

The Amazing Son In Law Chapter 4469 (The Charismatic Charlie Wade Chapter 4469)

It is precisely because Lexi cares so much about this watch that she carries it with her. However, since she is still a servant, she does not dare to wear a Richard Mille on her hand, but she never imagined that, This watch is put in a pocket, and it will fall out when it falls.

Seeing that yogi found out, she hurriedly lied: "This...this watch was given to me by a friend of mine..."

"Friend?" yogi said coldly: "What friend? What's your name?"

Lexi She replied nervously: "I...I...I'm inconvenient to say his name..."

After that, she quickly added: "But this is a private matter between me and him, and it has nothing to do with other people... "..."

yogi still wanted to ask, but Zaki had lost his patience, and he said coldly, "What are you talking about with her! If you don't tell the truth, just cut off her ears!" As soon as

yogi heard his father say When I cut my ears, I suddenly thought of my son.

After thinking about it again, the maid was probably related to the kidnapping of his son, so his heart suddenly burst into anger, so he said to one of the bodyguards: "Quick! Give me both of her ears. Cut it off!" After speaking, yogi felt puzzled, and immediately added: "Cut off her nose to me too! I don't think she is rude!"

Of course, they were obedient to the two of them. After hearing the order, he immediately took out a tactical dagger and charged directly at Lexi. Lexi was so frightened that

she burst into tears. At this moment, she didn't care about Qiao Feiyun or Mrs. Qiao, she just wanted to protect herself, so she cried out, "I said! I said!"

When the ears and nose are gone, Qiao Feiyun can't marry himself.

Besides, the ghost knows how this Qiao Feiyun angered the Fei family. If he really had something to do with Jamura's kidnapping, the Fei family would definitely not spare him. Even if Qiao Feiyun wanted to marry him, he would never be able to. marry him.

So, Lexi hurriedly knelt on the ground and said with a face full of piety: "Master, this watch was given to me by Mr. Jamura's good friend Qiao Feiyun... The Japanese ninja thing is also what he asked me to pay attention to... But I really don't know what he did..."

"Qiao Feiyun?" yogi frowned slightly, searched his mind for a long time, and asked, "The Qiao Feiyun you said is Jamura's college classmate in Seattle?"

Yes..." Lexi nodded hastily and said, "It's him! Some time ago, Master Jamura asked his assistant Rio to take him from the airport to the manor, and then arranged for him to temporarily live in the vacant villa..." "

What did you say?!" yogi interrupted her and asked, "That Qiao Feiyun lives in Fei's house? What about others?" Lexi hurriedly said, "It was true that he lived in Fei's house

at first, it's me every day." He gave him meals and often sent some daily necessities. Master Jamura went to meet him every day, and the two often discussed things in the study, and it took a long time to discuss things. Yesterday, Master Jamura had an accident, and everyone was busy all the time. Waiting for the big grandma, I also waited until the shift changed to send him some food, and then he gave me this watch, and told me to help him find out if there was any news about Japanese ninjas..."

yogi did not She asked patiently, "I'm asking you, where is the other person!"

Lexi said quickly, "I heard from Song Peng that after the master sent someone to Japan to find ninjas, I told him immediately, and then the other person disappeared... ...I have been unable to get in touch..."

yogi hurriedly looked at Zaki and blurted out, "Dad! Could it be that Qiao Feiyun did it?!"

Zaki frowned, pacing back and forth with his chin on his back. But he didn't speak for a long time.

yogi couldn't hold his breath, and hurriedly urged: "Dad! You are talking!"

Zaki said at this time: "I don't know this Qiao Feiyun, but I remember that in the financial reports of the Fei family a few years ago, the cooperation with the Joe Group in Seattle has been increasing, and the amount of cooperation has increased from one billion a year. To several billions, the Qiao Group's share price has increased nearly tenfold in a few years because of its close cooperation with us..."

yogi blurted out, "Then isn't this Qiao Feiyun just ungrateful?!"

Zaki said He waved his hand: "I don't think he did it."

yogi asked in surprise: "Dad, so many clues point to him, who else can be besides him?"

Zaki shook his head and said, "Which one do you think is worth a few hundred more? Hundreds of billions of people will go to the risk of kidnapping and extortion? What's more, the kidnapping is still the owner of the money, isn't this killing the chicken and getting the eggs?"

yogi hurriedly said: "Although he is worth hundreds of billions, but most of the It is all converted into the market value of the stock. In order to maintain the stock price, the major shareholder cannot reduce his stock holdings at will, then most of his stocks will not be realized, and the cash he can really control will be greatly discounted. What is the difficulty, is it normal to take risks?"

"It's not right." Zaki still shook his head and said, "Think about it, if Qiao Feiyun really wanted to kidnap Jamura, why did he come to Fei's house? And Jamura has already been kidnapped. , he has not left, but continues to stay here and let this maid help him find out the news?"

yogi said without hesitation: "Don't people often say that the most dangerous place is the safest? He is hiding in our house, This is the dark under the lights, who can find him?"

Zaki asked again: "Then let me ask you, since he wants to hide in our house and play in the dark under the lights, can he continue to be in the dark? When he found him, why did he leave?"

yogi immediately said: "I think he must have something to do with those Japanese ninjas, it is very likely that the Japanese ninjas who kidnapped Jamura were hired by him, so he heard that we went to find those Japanese ninjas. The Japanese ninja, the first thought was to run away!"

Zaki sighed, and said with some hatred of iron not becoming steel: "You haven't figured out the basic logic of this matter, although that Qiao Feiyun ran away after hearing that we went to find Japanese ninjas, this also shows that, If the ninja thing doesn't come to light, Qiao Feiyun doesn't plan to leave the Fei's house, and he even wants to continue to hide in the Fei's house!"

Speaking of this, Zaki asked: "Think about it for yourself, if he really kidnapped Jamura The mastermind behind the scenes, why did he want to hide in the Fei family? He is also a well-known entrepreneur. In this case, the longer he disappears in the public eye, the more likely he will be exposed. If it is me, I am sure The first time I returned to my normal life, I tried my best to make the whole world think that I had nothing to do with this matter. You really wouldn't think that in order to extort our ransom, he planned to give up his status in the upper

class and hide in Tibet for the rest of his life. Incognito? Then what's the use of him asking for so much money?"

"On the one hand, he is worth hundreds of billions of dollars, and he has a financial master like the Fei family as his backer. Money enjoyment;"

"On the other hand, it is to give up your current identity, to remain anonymous for the rest of your life for the 200 billion ransom, to be frightened for the rest of your life, and not dare to spend money indiscriminately. If it was you, which one would you choose? Would you choose the latter??"

yogi was stunned for a while, and asked inexplicably: "If he didn't do it, why did he hide in the Fei's house?"

Zaki's expression sank, and he said coldly, "I think he should be Fear!"

.

"Afraid?!"

Hearing his father's guess, yogi asked in surprise, "Dad, what do you mean, he knows who is attacking Jamura, and he is also afraid that those people will attack him?"

" That's right!" Zaki nodded with a very solemn expression, and then said: "Thinking about what Li Yalin said just now, I suddenly feel a little taste..."

yogi's comprehension was almost meaningless, so he asked: " Dad, what did you analyze?"

Zaki didn't answer his question, but instructed the housekeeper to take Lexi and others out first.

After everyone left, Zaki said to yogi with a serious face: "We have never been able to understand what the scandal Li Yalin mentioned just now, but now I have a faint feeling that this scandal has a high probability of happening in Hao Hao. Yang's body, and it is very likely related to this Qiao Feiyun." After speaking

, Zaki looked at yogi and asked, "I think it is possible that Jamura and that Qiao Feiyun are doing something shameful together! This can also explain why Jamura took Qiao Feiyun into his house quietly, and he plotted with him every day in that idle villa..."

yogi hurriedly asked: "Dad, you said that the two of them are in their 20s. What can the young man study?"

Zaki said coldly: "The two of them must be talking about some kind of plan, and they must have already started it." After speaking

, Zaki remembered something and asked quickly: "Jamura is missing. Are you holding a charity dinner?"

"Yes." yogi nodded and said, "It is said that it is united with the Chinese Chamber of Commerce and wants to donate some money to the Chinese orphans."

Zaki frowned even more and asked yogi. "Your own son, you must know better than anyone else. Do you think it's abnormal that he suddenly ran out to do charity?"

yogi nodded truthfully and said, "To tell you the truth, Dad, it's really very interesting. Unusually, Jamura has an indifferent temperament, and despises the poor in his bones, and is not a child with a charitable heart."

"That's it." Zaki said solemnly: "Since it's abnormal, then there must be something strange here. Maybe, the two of them were conspiring for a few days, and they were conspiring for this charity dinner." Ask: "You went to the scene when the accident happened. Tell me, what special circumstances were there at the time?"

"Special circumstances..." yogi thought about it and said, "There is an international star named Stefanie sun. She is the most famous Chinese singer now, she was a mysterious guest at the charity dinner that day."

Zaki asked, "Who invited her?"

The Amazing Son In Law Chapter 4472 (The Charismatic Charlie Wade Chapter 4472)

"Of course Jamura..." yogi said bluntly: "That charity dinner It was Jamura who took the lead and invited Stefanie sun, which is also what Jamura meant. He entrusted the Chinese Chamber of Commerce to help lead the way. I guess he was a little interested in the female star and wanted to take this opportunity to get acquainted with him. Boy, you too I know, everyone wants to do something with a female star."

Zaki asked again, "Does it take so much trouble to pursue a female star? No matter what level of star the other party is, if you know Jamura's identity, you should have taken the initiative to cater to him. Why does Jamura need to rack his brains to please the other party?"

yogi said: "This Stefanie sun is not simple, she is not an ordinary star, she is the only daughter of Orrin sun, the head of the Chaina sun family, and the only heir to the assets of hundreds of billions of dollars. , the gold content is very high."

Zaki nodded lightly and muttered: "No wonder..."

yogi hurriedly asked: "Dad, what are you saying is no wonder?"

Zaki said: "No wonder Jamura has to spend so much effort to cater to him. To please her, and even hold a charity dinner for her..."

Speaking of which, what Li Yalin said just now suddenly appeared in his mind.

Immediately, he exclaimed: "Damn it! Jamura, this son of a bi*ch, must he be thinking something about this Stefanie sun?!"

yogi smiled awkwardly: "Dad... a fair lady, a gentleman is so arrogant. Well, it's okay for Jamura to think about her, right?"

Zaki said coldly: "What I said about crooked brains and what you said about crooked brains are not the same thing at all! It's crooked to try to please her and spend a night with her, and it's crooked to force her to sleep. If she slept and then destroyed the body, it would be a crooked brain!"

yogi's face froze for a moment, and he blurted out: "Dad... Actually, I also thought that Jamura's behavior was abnormal at the time, but there was no substantial evidence, you Speaking of... Jamura, he... He shouldn't be that stupid, right?"

"I don't know..." Zaki said very seriously: "But I think, judging from various clues, this kind of thing After that

, he remembered something, and immediately said: "By the way, you immediately ask me to check the capital flow of Qiao Feiyun and all the companies related to him, and also check the Japanese Iga Ninja. The funds are in, look at the commissions of Iga ninjas, who paid them! If I guessed correctly, these ninjas are most likely hired by Qiao Feiyun!"

yogi said: "If they are hired by Qiao Feiyun, then the problem is again. Going back around, could it be Qiao Feiyun's hand on Jamura?"

"No!" Zaki shook his head and said, "I suspect now that Qiao Feiyun hired those ninjas to do things for Jamura..."

yogi hit After a shiver, he blurted out: "Dad...you mean...Jamura's crooked brain is trying to use these ninjas to kidnap Stefanie sun?!"

Zaki said: "If you can find the relationship between Qiao Feiyun and Iga ninjas If there is indeed a capital transaction between the two, that will basically confirm my guess."

yogi hurriedly said, "I'll go and ask someone to check!"

With the ability of the Fei family, checking the bank's capital transactions is still a piece of cake.

Therefore, yogi soon received a message that Iga Ninja had indeed received US\$40 million. The payer of this money was an American technology company. I had someone in-depth check the equity behind this company. structure, and found that this is a company controlled by a fund under the Qiao Shi Group..."

"F*ck!" Zaki murmured: "Jamura, this bastard, is so daring! As the eldest young master of the Fei family, he dares to play with fire like this, which is outrageous!"

yogi hurriedly said: "Dad, this It doesn't necessarily prove that it is Jamura's problem! If it is as you said, these ninjas were invited by Qiao Feiyun, then why did they kidnap Jamura? This is not logical!"

Zaki said: "The answer to this question is likely to be on that Stefanie sun! Maybe it was that Stefanie sun who temporarily turned those ninjas at a critical juncture. After all, Qiao Feiyun only gave them 40 million dollars. You didn't say that Stefanie sun's background is also very strong. What if she promised \$400 million to buy these ninjas on the spot?"

"This..." yogi was also dumbfounded. After thinking about it for a long time, he frowned and said, "It's not impossible..."

Zaki said immediately . Said: "You think of a way to make an appointment with this Stefanie sun, and invite her to come to the house! I want to meet this girl for a while to see if she has any problems!"
