

## The Amazing Son In Law Chapter 4445 ( The Charismatic Charlie Wade Chapter 4445 )

When Qiao Feiyun escaped from the Fei family, he thought that through his extraordinary prediction, he would definitely be able to play extreme operations and escape.

But he never dreamed that he had just run out of the Fei's house, and within five minutes before and after, he was next door to the Fei's manor and became a prisoner.

He was extremely frightened, and his thoughts were chaotic.

Although he still didn't know who the people who kidnapped him were, he already had an answer deep in his mind.

He felt that this group of people should be the mastermind behind the killing of his younger brother and the disappearance of an entire Italian group.

Soon, he was dragged to the basement. After the door was opened, he was horrified to find that there was a naked man hanging in the room, just like him, wearing only briefs, and this naked man was none other than Jamura.

At this time, Jamura, how could he still have the style of the old master of the Fei family.

He was naked, his hands were hanging, and he was like a pig to be slaughtered.

Moreover, he was covered in injuries, and his two ears were gone. What remained were two huge wounds, and the wounds were densely covered with black blood scabs formed by a large amount of blood coagulation.

Jamura didn't expect to see Qiao Feiyun suddenly here.

Seeing that Qiao Feiyun was brought in, he was surprised at first, and then his expression became a little more excited.

Nothing else, Jamura has suffered a lot of sins here, and he is extremely desperate here alone. At this time, with Qiao Feiyun, an acquaintance who shares his weal and woe with him, it is inevitable that his mood will bottom out and he will be a little excited.

If nothing else, even if a person accompanies him on the road before he dies, it is much better than dying here alone.

But Qiao Feiyun was not happy at all when he saw Jamura here.

In fact, what he was most afraid of was seeing Jamura here.

Because, if the other party dares to move even Jamura, then he is a fart? If you want to escape, you have no chance...

At this time, one of the abbas soldiers looked at Qiao Feiyun and asked, "Master Qiao, Master Fei is so excited when he sees you, why are you unhappy when you see your old friend??"

Qiao Feiyun's heart is dead, how can he not understand Jamura's mind?

If it was Jamura, he would definitely be happy when he suddenly saw someone coming to accompany him.

He had fantasized about being able to run away successfully, but he didn't expect to be caught here all of a sudden. At this time, his mood naturally fell to the bottom.

Seeing that Qiao Feiyun didn't speak, the soldier grabbed his collar, slapped him in the face with two back and forth slaps, and shouted angrily, "I asked you a question, why didn't you answer?!"

Qiao Feiyun's weak body, how could he bear Surviving the opponent's strong slap, he slapped him twice, and he was immediately slapped with gold stars in his eyes and blood in his mouth, so he could only quickly say, "I'm happy... I'm happy..." The

soldier slapped the face again and cursed angrily. : "Damn, it's not sincere at all, tell me again!"

Qiao Feiyun's teeth were broken a few times, and his face seemed to explode with pain, but he could only bite the bullet and begged: "I'm really happy... Please stop beating..." The

soldier smiled and said, "Young master Qiao, how can you beg for mercy so quickly? It's just a few slaps, the good show has just begun, you beg for mercy so early, what will you do in a while??"

As soon as Qiao Feiyun heard this, he knew that the other party would definitely not make him feel better, and he might even be ready to put himself to death, so he subconsciously cried out: "Brother... I'll do it, bro..."

Seeing Qiao Feiyun crying and begging like a dead dog, Jamura's heart flashed, he immediately looked up at the monitor above his head, and shouted, "Palace Master abbas, Palace Master abbas, are you there? Kidnapped Miss sun. This is the idea that Qiao Feiyun gave me! All the details are planned by him, he is the mastermind, Lord abbas, please help me with a message for Mr. Wade, and ask Mr. Wade to give me a lenient treatment Ah..."

Qiao Feiyun's whole person was dumbfounded, how could he have thought that Jamura would throw the blame on himself when he opened his mouth!

Moreover, listening to the meaning of these words, it seems that the mastermind behind this incident is because Stefanie arrested him. If this is the case, it should not be the same group of people who killed his brother, right?

Thinking of this, he blurted out almost without thinking: "Jamura! Don't you f\*cking spit! This matter is entirely your own idea! It's you who are crazy and want to get Miss sun, what does it have to do with me?!"

Jamura scolded furiously: "You usually stick out your tongue behind my ass, kneel and lick me, but now something has happened, and you actually said that it has nothing to do with you. The plan for kidnapping Miss sun is yours. , You also found the ninjas from Japan. You even arranged the boat that was going to blow up the ninjas in the end. Maybe that boat is still at the dock now. Do you think you can get rid of it with just a few words?"

When Qiao Feiyun heard this, he knew that it would be difficult to get rid of the relationship this time, so he looked at Jamura said angrily, "F\*ck, when you see me, you just want to throw the blame, you're a fool! Don't you f\*cking understand? We are grasshoppers on a rope!"

Jamura also saw Qiao Feiyun's face clearly, and said coldly: "When I throw the pot, I say it's my own idea, if I can't get rid of it, I say it's a grasshopper on a rope. Qiao Feiyun! You f\*cking pulled me into the water like this!"

Qiao Feiyun shivered with anger, gritted his teeth, "You said I pulled you into the water? Back then, if you hadn't been doing bad things all day long, how could I have voted for you? Good?! It was me who was led astray by you, yet you are still biting me back!"

At this time, in the surveillance room upstairs, Abbas saw the two dogs biting a dog, and immediately cut the video and sent it to charlie.

After seeing this video, charlie replied: "Let a man from Hattori go."

Abbas immediately sent a voice message to charlie, saying, "Don't worry, Mr. Wade, this subordinate will make arrangements."

Immediately, He then instructed his subordinates: "Go and call Hattori Kazuo."

"Yes!" His subordinates immediately called Hattori Kazuo over.

A man Hattori asked respectfully, "Palace Master abbas, what are your orders?"

Abbas pointed at Qiao Feiyun on the monitor and said, "You should know this person, right?"

A man Hattori took a closer look, and suddenly said angrily: "Palace Master abbas! It's this bastard who tricked us into coming to New York!"

"Okay." Abbas nodded and said, "Mr. Wade said, let you go and entertain him."

Kazuo Hattori was stunned. After being stunned, he quickly asked: "That... Palace Master...how should I entertain him?"

Abbas said to his subordinates: "Give him your tactical dagger."

"Yes, Palace Master!"

The subordinate said Without thinking, he took out a dagger and handed it to Kazuo Hattori.

Hattori Kazuo himself hated Qiao Feiyun's teeth, took the dagger, his eyes became cold, and he said coldly: "Please rest assured, Mr. Wade, Master abbas, I will definitely entertain this bastard!"
