

## The Amazing Son In Law Chapter 4447 ( The Charismatic Charlie Wade Chapter 4447 )

When Kazuo Hattori rushed into the basement room with a dagger in his hand, Qiao Feiyun had already been tied and hung up by the soldiers of Wanlong Palace.

And he and Jamura were still scolding each other constantly. While they hated each other, they didn't forget to blame each other.

Seeing Kazuo Hattori push the door and come in, the two suddenly stopped scolding each other, and they were shaking nervously.

Jamura was afraid that Hattori Kazuo would take a dagger and cut something from himself.

And Qiao Feiyun was afraid that he would be treated like Jamura with his ears cut off.

As soon as Hattori Kazuo entered the door, he saw Qiao Feiyun hanging in the air.

His expression suddenly became angry and ferocious, he strode forward, kicked Qiao Feiyun's stomach, and kicked Qiao Feiyun like a sandbag.

At the same time, Kazuo Hattori scolded angrily: "Bastard! He tricked me into coming to the United States, and almost made a big mistake in front of Mr. Wade. Even if I killed you, I wouldn't be able to relieve my hatred!"

Qiao Feiyun was kicked constantly. Spinning around, he shouted in a panic, "Mr. Hattori, I'm a victim just like you in this matter! I'm all under the orders of

Jamura next to me. The real culprit is that he's not me!" When Haoyang heard this, he immediately blurted out: "Mr. Hattori, don't be fooled by this bastard. This bastard has done a lot of hurtful things. This time, using you Iga ninjas is his idea!"

Qiao Feiyun hurriedly said: "Mr. Belly, don't listen to that surnamed Fei's mouth full of feces, it's his sperm that got on his head and wanted to attack Miss sun. I invited you here, and it was entirely at his instigation. , you can't be deceived by him!"

Hattori Kazuo said coldly: "Qiao Feiyun, do you think I still don't know your true identity? Fei is not a good thing, and you are not a good bird!"

After all, he grabbed Qiao Feiyun's hair, looked at him and sneered: "Qiao Feiyun, stop making unnecessary struggles, you and Jamura, no one can leave here alive!"

As soon as the words fell, Hattori's right hand waved suddenly, and in an instant, he chopped off Qiao Feiyun's left ear!

Qiao Feiyun almost fainted in pain, felt warm blood spurting out of his ears, subconsciously wanted to cover it, but his hands were tied, and there was nothing he could do.

He saw his broken ear fall to the ground, his whole body collapsed, and he couldn't help crying.

Seeing how miserable he was crying, Jamura immediately felt a lot of comfort in his heart, so he sneered and sneered: "Qiao Feiyun, this is unbearable? Don't worry, your ear has to be cut off too!"

Qiao Feiyun was desperate Looking at Kazuo Hattori, he cried and begged: "Mr. Hattori, I am a victim just like you..." Kazuo Hattori

said coldly, "I am the real victim!"

When he fell, he cut off Qiao Feiyun's other ear.

Qiao Feiyun screamed frantically in pain, but Jamura looked proud. In his opinion, if he could successfully dump the blame on Qiao Feiyun, it would be the best situation, but if he couldn't, at least he had to drag Qiao Feiyun and himself. Die together, on the road to Huangquan, there is still a companion.

Qiao Feiyun saw the smugness in Jamura's expression, and he was furious in his heart. Then he suddenly remembered something, and quickly said to Kazuo Hattori: "Mr. Hattori! You must not let this Jamura go! Jamura! The family has sent people to fly to Japan tonight. They thought you kidnapped Jamura, so they sent a lot of experts to prepare to destroy the entire Iga ninja. Maybe this time tomorrow, your family and friends will all die. Hand of the Fei family, if I were you, I would stab this bastard to death right now!"

Kazuo Hattori was shocked when he heard this, and blurted out, "How did you know that the Fei family sent someone to Japan? ?!"

Qiao Feiyun said quickly: "Mr. Hattori, I have been hiding in the Fei family's manor for the past few days, and I know every move of the Fei family very well! I have very accurate information to prove that Jamura's grandfather indeed sent a lot of experts. Going to Japan, he will arrive in Japan in about 10 hours, and he

seems to be very dissatisfied with the flight speed of civil aviation, and is trying to find a way to buy a Concorde!"

Hattori Kazuo felt nervous.

He was very aware of the strength of the Fei family. If the Fei family really sent someone to Japan, it would only be a matter of time before they found the Iga ninja.

Even, it is very likely that the Fei family's master has not landed in Japan, and the Fei family's intelligence personnel have already checked the Iga ninja clearly.

Therefore, he also knew very well in his heart that the Iga ninja, who was already declining, was likely to be vulnerable in front of the masters of the Fei family.

And now, the Fei family has taken the blame for kidnapping Jamura and cutting off Jamura's ears on their own heads. Once they find out about the Iga ninja, they will never be soft on the Iga ninja...

No way . Well, this time Iga Ninja will be exterminated for this!

Thinking of this, Kazuo Hattori was already in a panic, and he even wished to call his father immediately and tell him to hurry up and hide with the Iga ninja, so as not to be caught by the masters of the Fei family.

However, despite the fact that he seems to be left unattended in this villa, in fact, his every move is under the strict monitoring of the soldiers of the Wanlong Palace, and he has no channel to communicate with the outside world at all.

Anxious, Kazuo Hattori immediately put a knife against Jamura's neck, and shouted sharply: "Tell me the contact information of your family! I'll find a way to call them! If my family is in any danger, I will definitely I killed you with my own hands to avenge them!"

Jamura saw that the blade had cut through his skin, and he was trembling with fright, and said in his mouth, "Mr. Hattori, this is all a misunderstanding, as long as you give me a call, I immediately ordered my father to recall all the masters to New York, and then sent them north to Canada to kill Qiao Feiyun's family!"

Qiao Feiyun was not afraid at all, because he guessed that Hattori Kazuo must also be a prisoner, and there is no way to communicate with the outside world.

So, he sneered at Jamura and said, "Jamura, you are really not that stupid. Since you are here, how could you possibly have the opportunity to call your father?"

Jamura also knew that the chance was slim, but he Always trying his best to try, so he looked at Hattori Kazuo and blurted out: "Mr Hattori, you must find a way

to get in touch with my father no matter what, as long as you can contact him and tell him my situation, He will definitely withdraw all the ninjas!"

Hattori Kazuo was also very worried at this time, and the whole person was extremely flustered, not knowing what to do.

At this moment, a Wanlong Palace soldier walked in, handed a cell phone to Kazuo Hattori, and said, "Mr. Wade's phone number."

Kazuo Hattori hurriedly took the phone and said nervously, "... Mr. Wade..."

charlie smiled and said; "Kazuo Hattori, are you very worried about your family now?"

"Yes..." Kazuo Hattori choked: "Mr. Wade, the overall strength of the Iga ninja is seriously damaged. , they are difficult to be the opponents of the Fei family..."

charlie smiled: "Don't worry, I have already arranged a chartered flight from Miss Nanako of the Ito family, and you can take off from Iga in Japan at any time and fly directly to New York, you are now You can use this mobile phone to call your father and ask him to arrange for someone to get on the plane as soon as possible, as long as they can take off before the Fei family land, those people will have nothing to do with them."

Kazuo Hattori asked in surprise: "Mr. Wade ...you...you plan to let them come to New York?!"

"Yes." charlie on the other end of the phone said with a smile, "Come to New York is the best choice."

Kazuo Hattori said nervously: "But...but New York It's the Fei family's territory... They came to New York, didn't they... didn't they fall into the trap?!"

charlie smiled indifferently: "Don't worry, it won't be long before you are no longer the enemy of the Fei family."
