

The Amazing Son In Law Chapter 4495 (The Charismatic Charlie Wade Chapter 4495)

Zaki drank a glass of white wine, his eyes began to double-image when he saw things, and his head was dizzy and swollen as if he had been punched.

yogi didn't dare to cheat his father, so he could only wait for Zaki to drink a cup of belly, and then hurriedly drank the remaining liquor in his cup.

At this time, charlie's stopwatch had not reached a minute.

Seeing that the father and son were gasping for breath like dogs, and their faces were all flushed, charlie smiled slightly, waved his hand and said, "Come on, have a second drink, please fill up the wine with Mr. Fei!"

yogi has two legs He had already begun to play a bit, but in the face of charlie's orders, he didn't dare to disobey.

Immediately afterwards, charlie looked at the stopwatch again, and said, "Let's stick to the old rules, give you one minute to drink all of your glasses of wine, and if anyone exceeds the time limit, you will be rewarded with another glass."

Zaki lamented: "Young man... If i drink like this, it will really kill me..."

charlie waved his hand: "Don't worry, you can't die, if you really die, you can come to me."

"This..." Zaki Wanting to cry without tears, he thought to himself: "I'm dead, how will I come to you then?"

charlie said casually at this time: "To be honest, you father and son should really find a place to steal. Le, I just let the two of you drink some wine. A father and son offended me before, and they have been turned to ashes by me; another father and son offended me, and I had him engraved with a knife on his son's forehead. The words "hanging" and "the father of the poor and hanging" were engraved on his father's head. Compared with them, you don't know how lucky you are." After speaking

, charlie said again: "If you are interested, I will You can call my subordinate who is good at human body calligraphy and ask him to leave you a pair of calligraphy."

Zaki shivered at charlie's words, while yogi felt that he had been engraved on his forehead. There was a burst of pain in his forehead.

While nervous, he couldn't help looking at his father Zaki, and whispered, "Dad! I've finished one cup, grit my teeth, and drink the remaining two and it'll be fine..."

charlie stretched out a finger and shook it Shaking, he said seriously: "Master Fei, you still have three cups left!"

yogi nodded quickly and said, "Yes yes yes... What Mr wade said is... I have three cups left..."

Zaki had already Feeling that the alcohol was coming up quickly, he rubbed his temples vigorously, and said, "Okay... I'll drink it!"

After that, he picked up the wine glass, hesitated for three seconds, and poured it into his stomach.

yogi didn't dare to delay, and hurriedly drank the second cup.

By the time Zaki finished his second glass of wine, he had lost control of his body. He sat down on the chair, feeling a splitting headache, but he couldn't lift his eyelids at all.

Immediately afterwards, I heard him muttering: "Young... young hero... I... I... I can't do it..." As

soon as the words fell, the whole person suddenly fainted.

charlie used his spiritual energy to investigate and found that the old man was really in a coma, so he said to Zhang Chuan who was kneeling beside him: "Come, come and pour him the third cup."

Zhang Chuan didn't dare to obey, so he quickly stood up Come on, walk to Zaki, fill a glass of wine tremblingly, pinch open Zaki's teeth, and carefully pour the liquor into Zaki's mouth.

Zaki was already unconscious at this time and was at the mercy of Zhang Chuan, so after choking several times, he also swallowed the third glass of wine.

At this time, charlie looked at yogi, who was terrified, and said, "Master Fei, do you think I will come by myself, or should I ask him to help you?"

yogi said quickly, "I will come by myself, I will come by myself!"

After all, he hurriedly filled a glass of wine again, endured the severe dizziness, and drank it hard.

Afterwards, he felt that the wine was getting stronger and stronger, and he didn't dare to delay any longer. He hurriedly filled up the last glass while he was still in a coma, and drank it with his head up.

After drinking the last glass of wine, yogi's stomach was on fire. After four glasses of white wine, he was already on the verge of collapse. Seeing that the task was completed, he finally breathed a sigh of relief. Feeling, fell heavily to the ground.

Seeing that both father and son were unconscious, charlie stood up and said to Stefanie sun, "Stefanie, I don't have any appetite to eat while guarding two drunks, why don't we change the place."

Stefanie sun stuck out his tongue and said, " Alright, charlie, I'm almost drunk just by smelling the wine, I'm afraid I'll get up if I stay any longer..."

charlie smiled: "Then let's go quickly."

Zhang Chuan on the side saw that charlie was going to leave . , and asked nervously: "Senior...you...when will you restore my cultivation..."

charlie said lightly: "After we leave, you ask someone to send them to gastric lavage. As for you, Just come back and kneel until I come back! If the two of them wake up and come to trouble you, tell them that I will come back tonight, so that they will be ready to meet you!"

Zhang Chuan wanted to cry without tears. Said: "Senior... I have no cultivation base now. Once the Fei family and their son wake up, they will definitely ask me to raise their teachers to ask their guilt... At that time, I will not have the strength to protect myself, and I am afraid that I will not be able to support your return..."

charlie said coldly: "Tell them that before I come back, no one can embarrass you, otherwise you will be at your own risk!"

After that, charlie said again: "As for your cultivation, just wait patiently and wait for the disposal. After your people arrive, I will decide whether to recover for you or not depending on the situation." When

Zhang Chuan heard this, he could only nod his head helplessly.

charlie didn't speak any more, stood up, took Stefanie sun, and walked out of the restaurant openly.

When the servants and bodyguards of the Fei family saw the two coming out, no one dared to stop them.

Because they all knew that Stefanie sun was a big star, and was a guest invited by the Fei family and his son. No one dared to stop the guest when they wanted to leave.

However, many people are also curious why there is no movement inside.

It stands to reason that when the guests leave, at least one of the master and the eldest young master must come out to send a slack and a courtesy.

Just when someone wanted to go in and see what happened, Zhang Chuan came out and said to everyone: "Master and the eldest young master have drunk too much, send them to the medical department for gastric lavage!

" There is a very high-level medical department, which is staffed with many top doctors and nurses 7X24, just like a small hospital, which is specially responsible for the health of Fei's family.

The servants and bodyguards heard that Zaki and yogi had been drinking too much, and they were a little surprised at first, but when they thought that Zhang Chuan, as a top expert, could not lie to everyone, they had no doubts.

A group of people rushed in quickly and sent the father and son, who were drunk and unconscious, to the medical department.

Just when the father and son were sent to the medical department, charlie also took Stefanie sun out of the Fei's manor.

After getting back into the car, Stefanie sun asked Charlie, "charlie, where are we going to eat?"

charlie said without hesitation, "Let's go to Chinatown, let's go to Uncle Arman to eat roast goose!"
