

## The Amazing Son In Law Chapter 4421 ( The Charismatic Charlie Wade Chapter 4421 )

The woman was so frightened that she was pointed at by so many people with guns, so she hurriedly took out a crumpled box of condoms from the worn-out shoulder bag she was carrying.

yogi saw the picture of the condom on the box at a glance, and his face turned black to the extreme. He thought it was just a prank, so he cursed coldly: "This is what that bastard asked you to give me?"

"Yeah..." The woman said hurriedly: "He... He also asked me to tell you something..."

yogi shouted angrily: "Speak! If you hesitate again, I will kill you!" The

woman was frightened. His whole body trembled, and he quickly said: "He said... I'm sorry Mr. Fei, I was in a hurry... I couldn't... I couldn't find a decent container, so I could only make do with this box... Although the packaging was poor, But what's inside is still very precious..."

yogi reached out and grabbed the condom box, but when he thought that the woman had AIDS, he immediately put his hand back, pointed at the woman and shouted: "You, take the box Throw it to the ground!"

The woman could only do as she was told and threw the box on the ground.

yogi took out a handkerchief from his pocket, wrapped his right hand with it, and pinched the box cautiously.

Afterwards, he was in a dilemma, because he didn't dare to open the box with his left hand. Although he also received higher education and knew that AIDS would not be transmitted through this level of contact, he still couldn't resist the fear in his heart.

Fortunately, one of his subordinates was more discerning, and immediately handed him a black glove.

yogi breathed a sigh of relief, stretched out his left hand, and asked his subordinate to put the black glove on his hand, and then opened the lid of the condom box.

Because the ambient light was dark, he couldn't see what was in the box at once. He shook it lightly, only to feel that the contents were neither heavy nor hard, but he couldn't tell what kind of thing it was. .

So, he turned the box upside down with his right hand, blocked the mouth of the box with his left hand, and poured out the contents.

As the two things poured into his palm, yogi took a closer look, and the whole person roared in fright, his hand also slammed like an electric shock, and the two bloody ears were thrown out by him directly.

Several street girls had long been curious about what was inside, but when they saw that it was actually two bloody human ears, they suddenly screamed in fright.

The bodyguards were also stunned, never dreaming that the box contained human ears!

yogi was so frightened that I regained my senses. Then he suddenly thought of something, and hurriedly chased after him to check. It didn't matter, he immediately recognized that these ears belonged to his son Jamura!

His heart seemed to be hit by a heavy hammer in an instant, and he was speechless in pain.

Immediately afterwards, he picked up those two ears and cried loudly: "Jamura...my good son...It's your father who's sorry for you...it's your father who didn't protect you, Jamura..."

The pedestrian with good deeds has already He started to take out his mobile phone to shoot the video. At this time, several bodyguards reacted and quickly surrounded yogi. At the same time, he scolded: "No shooting, delete the video!"

But it was too late, many people The video has been taken, and seeing the aggressiveness of the other party's bodyguard, he quickly slipped away.

And these bodyguards don't have the energy to ask those passers-by right now, so they can only surround yogi and protect him from leaving this place of right and wrong as soon as possible.

Among the group of people who took the video and slipped away included an lga ninja.

After he took the video, he immediately walked to the corner behind the motel, got into a dilapidated Dodge sedan, and then the car started the engine and quickly drove away from the incident.

At this time, yogi was still crying while holding Jamura's ears.

The bodyguards persuaded him repeatedly for a long time, but he remained indifferent. In desperation, several people could only help him into the car, and then the convoy quickly returned to the Feijia Manor in Long Beach.

Along the way, yogi was unable to control his inner grief and anger. On the one hand, he felt distressed and worried about his son, and on the other hand, he hated those Japanese ninjas to the core.

He wished he could immediately capture those ninjas to pieces, but unfortunately, they had not yet been able to grasp the true identities of those ninjas.

Zaki has many eyes and ears, and most of the bodyguards around yogi report to him, so before yogi returns, he has already heard about this.

He was very fond of Jamura, and when he heard that his eldest grandson had his ears cut off, he was extremely angry. At this time, he was already in the study and smashed everything that could be smashed.

When the old lady heard the news, she hurriedly came to see what happened, and finally stopped Zaki. After the old lady asked the whole story, she stomped her feet in distress. Seeing that there was nothing in the room to smash, she kept beating Zaki. Shanhai cried and shouted: "You have to save my grandson alive! Otherwise, I will die for you!"

Zaki was upset and didn't want his wife to follow suit, so he became impatient. He said, "Okay, I know! Haoyang is your grandson and my grandson. I will save him at all costs!" The

old lady asked again, "Are you sure? Blink, give Jamura to...give..."

When she said this, the old lady really couldn't go on.

Zaki waved his hand and said, "Don't worry, they must be looking for money. As long as they are looking for money, they will definitely not kill Jamura." The

old lady said quickly: "No matter what the final result is, you must take that Help me smash my corpse into tens of thousands of pieces!!!"

The movement of the old man and the old lady smashing in the study soon alerted Jamura's mother and other Fei family members.

Zaki didn't hide anything from them, so he told everyone about the situation.

Jamura's mother passed out immediately, and the other Fei family members were also uneasy.

They were used to being pampered on weekdays, but this time I heard that someone dared to kidnap the Fei family members, and even cut off the Fei family members' ears, they were angry and scared.

For a time, the entire Fei family jumped around.

And before yogi got home, another popular video appeared on the Internet.

The title of the video is very shocking. It reads "The eldest son of the Fei family, yogi, kisses a prostitute on the street in North Brooklyn!".

The content of the video clearly captures how yogi stuffed a thousand dollars in cash into the collar of the prostitute, and how the prostitute hugged him for a passionate kiss.

The video ends abruptly here, and there is no follow-up.

This is the 'partial news rule' commonly used by Western media. They don't report the whole picture, but only the part they want to report, so that they can induce the audience to take it out of context.

Although this trick is simple and direct, and extremely dirty, but I prefer to use it very much.

Everyone doesn't know the cause and effect. After watching the video, all they know is that the eldest young master of the Fei family is buying s\*x on the street and hugging and kissing pro\*titutes.

This sparked a heated discussion on the Internet.

In the United States, the matter of Xunhua and Liu is not really explosive news. People here are relatively more open to that aspect, so they are not used to it.

However, although they have seen stealing, they have never seen such a rich person stealing such a fish that can't get on the table, which is simply subverting the three views and shocking.

It's as incomprehensible as if you were bored at home and swiped on a short video platform, and suddenly the world's richest man was eating swill by the roadside.

Many people feel incredible about yogi's heavy taste, and it is precisely because of this huge contrast that this incident quickly fermented on the Internet, and soon became popular on the Internet.

yogi didn't know yet that when his motorcade drove into Fei's Manor, he had already become a hot internet celebrity.

What charlie likes most is killing people.

He deeply knows what the rich care about most, so he can always find their seven inches.

For most rich people, they care about nothing more than two points, profit and face.

Since he wanted to make this matter bigger, and he wanted to cause more damage to the Fei family, this way of exposing the scandal was the best solution.

When yogi returned home and saw a group of angry family members, he realized that he had become popular on the Internet.

When he saw the video of himself being wildly spread on the Internet, he almost died of anger.

The unsightly street girl made him sick all the way, and he almost vomited in the car several times.

In addition, the feeling of holding his son's ears in his hands made him even more miserable.

After finally carrying it home, I was ready to take the AIDS-blocking drug immediately, but I didn't expect that the video of myself kissing the girl on the street went viral first.

He was so angry that he almost jumped into a rage. In front of the Fei family, he blurted out, "I must find out the bastard who posted the video, and if I don't kill him, I can't give a damn!"

Zaki is cold Said: "This video must have been filmed since you didn't get out of the car. It's obvious that it's waiting for you, maybe it's theirs."

yogi was stunned and blurted out: "Dad, they ask for money directly. Asking for money, what are you going to do with this?!"

He handed out his son's ears and blurted out, "Also, why are they treating Jamura so cruelly?! Don't you fear us? Are the Fei family working hard with them?!"

Zaki said with a frown, "I can understand that they cut off Jamura's ears. They just want to show us courage and let us know that they can do everything. to break our will..."

As he said that, he couldn't help but smack his lips, and said with a very serious expression: "But he is playing you like a monkey. I really don't understand this move, no matter how you look at it, there is absolutely no need for it... ...you say, what is the benefit to them if this matter is exposed?"

Everyone in the Fei family shook their heads blankly.

No one could understand why the other party didn't take the Fei family seriously at all, tied up the Fei family members, and spit on the Fei family's faces.

At the same time, yogi's videos have become more and more popular all over the Internet.

Not only in the United States, but even on a global scale, it has caused a huge sensation.

Even in Huaxia, which is separated by half the world, it has appeared on the short video platform and the hot search on the Weibo platform.

Netizens all over the world like to eat the melons of the rich.

And the Fei family is one of the top families in the world, much stronger than the Li family in South Korea and the Ito family in Japan.

Not to mention the top Korean chaebol like the Li family, the daughter of a Korean airline, because the package of nuts given by the flight attendant was not placed on the plate, made a riot at New York's JFK airport and forced the plane to return. It became a hot topic all over the world. In the end, the daughter was not only forced to resign, publicly apologize, and even sentenced to one year in prison.

Compared with the Fei family's coffee rank, I don't know how many grades higher, so this kind of melon is naturally loved by people all over the world.

As a result, all kinds of comments and ridicule on the Internet are overwhelming.

Someone said: "I think this yogi must be a pervert, otherwise it would be impossible to find such a prostitute. This kind of prostitute is placed on the country lane, and no one will look at it for ten yuan!"

"I see the coffin of the ancestor of the Fei family. The board can't be covered! They must not understand, how can their own family have such a heavy-mouthed descendant!"

Another person said: "I guess, this yogi should have some special hobby. Maybe the rich people like the kind of woman who is covered in needles and may even carry HIV;"

## **The Amazing Son In Law Chapter 4424 ( The Charismatic Charlie Wade Chapter 4424 )**

even more damaging The person commented: "You don't know, the Fei family has invested a lot of drug research and development teams and biological laboratories in recent years. I guess the Fei family may have developed a special drug for the treatment of AIDS, and Master Fei plans to infect AIDS himself. Then try the medicine!" On the

Internet, all kinds of sarcastic and sarcastic remarks have been grabbed at a time, and they are in various languages.

Seeing that the Fei family's public opinion was getting worse and worse, yogi also turned around in a hurry, and said to Zaki with a sad face: "Dad, please help me think of a way, if this matter continues to ferment like this, I am not the only one who loses. The face is the face of our entire Fei family..." What

yogi was most worried about at this time was that this incident would ruin his reputation.

If everyone sees him or hears yogi, and immediately associates him with his kissing the street girl, then his future in this life will be completely over, and he will be like a bad deed. He is an artist, and his father will never let him succeed as the head of the Fei family in the future.

Therefore, he could only ask his father to find a way to help him reverse this situation.

Zaki was also very worried at this time.

He was not only worried about his son's reputation, but also worried about the future of the Fei family.

After all, he has just taken the position of the head of the Fei family, and the outside world has been spreading rumors about his behavior of usurping power and seizing the throne. This has caused the Fei family to carry a lot of negative influences. It will only get worse.

Thinking of this, he could not help but grit his teeth and blurted out: "In this situation, if you want to turn the tide, you can only sell badly..."

"Sell bad?!" The Fei family members all looked at Zaki, and many people had already guessed him. what to do.

Zaki said at this time: "We must completely eliminate yogi's current negative influence, but the speed of Internet dissemination is too fast, and the speed of copying is too fast, we simply can't get all the platforms in the world to delete the video, in that case , it will only make the people more disgusted..."

Speaking of this, Zaki's voice sank and said coldly: "So, the only thing we can do now is to quickly set up a new character for yogi!"

Everyone looked puzzled, Fei said. yogi also asked a little puzzled: "Dad, what character do you want to set up for me?"

Zaki said: "Set up a great father figure for you!"

After speaking, Zaki said again: "Take advantage of the present The whole Internet is paying attention to your scandal. We will tell everyone directly and frankly that the reason why you do those behaviors on the video is not because of your son's kidnapping and licking. You are so deeply in love that you have to go to danger alone! In this way, not only can you completely subvert all the negatives on the Internet, but you can also gain a large number of supporters immediately! Let your image in the eyes of the public reach a peak!"

Zaki Hearing this, Fei Shanchuan's second brother couldn't help but ask: "Brother, do you mean to announce Jamura's kidnapping?!"

"Yes!" Zaki said without hesitation: "That's right! The only way to reverse the situation is to announce it all!"

After speaking, Zaki said again: "And we have to strike while the iron is hot, immediately contact the media reporters, and let them come to their homes to interview, and turn passive into active!"

yogi said quickly: "Dad! Will it anger the kidnappers?! If it angers them, Jamura will probably be less fortunate..."

"No." Zaki waved his hand and said, "Do you think they will give up if they don't get the money? They have done so much deliberately, don't they just want money? If they kill Jamura, then they will get nothing!"
