

The Amazing Son In Law Chapter 4411 (The Charismatic Charlie Wade Chapter 4411)

In the last second, Arman also felt that charlie let those ninjas kidnap Jamura, which would put him in a situation like walking on thin ice, but this second, he realized that in charlie's eyes, the Fei family is not at all. What a behemoth.

On the contrary, in his eyes, the Fei family is a dish.

When to move chopsticks depends entirely on charlie's mood.

Whether it is yogi or Zaki, there is no advantage in front of charlie.

On the one hand, charlie has the Wanlong Palace in his hand, and he really wants to face the Fei family with gongs and drums, but the Fei family is not an opponent at all;

on the other hand, charlie also has Jian, the emperor of the Fei family, in his hand.

If charlie really sent Jian back to the United States, and then used the strength of Wanlong Palace to protect Jian's safety, then Zaki, the head of the family, would have to be relinquished.

Otherwise, once everyone in the United States knew that Zaki took the opportunity to seize the power of his biological father, and ordered his biological father to die, he would not be allowed to return to the United States, and he would become a street rat that everyone shouted and beaten.

Even, it is very likely to be subject to judicial investigation.

Therefore, no matter how capable Zaki and yogi are, as long as Charlie plays this trump card, for their father and son, it will be a king bomb.

Under this situation, even if charlie killed Jamura in front of the two men, their father and son would not dare to fart loudly.

So Arman asked charlie, "Master wade, what are you going to do next?"

charlie said coldly, "When that Qiao Feiyun emerges, get him and Jamura together and take them both together. Kill the scum and kill the people!"

Arman asked again: "Then are you going to expose their despicable deeds?"

“Of course!” charlie said, “The reason why I didn’t kill Jamura directly is to Dig up everything he and Qiao Feiyun did, and then expose them all, it would be great if they could wipe out their group.”

Arman nodded, suddenly had a plan in his heart, and said, “Master wade, if you want to make this matter bigger, I have a solution.”

charlie was overjoyed and asked for advice humbly. : “Uncle Arman, what can you do?”

...

New York tonight is destined to not be peaceful.

Hattori Kazuo took seven Iga ninjas, drove a garbage truck, and took Jamura, who was unconscious, out of New York City all the way. He had contacted Abbas in advance and was following Abbas’s instructions. sent to the designated location.

After more than an hour’s drive, Kazuo Hattori drove the car directly to an abandoned gas station in the suburbs.

As soon as the car stopped, more than 20 people rushed out of the darkness and surrounded the garbage truck.

Abbas went out in person, walked outside the cab, and said to Kazuo Hattori: “Don’t turn off the car, everyone gets off!”

Kazuo Hattori recognized Abbas at a glance, and quickly opened the car door and walked out, saying nervously: “Hello Mr. abbas... I... I was ordered by Master wade to send Jamura to see you...”

At this time, the co-pilot also walked down an Iga ninja, and the other six Ninjas also came out of the compartment of the garbage truck one after another.

When Jamura was dragged out of the carriage, he was still in a coma.

Abbas looked at Kazuo Hattori and said, “You guys, come with my people.”

Kazuo Hattori didn’t dare to make trouble, and quickly said: “Okay, Mr. abbas, we will listen to you!”

Abbas rushed He waved his hand, and a dozen people came up immediately. First, Jamura was picked up and put into a business car. Then eight other people, including a man Hattori, were brought into different cars.

Afterwards, many cars drove away from the gas station and headed in different directions.

Abbas said to the two remaining subordinates: "You drive away this garbage truck and dispose of it."

One of the yellow-haired Caucasian subordinates nodded and said, "Don't worry, Hall Master, I have already found a car recycling station. After an hour, I will be able to dismantle the car and dismantle its parts and dozens of other parts. The car is crushed into dozens of discs together, and no one will find its whereabouts."

"Okay!" Abbas nodded in satisfaction and said, "Then you two hurry up and go back to the city after you get it done. See me."

"As ordered!"

At

the same time, both the police and the Fei family got clues about the garbage truck.

Although they were persuaded to leave no video surveillance footage in the hotel, the municipal surveillance outside was beyond their control.

Therefore, as long as it is a person or car coming out of the hotel, it will definitely appear in the video of the surrounding municipal surveillance.

And the garbage truck was caught by the police and the Fei family at the same time.

As a result, both sides began to track down the trail of the garbage truck.

In addition to the police and the Fei family, all gang members, professional killers, and private detectives in New York were also dispatched for the bounty.

However, no one expected that Abbas would rent a super-luxury villa in Long Beach, New York, with a single-day rent of up to 80,000 US dollars!

This luxury villa is one of the top luxury houses rented out in Long Beach. It is usually rented to foreign rich people for vacations in New York, or rented to the crew for filming. However, after receiving the order from Charlie, Abbas directly fabricated it. A film crew from Hong Kong Island rented the villa and lied that it was planning to shoot a biographical film about a Chinese billionaire who ventured into New York.

Moreover, the most unexpected thing is that the mansion rented by Abbas is less than 500 meters away from the Fei family's manor.

Therefore, Abbas's men, after going around New York City, brought eight ninjas, including Kazuo Hattori, and Jamura, who was unconscious, to the villa.

No one expected that Jamura, who all New York was looking for, was lying in a neighbor's house less than 500 meters away from his own house.

Abbas's men brought the eight ninjas and Jamura directly into the basement of the villa.

At the same time, a large amount of film equipment leased by Abbas was also transported to the scene overnight.

And Abbas even asked his subordinates to move all the rented lighting and photography equipment into the yard, and even built them in the entrance hall and yard. The whole villa was in full swing. Those who didn't know it really thought that the crew was going to be there. Filming here.

At this time, Abbas called Charlie, reported the progress to Charlie, and asked him for his next instructions.

Charlie accepted Arman's proposal and conveyed the next order to Abbas.

Abbas hung up the phone and immediately stepped into the basement where the eight ninjas and Jamura were being held.

At this moment, the eight ninjas were sitting in the corner like defeated roosters, while Jamura was left unconscious on the floor.

As soon as Abbas came down, the eight ninjas quickly stood up and looked at him respectfully.

Abbas ignored them, but pointed to Jamura on the ground, and said to his subordinates, "Wake him up!" The

subordinates immediately brought a basin of cold water and poured it all over Jamura with a slam.

Jamura, who was in a coma, suddenly jolted and sat up screaming.

As his vision slowly recovered, he panicked and asked loudly, "What do you want to do?! Do you know who I am?!"

Abbas glanced at him, took out a dagger from his waist, and then put the dagger in front of Kazuo Hattori, he said coldly, "Go, cut off his ears!"

When Hattori Kazuo heard this, the whole person shivered with fright.

He really didn't expect that as soon as Abbas opened his mouth, he would actually let himself cut off both of Jamura's ears.

Jamura was also frightened.

He is the eldest young master of the Fei family, and there is absolutely no one who dares to provoke him in New York, but he never imagined that the guy in front of him would be so vicious, he would cut off his own ears as soon as he opened his mouth, and there were only two!

The panic-stricken Jamura shouted: "Do you know who I am? I am Jamura, the young master of the Fei family! How strong is the Fei family, I don't need to tell you more! If you dare to touch me A single hair, my father and my grandfather will definitely kill you!"

Abbas looked at Jamura and said lightly, "I tell you, my name is Abbas, the master of Wanlong Hall, don't say You are a mere grandson of the Fei family, even if it is your father or your grandfather, as long as Mr. Wade says a word, I will kill it! I will blink!" When

Jamura heard this, his whole body instantly felt a whirlwind.

"Abbas?! You...you are Abbas?!" Jamura was extremely frightened and blurted out, "Mr. Abbas...we have no grievances with you in the Fei family, and I have always admired you. Why do you want to attack me?!" After

speaking, he asked nervously, "Who is Mr. Wade? I have never offended anyone with the surname wade!"

Abbas looked at the time and sneered. Said: "You will know soon."

After speaking, he looked at Kazuo Hattori again, pointed to the dagger on the ground, and said coldly: "Kazuo Hattori, the order was given by Mr. Wade, I just conveyed it for Mr. Wade, Mr. Wade will come over soon, you'd better get things done before he comes, otherwise, I will cut your ears together!"

Kazuo Hattori heard this, his face paled with fright, and hurriedly said: "I'll cut it! I'll cut it!"

Hattori Kazuo is now very clear that no one can provoke charlie.

It's the same sentence, Iga Ninja may be exterminated if it provokes the Fei family, but if Charlie is provoked, Iga Ninja will definitely be exterminated!

So, he didn't dare to delay, picked up the dagger quickly, and walked towards Jamura.

When Jamura heard Abbas say the name of a man in the service department, he suddenly realized that this man was the Japanese ninja that Qiao Feiyun had brought to kidnap Stefanie sun.

But he couldn't understand why Qiao Feiyun found the person who kidnapped Stefanie sun, why did he suddenly turn against the tide and kidnap him? !

Angrily, he stared at Hattori Kazuo and scolded: "You Japanese ninjas are too un reputable! Not only did you not do anything after receiving the money, but you even turned around and kidnapped your employer! Believe it or not, my Fei family has destroyed your whole family!"

Hattori Kazuo also went ahead and slapped Jamura in the face, gritted his teeth and said, "You bastards let us kidnap Mr. Wade's woman, this is just f*cking pushing our Iga ninjas into the fire pit. Fortunately, I didn't make a big mistake, otherwise the whole Iga ninja will disappear from this earth! I can't understand the hatred in my heart even if I kill you!"

Hattori Kazuo was right.

He now hates this Jamura madly.

If it weren't for him, how could he have come to the United States to go through this muddy water? Although a dog's life is temporarily saved, the ghost knows how Charlie will punish himself next?

Thinking of this, he stepped forward angrily, and regardless of Jamura's struggles, he grabbed his hair and spun the dagger from side to side twice at an extremely fast speed. Then, he heard Jamura's howling like a pig !

"Ah!!! My ears!!!" On

the ground, the two bloody ears were very conspicuous, while Jamura desperately covered his ears, moaning incessantly. .

At this time, Abbas winked at his subordinate and said, "Let him treat the wound." His subordinate

nodded, immediately took out a bottle of golden sore medicine for hemostasis, stepped forward and sprinkled the powder on his wounds on both sides.

Abbas said to Kazuo Hattori again: "You pick up the things on the ground and go to the bathroom to wash them, I'm still useful."

Kazuo Hattori didn't dare to refuse, he hurriedly bent over to pick up both ears, and walked to the next bathroom, Wash with water.

At this time, a helicopter landed in the courtyard of the villa.

charlie got off the plane alone, and then a soldier from Wanlong Palace stepped forward and said respectfully, "Mr. Wade, the master of the palace is in the basement, please come with me."

charlie nodded, under the leadership of the soldiers Down, came to the basement of the villa.

Pushing the door and entering, Abbas was standing in the center of the room, while Jamura had already had both ears cut off, wailing in pain and trembling all over.

When Abbas saw charlie coming, he immediately said respectfully, "Mr. Wade!"

charlie nodded, looked at Jamura, and sneered: "Master Fei, we meet again."

Jamura saw charlie, at this moment, he ignored the severe pain coming from his ear, and said in horror: "You... you are that Feng Shui master?!"

charlie smiled and said, "What? Are you surprised to see me? ?"

Jamura didn't have enough brains, so he blurted out, "Who are you?! Why did Wanlong Temple tie me here?! Why did they cut off my ears?! Why?!"

charlie said indifferently: "Why are there so many reasons? It doesn't look good to you, can you?"

Jamura roared in anger: "I have no grievances and no grudges against you! What the hell do you mean by doing this? Aren't you afraid that my Fei family will take revenge on you?!"

charlie looked at him, his eyes gradually cold, and asked sharply: "So many innocent girls who died in your hands, what kind of hatred do you have with you? Why do you want to? I've been embarrassed by Qiao Feiyun, hunting them and killing them with no conscience?!"

Having said this, charlie raised his voice a bit, and shouted angrily: "You bastard with no eyes, you even put your mind on Stefanie sun's head, do you know that

Stefanie sun ordered a marriage with me when he was three years old ?! Ground breaking on head, what the f*ck do you think is long?!"

Jamura was instantly struck by lightning, his eyes widened, and he couldn't say a word.

He never dreamed that something he had hidden so deeply would be discovered by the Feng Shui Mr. Wade in front of him...

He subconsciously said, "I don't even know what you're talking about! I, Jamura, never did it. I didn't have any bad intentions towards miss sun !"

charlie said disdainfully: "Jamura, do you still think I'm a court? You deny that I won't cure you? Since I brought you here, I won't listen to any of your explanations!"

Speaking of which, charlie said coldly: "Jamura, I can tell you bluntly, you have planted me, charlie, this time. In hand, you are fu*king dead!"
