

The Amazing Son In Law Chapter 4357 (The Charismatic Charlie Wade Chapter 4357)

Hearing Zuri's question, Stefanie sun asked curiously, "What? Is there anything special about this charity fund?"

"Of course there is." Zuri said with a smile: "This fund is dedicated to helping Chinese orphans in North America, to meet their daily needs, and at the same time to provide them with education, until they enter the society and have a stable income."

Hearing this, Stefanie sun's expression changed a bit, she nodded again and again, and muttered earnestly: "It turned out to be specially for orphans... That's really meaningful... You help me find out the time of my night. If it is convenient, I will attend."

Zuri pouted and deliberately teased her: "Look at you, just because your brother charlie is an orphan, so the charitable act of helping orphans is infinitely high in your eyes. Could it be that the charitable fund for helping the orphans and widows is in your eyes? Should I lower its head here?"

Stefanie sun blushed and hurriedly said, "That's not what I meant, don't talk nonsense!"

Zuri hummed: "I'm not talking nonsense, that's what you think."

Stefanie sun said in a panic: "Oh, I really didn't mean that... I am... I am..."

Zuri asked her with a smile, "What are you squatting, what are you saying, what are you?"

Stefanie sun hesitated for a long time, and then she turned her heart away, gave Zuri a blank look, and blurted out: "You are right, I just took a high look at the charity act of helping orphans, this is Aiwujiwu, what's the matter? Can't you? wade? Charlie used to be in the orphanage for so many years and suffered so much, I feel distressed when I think about it, I have no chance to go back to the past to make up for his childhood, but I can make up for the childhood of other orphans, and this is considered a gift for myself. An explanation, you bad woman, aren't you just forcing me to admit it? Can't I admit it?"

Zuri was amused by her serious appearance, which made him giggled, and quickly said: "Okay, you can admit it, although I can't empathize with you, but I can

understand it to a certain extent, that's why I said to let you first understand the purpose of this charitable fund, and then make a decision."

With that said, Zuri said again: "But Stefanie, you can't be so stupid all the time, you only know how to pay silently. You promised to participate in this charity dinner, not only to help the orphans, but also to let Charlie know. , you did all this because you like him and because you love!"

Stefanie sun awkwardly stroked the long hair between his temples and whispered, "That's not necessary... I don't want to ask Brother Charlie to take credit..."

Zuri slapped her thigh angrily and asked her, "Stefanie sun, do you still want to marry him?"

Stefanie sun was startled by her, and said subconsciously, "I think... Of course I want to..."

Zuri squeezed her thigh, gritted his teeth angrily, and said, "If you really want to marry him, from today onwards, stop being a big idiot who only pays silently behind the scenes! From today on, you Everything you do for him, you must let him know, otherwise you are doing nothing!"

Speaking, Zuri stared at her and asked her, "Do you know what useless work is?"

Stefanie sun was shocked by her aura, and stammered, "I know... I know..."

Zuri questioned her like a teacher asking a poor student, "Come on, tell me, how do you understand the three words useless effort?"

Stefanie sun muttered: "How else can I understand it... Isn't it just physically invalid work? That is to say, work can't get the desired transformation..."

Zuri waved his hand: "I'm a liberal arts student, don't fix me up with doing physics work, I'll explain to you what is useless work in an easy-to-understand way!"

The Amazing Son In Law Chapter 4358 (The Charismatic Charlie Wade Chapter 4358)

Saying that, she sat up straight and said to Stefanie sun very seriously: "What I said is useless, that is, standing alone on the top of Mount Everest, if you stand at the foot of the mountain and shout at him, you will be called mute and shouted. Seventy and eighty, he still can't hear what you say."

"In exchange for you, it means that your brother charlie has not made up his mind to marry you now, and you have been doing useless work here. After those three years, his thoughts must still be exactly the same as now! He still has not made up his mind to marry you. , what will you do then? Wait for him for three more years, and do three years of useless work?"

Hearing this, Stefanie sun's face instantly turned pale as paper.

She naturally understood the meaning of Zuri's words.

Moreover, she instantly realized that what Zuri said was correct.

Thinking of this, she humbly asked Zuri, teach me, how should I change the status quo of doing useless work now?"

Zuri immediately said: "Look at those green tea bitches on the Internet, why are people scolded for green tea, because they not only do not do useless work, but also convert a lot of work that they did not do into the results they want. Maybe she There just happens to be something in her hand that she doesn't like and is about to throw away, but once she finds out that you like it, she will tell you how much she likes it, how important it is to her, and if it is given to you, she has it. What a shame."

Speaking, Zuri said again: "Of course, I'm not persuading you to be such a woman, but at least you have to let charlie know what you really paid for him."

"Take this charity dinner as an example. As soon as you heard my introduction, saying that it was a charity fund to help orphans, you immediately decided to go. This is too stupid. I tell you, this matter, you go or don't go, only A premise, do you know what it is?"

Stefanie sun shook her head blankly.

Zuri sighed and said angrily: "You are stupid! The only premise is that if charlie goes, you will go! If charlie doesn't go, you won't go! Part of what you do is for charity. , part of it is for charlie, if it's just for charity, as you said before, donating one million US dollars is already very refreshing and generous, why should I go there myself? Unless charlie is willing to accompany you! "

"Ah?!" Stefanie sun asked in surprise, "Let Brother charlie accompany me?!"

"Yes!" Zuri said firmly: "The charity dinner is in New York, isn't he in Providence? It's so close to you, it's only three hours' drive away, why can't I accompany you to this event? A charity dinner? In this way, it will not only satisfy your love , but also let charlie know your intentions, and create an opportunity for the two of you to get in touch with one another. And it still works efficiently! Super efficient work!"

Speaking of this, Zuri patted his chest and sighed: "Zuri, Zuri, you are really a genius!"

Stefanie sun's eyes lit up when he heard it, and said excitedly: "Oh, Duoduo, you are so right! If you don't say anything else, at least Brother charlie can go to New York to meet me! It's perfect!"

After that, she looked at Zuri and said with emotion, "Zuri, you are really my female Zhuge! Come on, let me give you a kiss, I would like to dedicate my first kiss to you!"

While dodging, Zuri pretended to be disgusted and said, "Come on, didn't you dedicate your first kiss to your brother charlie?"

Stefanie sun said shyly, "I kissed brother charlie's face, doesn't it count?"

Zuri pouted: "You know, kissing the face is also useless, don't kiss the face next time, just kiss the mouth directly!"

Stefanie sun, who was inspired by Zuri, returned to her single lounge with her mobile phone.

As soon as she entered the lounge, she immediately sent a voice call to charlie.

At this time, charlie was lying on the lazy sofa in the hotel and was bored.

Claire went to class, and he was alone in the hotel doing nothing, panicking out of boredom.

Abbas's people have arrived in New York one after another, but they still haven't found any clues related to Qiao Feiyun. After this kid arrived in New York, it was as if he had used an escape technique, and disappeared without a trace in an instant, even a little smell. None were left.

Seeing that Stefanie sun sent a voice to herself, charlie immediately pressed the connection.

Stefanie sun's sweet voice immediately came over the phone: "Brother charlie, are you busy?"

"No..." charlie stretched and smiled, "I'm being lazy, what's wrong? Is there something wrong?"

Stefanie sun said in a coquettish tone: "Brother charlie like this, I'm not going to the United States soon, the Chinese Chamber of Commerce in New York happened to have a charity dinner and wanted to invite me to attend..."

"Charity dinner..." charlie didn't think much about it, and said with a smile, "If you have time, go there, but if you don't have time or are too tired, you can find a reason to decline."

Stefanie sun hurriedly said: "Actually, I really want to go, because the theme of this charity dinner is very meaningful. It was established for Chinese orphans in North America."

"Oh..." charlie smiled and said, "It sounds quite meaningful, but you should also combine your actual situation and don't put too much burden on yourself."

Stefanie sun's voice suddenly became a little quieter, and she said shyly: "Brother charlie... I actually wanted to ask you if I called you, do you have time to accompany me on the 11th... Anyway, you are away from New York. Not far."

When charlie heard Stefanie sun's request, his first thought was to decline.

After all, Stefanie sun is a big star, and the charity dinner is a public occasion. If she accompanies her to attend, it will inevitably lead to media reports and speculation, and may cause unnecessary trouble.

Stefanie sun also seemed to have guessed what charlie was worried about, so she hurriedly said, "Brother charlie, if you are worried about media exposure, I can tell the organizers and ask them not to invite any media to the scene."

Charlie was still hesitating, Stefanie sun said coquettishly: "Brother charlie, just accompany me, if you are worried that the time is too long, I can let someone arrange a helicopter for you to fly from you to New York. , one hour is enough, the round trip is only two hours, plus attending the charity dinner, you only need to spare 4 hours for me in total, it won't delay your business, okay..."

At this time, charlie's heart was a little loose. At this time, he suddenly thought of the missing Qiao Feiyun in New York, and he couldn't help but worry about Stefanie sun's safety. After thinking about it, he said: "Okay, then I'll accompany you when the time comes."

When Stefanie sun heard this, she immediately cheered happily: "That's great! Thank you, Brother charlie! I love you!"

charlie said helplessly: "It's just such a little thing, you still need to thank me."

After speaking, Charlie said again: "By the way, Stefanie, you can help me find out if there is anyone in this Chinese Chamber of Commerce who is very familiar with the An family. some trouble."

Stefanie Sun hurriedly said, "Then I'll ask now!"

Soon, Stefanie Sun got a clear reply from his father's old friend.

In view of An Jia's influence throughout North America, if there were people in the association who were really familiar with An Jia, then everyone would have offered him up like a star holding the moon.

After all, the strength of the two sides is too far apart.

It is more difficult to find an acquaintance in the New York Chinese Chamber of Commerce than to find a Messi in the national football team.

After hearing this news, Charlie didn't have any worries.

However, not being able to find Qiao Feiyun still made his heart uneasy.

So, he specifically called Abbas and asked him to send someone to secretly protect Stefanie Sun's safety after Stefanie Sun arrived in New York.

...

the other side.

After Stefanie Sun made sure that Charlie was willing to accompany her to the charity dinner, she immediately reported the news to the other party.

After receiving the news, Lu Sinian, the president of the Chinese Chamber of Commerce, was so excited that he immediately informed Jamura of the good news.

Jamura was naturally extremely excited.

He really did not expect that the bait designed by Qiao Feiyun was so effective that he easily tricked Stefanie Sun, the number one Chinese female singer.

He asked Qiao Feiyun to call him to the study, and the first sentence he met was to say excitedly: "Feiyun! You are so f*cking amazing! The big fish really took the bait so easily!"

Qiao Feiyun was stunned for a moment, and then asked urgently: "Master Fei, has Stefanie sun agreed to participate in the charity dinner?"

"Yes!" Jamura said excitedly, "After I told Lu Sinian of the Chinese Chamber of Commerce about the rhetoric you designed, Lu Sinian asked someone to ask her, and she quickly agreed."

Qiao Feiyun smiled and said: "Oh, this is really good! In this way, we have more than a week to design and design how to deal with Stefanie sun!"

Jamura looked at Qiao Feiyun, and said with admiration: "Feiyun, your brain is amazing, I thought it might be very difficult, and even a street shootout might be staged in the end, but I didn't expect it to be like this. It's easy to solve! You boy, you are born to do bad things!"

Qiao Feiyun smiled and said modestly: "Master Fei, this is thanks to your inspiration. If it weren't for you, I would have dared to think about Stefanie sun like this..."

Jamura said with a smile, "That's how many things happen. Sometimes it's not necessarily you who takes you to the next level, but a more demanding client."

Qiao Feiyun nodded and bowed: "Yes, Master Fei, you are the most demanding customer and gave me the most impossible task, but I will definitely do my best to help you win Stefanie sun smoothly!"

"Okay!" Jamura nodded and said with a smile, "From the beginning of these two days, you should study the overall layout of the Wangfu Hotel and see how to start with the highest success rate!"

"No problem!" Qiao Feiyun said, "Young Master Fei, please come back and show me the design of the Wangfu Hotel, and I will study it carefully!"

Jamura said without hesitation, "I'll call someone to prepare it right away. Do you need anything else?"

Qiao Feiyun thought for a while and said, "Let Stefanie sun mysteriously disappear in the Wangfu Hotel, this kind of thing is still the best at Japanese ninjas, and if Japanese ninjas make a move, they can completely deflect the direction of outsiders' speculation, and there is nothing to gain. Harm, so Master Fei, you should call the ninjas to New York as soon as possible, and I will contact them with the details of the operation!"
