

The Amazing Son In Law Chapter 4459 (The Charismatic Charlie Wade Chapter 4459)

Eastern waters of Sri Lanka at this time.

Due to the time difference, although it is getting late at night in Japan, the sunset here is just kissing the sea level in the west.

The gorgeous sunset dyed the entire sea level red, and the scenery was wonderful.

A wide variety of seabirds soared freely in the sky, and on both sides of the bow, there were many dolphins eagerly chasing the freighter and jumping out of the water from time to time.

This rare beauty has long been no surprise to the crew who often wander at sea, but to Fei Kexin, it is really a beauty that has never been seen before.

Fei Kexin was standing at the bow of the boat at this moment, looking at the beautiful scenery, her mood suddenly relaxed a lot.

These days, wandering aimlessly at sea, and there is no news from the outside world at all, her whole person's mental state has always been decadent.

Not only her, but also the aged Jian was even more depressed during this period.

Moreover, due to the unwillingness of his heart, Jian has not been able to let go of it for a while, and has been sighing and sighing all day long.

What Fei Kexin couldn't let go of was the inexplicable miss of charlie in his heart.

She always had the image of charlie in her mind unconsciously, and then suddenly lost interest in everything, and involuntarily fast-forwarded the whole process of getting to know her and charlie in her mind.

At this moment, she looked at the beautiful sunset at sea, and unconsciously thought of charlie, and even sighed in her heart: "If only charlie was here too... In that case, no matter where this ship goes, I will Don't worry about being nervous..."

At this time, Xion walked to her side and said, "Miss Fei, it's time to go back to the cabin, the crew will come up for a routine check later.

"Xion is already familiar with each other, and the two have become friends.

Fei Kexin nodded lightly and asked her, "Xion, have you been to the sea before?"

"It's been out..." Xion smiled slightly: "After my accident in Japan, Mr. Wade rescued me from the sea."

Fei Kexin sighed: "It seems that we both owe him a debt. Great favor."

"Yes." Xion said earnestly, "I have made up my mind that I will follow Mr. Wade to serve him in this life, and hope to do more for him."

Fei Kexin nodded. "I also have the same thoughts as you, but I don't know if there is still this opportunity."

Xion said: "Of course there is! You are so smart, you have seen a lot of the world, and you are a high-end talent that Mr. Wade is in desperate need of.

Fei Ke sighed in admiration and said helplessly: "But my status is too special now, my uncle must be looking for my whereabouts everywhere, if let him know that it was Mr. Wade who saved me and my grandfather, I'm afraid it will only be brought to Mr. Wade . Come to trouble."

Xion comforted: "You don't have to think about it so much now. After you arrive in Syria, you can settle down temporarily, take care of your grandfather, and there may be a chance to make a comeback in the future."

"Yeah!" Feike Xin nodded heavily, and said with a look of longing: "I hope there is still a chance in the future!"

At this time, Fei Kexin didn't know that it was less than 48 hours before she returned to New York.

...

in New York, USA in a few hours.

Three Boeing 777 planes finally landed at JFK Airport in New York.

Iga Ninja and their family members were taken away by the soldiers of Wanlong Hall as soon as they left the customs.

All the adult males were brought to Long Beach, and the old, weak, sick and disabled were all arranged to a manor in the suburbs.

Hattori Hanzo and his clan were taken to the villa rented by Abbas in Long Beach, where he met his son, Kazuo Hattori.

As soon as the father and son met, they naturally sighed with emotion and burst into tears.

Hattori Hanzo said regretfully: "One man... If I had known that the trip to the United States would turn into such a state, my father would not have sent you here..."

Having said this, Hattori Hanzo sighed: "Now hundreds of people have fallen. At the point where I have left my hometown, I still don't know when I can go back..."

"Go back?" Hattori Kazuo smiled bitterly and said, "Dad, we will never go back to Japan in our lifetime."

Hattori Hanzo asked in surprise, "Why?"

Hattori Kazuo asked him: "You haven't received the news yet?"

Hattori Hanzo asked in surprise: "What happened?"

Hattori Kazuo nodded, and said in pain: "Our Iga County Castle has become a It's in ruins..."

"What?" Hattori Hanzo was stunned and blurted out: "We just left the county seat not long ago. When we left, everything in the county seat was fine, how could it turn into a ruin?"

Hattori Seeing that his father didn't know anything about what happened in Japan, Kazuo hurriedly told Hattori Hanzo all the news he had received.

After Hattori Hanzo heard this, his eyes darkened and he almost fell over.

After a while, he came back to his senses and said with pain on his face: "The county town was built brick by brick by the ancestors of my Iga ninjas... After so many years of ups and downs, unexpectedly... Turned to ashes overnight... After I die, what face will I have to face the ancestors of the Iga ninja..."

Hattori Kazuo said helplessly: "Dad, in this situation, we can escape from Japan. It's already very good. Now the homeland security department has determined that we are in the same group as the masters of the Fei family, and they have also determined that we are suspected of making terrorist attacks. Now we are in Japan, and we have become street rats that everyone shouts and beats..."

Hattori Hanzo hurriedly said: "Quickly issue a statement! Statement that the death of these people has nothing to do with us!"

Hattori Kazuo hurriedly said: "Then how can it be done... You are issuing a statement now, let's not say whether the Japanese government will believe us, Mr. Wade, we can't explain it! Disobeying Mr. Wade's fate is worse than becoming a street rat. Much more..."

Hattori Hanzo was instantly heartbroken after hearing this.

Although the destruction of the county town with a history of hundreds of years made him feel extremely distressed, but the buildings were destroyed and at least they could be rebuilt.

However, now the entire Iga Ninja has carried a heavy black cauldron on its back. Once this black cauldron is carried, it is likely to last for a lifetime...

He immediately covered his face in pain, and wailed in his mouth: "I'm sorry Iga Ninja, I'm sorry for the ancestors."

Hattori Kazuo hurriedly comforted: "Dad, now is not the time to think about this, our top priority now is to quickly cooperate with Mr. Wade's next arrangement, if we really become the hero of Mr. Fei's regaining power, it doesn't matter if we can't go back to Japan in the future, we can still make the Iga ninja bigger and stronger overseas!"

Hattori Hanzo nodded in agreement and asked, "By the way, Mr. Wade asked us to come here, what are your orders? Hattori Kazuo shook his head and said: "

I don't know the specifics, anyway, what Mr. Wade asked us to do, we will do what we do, and it will never be wrong to listen to his orders!"

Hattori Hanzo nodded and said: "You are right, and now it is also That's the only way." As

soon as he finished speaking, Abbas came over and said to the two: "Mr. Wade has an order for you to shoot a video immediately, claiming that the masters of the Fei family are your close cooperation with Iga ninjas. Friends, Iga ninjas are responsible for the explosion in Iga City and the planned attack on Osaka and Nagoya!"
