yangma!"

Jamura sighed: "Hey, if you eat too much of anything, you will get tired. After eating these big fish and meat for a long time, I want to try the light, sweet, pure and pollution-free organic vegetables, which are not only nutritionally balanced, but also Can get rid of boredom."

Qiao Feiyun hurriedly said: "Then don't worry, give me another week, and I will search for you again."

Jamura hesitated for a moment, then smacked his lips and said, "Forget it, don't look around for me, I've found an excellent top-quality guy myself, it'll just see if you can tie someone up and give it to me. To your newly developed island?"

When Qiao Feiyun heard this, he immediately asked curiously: "Master Fei, which woman do you like? Please give me her basic information, and I will let people investigate her trajectory first! Let's see if there is a chance to start! As long as

there is a chance, even if she is the princess of any royal family, I will definitely get it for you!"

Jamura laughed and said immediately, "Feiyun, it has to be you!"

After speaking, he asked with a smile: "Feiyun, have you heard of a very famous female singer in Huaxia named Stefanie?"

"Stefanie?!" Qiao Feiyun was dumbfounded and blurted out, "Young Master Fei, are you kidding me... Stefanie is the one you're looking for?!"

As a Chinese, it is impossible for Qiao Feiyun not to know Stefanie.

After all, in the field of culture and entertainment, Stefanie is known as the light of the Chinese.

She is currently one of the most influential Chinese singers in the world.

Moreover, Stefanie really has all the qualities of a national idol. Not only is she extremely beautiful, but her figure and temperament are unique.

In addition, she is different from those celebrities who like to put gold on their faces and pretend to be the second generation of rich and rich. She is a real second-generation rich, and she is a top-level second-generation rich.

The Sun family is already ranked third in the country, not to mention that Stefanie is the only daughter of the Sun family! This gold content is much stronger than those of the rich second generation of the prosperous big family.

What's even more rare is that she is different from the stars in the entertainment industry who have all kinds of scandals all day long and have a lot of promiscuous history. Since her debut, she has no love history, no scandals, and no stains.

Absolute perfect goddess, perfect idol.

Therefore, Qiao Feiyun is also a fan of Stefanie in a sense.

When he heard that Jamura actually wanted to attack Stefanie, he was shocked.

Jamura said very indifferently at this time: "Looking at the Chinese men all over the world, there should be no one who can't look down on Stefanie, right? She should be the highest Mount Everest in the minds of Chinese men, of course I want to find a chance A kiss to Fangze."

Qiao Feiyun suddenly resented and hated Jamura in his heart, because he didn't want his goddess to fall into Jamura's hands.

Jamura is a beast, no one knows better than him.

If a top goddess like Stefanie died tragically in his hands, it must be the pain of the Chinese all over the world.

So, he bravely said: "Master Fei, Stefanie's identity is very special... She is not only the most famous Chinese star, but her family's assets are conservatively estimated to be more than 200 billion US dollars. If you touch her... This negative Will the impact be too great?"

Jamura asked back: "Isn't there you? As long as you operate well, the world will only know that Stefanie is missing, maybe she is dead, but no one can know how she died, it will take a while at most The news headlines, after a period of time, the popularity will drop, and no one will pay attention to it."

Qiao Feiyun listened in a cold sweat. Although he killed a lot of girls, most of those girls were from ordinary families, and some of them didn't even have a family, so naturally they had no background.

If such a person goes missing, at most a small local community can attract a little attention. Even the news of the city-level media may not be able to get on the news. It is also much safer for Qiao Feiyun.

However, if Stefanie really disappeared, the news would definitely detonate the whole world.

At that time, if he finds himself in the head, wouldn't it be a disaster?

Thinking of this, he hurriedly said: "Master Fei, let me tell the truth, you are twenty-seven years old this year, which is the age for marriage. If you really like this Stefanie, you can pursue her and find a way to marry her. what....."

Jamura said disdainfully: "How can it be as easy as you think to marry her? She has been claiming to be looking for her Prince Charming for so many years, and if he doesn't want to marry him, in this case, even if I pursue her, she It's impossible to promise me, instead of doing this, what am I going to do? Why don't I just tie her up."

Having said that, Jamura said again: "Besides, I don't plan to get married now. Getting married is too boring. After getting married, how can I be as free and unrestrained as now? I don't want to give up the entire forest for one tree."

Qiao Feiyun said hesitantly: "But...but...you still have to get married sooner or later..."

Jamura blurted out: "That's what's going to happen in the future, and I'll talk about what's going on in the future. By the way, isn't that island of yours being developed? Get her there when the time comes. She kills her, and when the time comes, the corpse will be pushed into the crematorium to be burned, and the ashes will be scattered into the sea, without knowing it, who can know that we did it?"

Qiao Feiyun's back has been repeatedly soaked in cold sweat, and his nerves are a little numb, and he doesn't know how to answer Jamura's words for a while.

At this time, Jamura also noticed that Qiao Feiyun's ink was slipping away, and his voice became cold immediately, and he asked: "I said Feiyun, what the hell do you mean by asking so much? You don't want to do it for me, do you?" If Mom doesn't do it, then I'll find someone else to do it! "

Qiao Feiyun still has an unknown enemy hidden in the dark. How dare he offend Jamura at this time. After all, Jamura is his life-saving straw at the critical moment.

So, he said quickly: "No, no, Master Fei, since you have spoken, I will definitely find a way to help you do it."

After speaking, he paused and said again: "It's just... I'm just afraid that Huaxia will not be able to start!"

Jamura blurted out: "There's no need to go to China, she'll be on tour in North America soon! Originally, she planned to go to Canada for a tour first, and then to the United States, but I heard that her agency's plan to temporarily change, first Started in the United States, and the first show is in New York! When that time comes, you only need to do it in New York!"

Qiao Feiyun hurriedly asked: "Master Fei, is the time for the New York tour set?"

"It's fixed." Jamura said with a smile, "There are ten days left!"

Having said that, Jamura added: "Stefanie will definitely not bring many bodyguards from China when he comes to the United States. The biggest possibility is to cooperate with a security company in the United States in advance, and the American security company will provide personnel, vehicles and other equipment. personal protection for her;"

"At that time, you should pay attention to it in advance to see which security company she is cooperating with, and then get the list of specific security personnel, choose the person who is most suitable as a breakthrough point, first pull him into the water, and then cooperate with the inside and outside to find a suitable one. It's time to tie Stefanie, as long as you don't leave any evidence, this will be done!"

Qiao Feiyun said embarrassedly: "Master Fei, it is very difficult to kidnap her from under the eyes of the entire security team. If you are not careful, you will fail..."

Jamura said with a smile: "It's difficult to show your value. In the past few years, I have helped you a lot in business. In the future, I will have a higher voice in the Fei family, and I will naturally be able to help you more. , Feiyun, now is the time for you to repay me!"
