

The Amazing Son In Law Chapter 4397 (The Charismatic Charlie Wade Chapter 4397)

Just when Lu Sinian, the president of the New York Chinese Chamber of Commerce, had just finished his speech and was about to give up the podium to Jamura, there was a sudden riot at the scene.

The Fei family's subordinates and the hotel staff were attracted by Charlie's shouting, and then they saw a scene that made them collapse.

Six of Stefanie Sun's bodyguards died on the spot, and Rio, assistant to his young master Jamura, also died tragically on the spot.

In addition, the whereabouts of his young master Jamura are unknown.

Jamura's bodyguards were so frightened that they couldn't sit on the spot. How could they have imagined that their young master had disappeared in their hotel.

Among them, there is a middle-aged man named Latif. He is the nephew of Jay, the bodyguard of Jian's bodyguard, and a martial arts master who is specially responsible for protecting Jamura's safety.

However, since he personally protected Jamura, Jamura has never regarded him as his own, so he is often taken away by Jamura for various reasons, and even Jamura often changes the activity plan without authorization and throws him away.

Over time, Latif was also somewhat dissatisfied with Jamura, and he even mentioned it to his uncle Jay, asking him to find a brother of the same generation from his division to replace him.

Although Jay agreed to his request, he also repeatedly told him to be patient for the time being and wait until Jay returned from China.

In today's charity dinner, Latif wanted to protect Jamura, but he didn't expect that Jamura would let him be on duty in the banquet hall, and he was not allowed to leave the banquet hall for half a step. , he will not leave the banquet hall rashly.

Latif, who rushed to the door of the lounge, saw the seven corpses on the scene, and his heart skipped a beat. He recognized the shuriken on the seven corpses at a glance. This was the ninja's exclusive hidden weapon!

So, he immediately asked, "Who discovered it first?!"

charlie, who was standing at the door frame, said, "It's me!"

Latif glanced at charlie and blurted out, "Come on! What the hell is going on?!"

Seeing that his attitude was so tough, charlie took a step back and asked angrily: "You still have the face to ask me what's going on? I also want to ask you what's going on! What the hell are you doing?! Invite sun to participate. At your charity dinner, all six of our bodyguards were killed! How did you do the security work! If you don't give us a reasonable explanation for this matter, we will never let it go!"

Latif and the other bodyguards were speechless when they heard this.

Only then did they realize that it was all their own mistakes, and that the six Stefanie sun and the others were also lost because of their mistakes.

This made Latif even more frightened.

My mission is to protect Jamura's safety, but, when such a big thing happened under my nose, this responsibility is too great!

Seeing that these bodyguards seemed undecided, charlie immediately said, "It's a big deal, I think it's better to call 911!"

After speaking, he immediately turned around and said to Zuri, "miss Zuri, please call the police."

Zuri nodded and quickly took out his phone.

Latif said quickly, "Don't worry, sir, please allow me to report this matter to our master and eldest young master."

charlie said angrily: "We have killed six people, and only one of you died. Don't worry if you dare! Who should you report to, but this matter, we must report it to the police!"

After speaking, charlie said again: "In order to ensure sun's safety, from now on, I will close this door, when will the police come and when will it be opened!"

As soon as the words fell, charlie slammed the door shut.

At this time, the bodyguards left outside by the security company Stefanie sun cooperated with also rushed in. When they saw the death of the six companions, they were all very excited and asked the hotel to give an explanation.

The Amazing Son In Law Chapter 4398 (The Charismatic Charlie Wade Chapter 4398)

The person in charge of the hotel came to hear the news. Although he was scared to death himself, he still tried to calm the bodyguards. After all, once this kind of thing got to the police, it would be a scandal of the Fei family. Dare but this responsibility.

However, these Americans didn't know how to be flexible, and when they saw someone was dead, they immediately called 911.

Seeing that the situation was completely out of control, the person in charge of the hotel quickly withdrew from the crowd and immediately contacted Jamura's father, yogi.

yogi was hosting a few business partners at a top restaurant in Manhattan at this time. He heard that his son was missing, and he was still in his hotel. Arrive fast by helicopter.

The NYPD, that is, the New York Police Department, quickly dispatched a large number of police forces after learning of the shooting killing of seven people in the Wangfu Hotel. At the same time, it also sent a high-ranking detective to take a police helicopter to lead the way. survey.

A few minutes later, yogi couldn't hide his panic and rushed over. The person in charge of the hotel and a group of staff rushed to greet him, and said ashamedly: "Eldest young master, this subordinate is not doing well, please punish..."

yogi had a dark face, raised his hand and slapped the person in charge, and scolded in an extremely gloomy tone: "Speak! What the hell is going on!"

The person in charge of the hotel almost collapsed, crying and said: "Eldest young master, I don't know the specific situation right now, I only know that the young master Haoyang is missing, his assistant and the bodyguards of the six security companies have been killed, and the murderer has disappeared..."

yogi slapped him in the face again, turned to look at Latif, went up to slap him, and said angrily: "The surnamed Qin, our Fei family gives you so much money every year. Funding, let you protect my son's safety, you can't protect it well, what the hell are you doing?!"

Latif is also a four-star martial artist anyway, and he was naturally very angry when he was slapped in the face like this.

But he also knew very well that even if yogi didn't have any cultivation, he could only be next to him when he hit himself.

So, he looked at a middle-aged man next to yogi, who was yogi's bodyguard, jay's junior brother, Latif's uncle Zhang Chuan.

Zhang Chuan's expression was also a little helpless at this time. He knew what Jamura was like, and he, his nephew, followed him, and he was indeed played a lot.

The point is, even if you know you're being tricked, you don't have any way to deal with it.

At this time, Latif said aggrievedly: "Mr. Fei, to tell you the truth, ever since I was sent by my teacher to protect Young Master Fei, Young Master Fei has always been very wary of me. I follow, and often even leave me alone to act alone, and there is no way I can protect him personally!"

As he said that, Latif said in a somewhat complaining tone: "A half month ago, he told me to go to Los Angeles for a vacation, and arranged for two helicopters to take off from home to JFK Airport. At that time, he asked me to sit in another The helicopter took off first. As a result, after his helicopter took off, it suddenly changed direction halfway and went to LaGuardia Airport. I found that his plane was yawing and immediately turned the pilot around, but the pilot didn't listen to me at all. , took me directly to JFK Airport, and by the time I took a taxi to LaGuardia Airport, his plane had already taken off..."

"Take today as an example, he made a three-chapter agreement with me on the way here, so that I must not leave the banquet hall without his orders, otherwise I will complain to my uncle, what can I do?"

Seeing that Latif's mentality was a little broken, Zhang Chuan quickly said: now is not the time to complain, hurry up and tell me if you found anything at the scene?!"

Latif adjusted his mentality and said, "The seven deceased have traces of being hit by hidden weapons, and they seem to be Japanese ninja shuriken."

yogi frowned and asked coldly, "What did you say? Japanese ninja?!"

The Amazing Son In Law Chapter 4399 (The Charismatic Charlie Wade Chapter 4399)

When he heard the words Japanese ninja, yogi's first thought was impossible.

He had let people under his command deal with Japanese ninjas before. In his opinion, Japanese ninjas would never dare to oppose the Fei family, and how could it be possible to kidnap his son yogi.

So, he looked at Qin Luodong and asked coldly, "Are you sure you are a Japanese ninja?"

"Sure!" Qin Luodong said without hesitation: "The shuriken is a hidden weapon that only the Japanese still use. This kind of poison that seals the throat with blood is also their secret."

yogi said coldly: "Don't China have such hidden weapons used for throwing and poison that seals the throat with blood?"

Qin Luodong hurriedly said: "Back to the eldest young master, Huaxia has it, but it was there before. In the martial arts of the year, there were indeed these things, but after the failure of the Boxer Rebellion, the so-called martial arts basically ceased to exist, and the rest There is only martial arts, so this kind of despicable means of hurting people with secret arrows will not be seen in China."

Speaking of this, Qin Luodong said again: "Actually, after the 20th century, there has been a wave of 'removing cold weapons' all over the world. Only Japanese ninjas have survived, so this kind of thing is now only them. still in use."

yogi looked very angry, gritted his teeth and instructed his assistant: "You immediately notify the family, send all the people who can be sent out, be sure to find those ninjas for me, and give me Jamura intact. Bring it back!"

After speaking, he added: "By the way, notify all gangs and organizations in New York, who can provide valuable clues, and the reward varies from 10 million to 50 million dollars depending on the clue; if anyone can save my son. , reward 100 million US dollars! If anyone can save Jamura and catch those ninjas for me, I will reward him with 200 million US dollars!"

The assistant said without hesitation: "Okay, young master, I'll do it now!"

yogi looked at his bodyguard Zhang Chuan again and said, "Mr. Zhang, please you and your apprentice brother, and also help me check it out to see if you can save Jamura."

Zhang Chuan nodded, but asked worriedly: "Eldest young master, your safety cannot be guaranteed here, why don't I take you home first!"

"No." yogi shook his head and said coldly, "I'm not going anywhere!"

After speaking, he turned to glare at the person in charge of the hotel, and blurted out, "How did you do the security work?! How did you let Japanese ninjas get in?!"

The person in charge of the hotel choked and said: "Master, this time the security work is fully taken over and fully responsible by the subordinates of Master Jamura. Master Jamura... does not allow me to intervene..."

"What do you mean?" yogi frowned and asked, "Jamura won't let you interfere?!"

"Yeah..." The person in charge of the hotel said aggrievedly: "Master Jamura said that there are important guests at this charity dinner, which is no trivial matter, so he asked Rio to be fully responsible for the overall planning and security, and the specific arrangements and process did not let me ask..."

yogi suddenly fell into contemplation.

So, he looked at the lounge with the door closed and asked, "Is the important guest that Jamura said here?"

The person in charge of the hotel hurriedly said: "Back to the eldest young master, the important guest inside is Miss Stefanie sun, a popular Chinese singer."

"Stefanie sun?" yogi frowned and said, "If I remember correctly, it should be the only daughter of the Huaxia sun family?"

"Yes..." The person in charge of the hotel nodded and said, "It is indeed the daughter of the sun family."

The Amazing Son In Law Chapter 4400 (The Charismatic Charlie Wade Chapter 4400)

yogi didn't know why his son held such a charity dinner, but when he heard Stefanie sun's name, he probably had an answer in his heart.

He thought that his son should take the opportunity to pursue this female star surnamed sun, so he would come up with such an abnormal operation, but he did not expect that the Japanese ninja would seize the opportunity.

At this moment, he couldn't help but wonder if Stefanie sun had anything to do with this matter, or whether she was behind all this.

So, he said to the person in charge of the hotel, "Let that Miss sun open the door, I have something to ask her!"

The person in charge of the hotel hurriedly said: "Go back to the young master, the people around Miss sun just said that when the police came, when will the door be opened."

"How unreasonable!" yogi said angrily and furiously: "Don't she know that this is my Fei family's territory?!"

After that, he stepped forward, kicked the door of the VIP lounge, and blurted out, "Open the door!"

charlie opened his mouth and said, "We only talk to the police, nothing to do with others and stay away! As for those unqualified guys, the farther away the better!"

yogi was immediately furious.

The disappearance of his son has already made him angry and anxious. He never thought that an unknown guy would dare to mock him inside the door, and immediately cursed angrily: "How dare you talk to me like that, do you know who I am?"

charlie said disdainfully: "I don't know who you are, and I don't want to know who you are, if you can understand people, please stay away from us, we only communicate with the police, and others can't even be the president. "

yogi was trembling with anger, he could get 200% respect no matter where he was, but he didn't expect to be ignored by an unknown guy. Honestly tell me everything you know, no need to wait for the bullshit cops! What the hell are the New York cops on my Fei's property?!"

As soon as he finished speaking, a middle-aged man said in a bad tone: "Master Fei, we New York police officers should not offend you on weekdays, right?"

yogi turned around subconsciously, and saw a middle-aged Chinese in a suit walking over with a dozen police officers.

As soon as yogi saw him, he said with an ugly expression: "Oh, it turns out to be Chief Li Da. Sheriff Li is really a detective, but his nose is smart enough to find him so quickly."

The one called Li Da Sheriff is Li Yalin, a very famous Chinese Sheriff in New York.

Li Yalin is very famous in New York. He is not only the largest sub-chief of the New York Police Department, but also the detective with the highest detection rate in New York.

However, yogi and Li Yalin have not been very good at dealing with each other. This is mainly because the Fei family has always wanted to cooperate with Li Yalin and engage in collusion between officials and businessmen, so as to facilitate their actions in the future.

But Li Yalin has never given the Fei family face. Li Yalin, no matter whether you are the Hilton family, the Fei family, or the An family, in front of him, you must not become a stumbling block to obstruct justice.

Although the Fei family is very strong, they live in New York after all, so it is inevitable to deal with the police in New York. Li Yalin is the one that gives them the most headaches.

At this time, Li Yalin walked up to yogi and said lightly, "Master Fei, we came to investigate after we received a report that there was a serious homicide here."

After that, he pointed to the seven corpses on the ground, looked around for a week, and asked, "Can anyone explain to me what is going on? When did people die, when did they die, and who was the first witness? By?"

charlie opened the door at this time and said, "I called the police. The person died about ten minutes ago. I heard the movement outside, and the person who opened the door was already dead."

At this time, yogi stared at charlie, and his heart was very angry. He heard charlie's voice. It was this kid who was fighting with him across the door just now!
