

The Amazing Son In Law Chapter 4525 (The Charismatic Charlie Wade Chapter 4525)

As soon as he heard that charlie was outside, Jian's uneasy heart was instantly relieved.

With charlie here, he has nothing to worry about.

After all, he knew charlie's ability very well.

His eldest son must not be charlie's opponent.

On the side Fei Kexin heard charlie waiting for him outside, but suddenly became nervous, and thought anxiously in his heart: "Oh, I really didn't expect Mr. Wade to be in New York, let alone in New York. When I meet Mr. Wade, I knew I was going to meet Mr. Wade. Before I get off the plane, I have to go to the bathroom and put on makeup..."

"I've been floating on the sea all day, with my face up to the sky, I don't know if Mr. Wade will be disappointed when he sees it..."

Xion didn't know what Fei Kexin was thinking. Seeing her anxious expression, she stepped forward and comforted: "KeXin, you don't have to worry too much. Since Mr. Wade is in New York, no one will treat you like that."

Fei Kexin knew that Xion had misunderstood herself, but she didn't want to explain too much, so as not to be seen by Xion's shy girl in her heart.

So, she nodded lightly and said seriously: "Don't worry, I'm not afraid at all."

Xion smiled knowingly and said, "Then let's go down!"

The group got off the plane and went directly to the customs clearance office in the business jet building. At this time, charlie was already standing at the exit of the customs clearance and waiting.

Before Fei Kexin passed through customs, she had already seen charlie, and when she saw charlie smiled at herself, she quickly waved at charlie shyly.

Afterwards, the four lined up at different windows to pass the customs.

Jian, Fei Kexin, and jay are all American nationals. In order to protect Zayne, Xion also obtained American green cards, so they can enter from the self-service customs entrance directly by swiping their passports, which is very efficient.

The four passed through the customs and came to charlie.

Although Fei Kexin was a little unconfident about her plain face, she still couldn't hide her excitement and said to charlie, "Mr. Wade, why did you come to New York?"

charlie smiled and said, "I'll do something."

Jian on the side also hurriedly saluted charlie and said respectfully, "Mr. Wade, let's meet again!"

charlie nodded slightly and said with a smile, "Mr. Fei, how does it feel to be back in New York?"

Jian couldn't help but sighed and said, "To tell you the truth, Mr. Wade, I'm still a little nervous in my heart. I don't know why you suddenly asked us to go back to New York."

charlie smiled and said, "I invite the two of you back, because there is a big event for the two of you to witness on the spot."

After saying that, he looked at the time and said, "Let's leave quickly. It's estimated that it will take a long time for the Fei family to know that you have returned. Before they receive the news, let's go first."

"Okay!" Jian agreed quickly, because he was worried that his son would send someone to hunt him down.

He knows very well that the Fei family has the ability to monitor the entry and exit information of customs in the United States. He and his granddaughter enter the customs at the airport. The moment the customs clearance is completed, the information will be immediately fed back to the entry and exit system, and his son will receive the news soon.

So, he hurriedly followed charlie out of the business jet building of the airport.

At this time, outside the business jet building, a helicopter was already waiting on the ground apron. charlie took the four of them into the helicopter, and the plane immediately took off and flew towards Long Beach.

And as early as when Jian and Fei Kexin cleared customs, the informant that Fei's family placed in customs had also received an early warning in the system.

This person has long been told by Zaki that once Fei Kexin and Jian return to China, they will report to him as soon as possible, so he immediately sent a text message to Zaki, the text of which was: "Jian and Fei Kexin entered New York JFK Airport two minutes ago!"

It's a pity that Zaki is currently lying on the bed of his own medical department because of acute alcohol poisoning.

He and his son were poured a lot of liquor by charlie during the day, and they were immediately drunk and unconscious.

Later, the servants brought them here. After the doctor briefly checked the situation, they found that both of them had symptoms of severe alcohol poisoning, so they immediately began to rescue them.

It is very troublesome to rescue patients with this kind of alcoholism, not only to give them gastric lavage, infusion, and even to give them hemodialysis, so as to quickly reduce the alcohol content in their blood.

The father and son are not too young, and after such a round of tossing, they died without dying.

Although yogi is much younger than Zaki, he can't stand to drink more than Zaki, so after going back and forth, the symptoms of the two are basically the same.

Therefore, until this moment, the father and son woke up faintly.

Although the two of them had already woken up, without exception, their bodies were extremely weak, let alone getting out of bed and moving, they couldn't even lift their arms.

At this time, besides Zaki's wife, there were also yogi's wife and several younger brothers and sisters surrounding them.

When the old lady saw that the two of them finally opened their eyes, she immediately cried and complained: "You said that you two are both old and young, why are you so clueless? Even drinking alcohol can lead to acute alcohol poisoning, the doctor said, you two If you two come a little later, both lives will be explained! Why are you so big? Don't you know that my precious grandson hasn't been found yet!"

Zaki felt dizzy and dry mouth at this moment, how uncomfortable the whole person was.

Originally, in his situation, he didn't want to say a word in his heart, but when he heard his wife complaining, he couldn't help but say aggrievedly: "Do you think I want to drink so much? It's not that hard bastard surnamed wade. Forced!"

"Ah?!" The old lady exclaimed, "Which one is wade?"

yogi on the side said angrily: "We invited that Stefanie sun to be a guest at noon. That guy surnamed wade came with Stefanie sun."

The old lady was even more puzzled, and she blurted out, "If he asks you to drink, you can drink it, and you are still drinking to death one by one. Are you two heartless?"

Zaki was scolded by the old lady in front of her children, and felt extremely uncomfortable, and said angrily: "You think we want to drink? At that time, the attitude of the surname wade was very clear. If we don't drink it, we will be killed. We can is there any method?"

The old lady said angrily, "I've turned against him! An unknown person, he dares to be so arrogant in the Fei family! What about others?!"

"Leave early." yogi said with a gloomy face: "The surname wade is very strong, even Zhang Chuan is not his opponent, and even Jamura was kidnapped by him! You said that we What can I do then..."

The old lady asked in horror: "What did you say? Jamura was tied by him?!"

“Yeah...” yogi sighed: “He admitted it himself, I wanted Zhang Chuan to take him down at the time, who would have thought that Zhang Chuan was worse than a dog in front of that surnamed wade, who was surnamed wade. After a few slaps, he knelt down like a dog and begged for mercy.”

yogi’s younger brother Rowan couldn’t help but said: “No wonder... That Zhang Chuan has been kneeling in the restaurant, he can’t afford to call him, I thought this guy was because you two drank too much and were afraid of us. Punish him, that’s why he knelt down there to repent...”

“Shit!” yogi said angrily: “He’s just afraid of that surnamed wade! It seems that the surnamed wade has abolished his cultivation, so he knelt there and didn’t dare to move! This bastard who eats inside and out, I he he Mom must kill him!”

Rowan remembered something and said, “By the way, eldest brother, Zhang Chuan told me that the man surnamed wade let go and said that he would come at night!”

Zaki and yogi shuddered at the same time, and blurted out in horror, “What did you say?!”

The Amazing Son In Law Chapter 4527 (The Charismatic Charlie Wade Chapter 4527)

For the father and son of the Fei family, although they had only seen charlie once or twice, they were already extremely frightened of charlie.

This is also the fundamental reason why they dare not go to charlie to seek revenge after they encountered charlie’s double humiliation both mentally and physically, and knew that charlie had kidnapped their grandson.

But they never thought that they didn’t dare to go to charlie, which didn’t mean that charlie didn’t dare to come to them.

Zaki was startled and scared, and said quickly: “Quick! Quickly gather all the bodyguards! Make sure they are armed with live ammunition! If the surnamed wade dares to come, shoot me to death!!!”

Rowan didn’t dare to delay, and said quickly: “Okay Dad, I’ll arrange it now!”

Zaki said again: “Quick! Take me to the emergency shelter first!”

" All kinds of safety hazards must be considered, so they have an emergency shelter built 100 meters underground inside the manor.

This emergency shelter can only withstand a nuclear bomb attack, and is basically on the same level as the White House emergency shelter.

As long as he can hide in the emergency shelter and completely close the passage, even God can't help the people inside.

Moreover, it is equipped with a very powerful life support system and a large amount of materials, so it is not a problem for a dozen people to live in it for a year.

It's just that this emergency shelter has never really been put into use since it was built, and it is only maintained as a backup facility.

The Fei family also believed that as long as the Third World War was not fought, this place would basically not be used.

But no one thought that because of a young man, this emergency shelter would come in handy today.

The old lady was still a little confused, and said, "Zaki, do you need to make such a fuss? Even if the boy surnamed wade is stronger than Zhang Chuan, but our Fei family has so many bodyguards with guns and ammunition, can't we help? Is he alone?"

Zaki said nervously: "I don't know if there are so many bodyguards, how can I get him, but I don't dare to take any risks! You didn't let people hold down a few pounds of liquor, if you were me, you would be afraid too. With that, he said beyond doubt: "

You all stop talking nonsense, and take me to the emergency shelter! Immediately! Immediately!" The

old lady was helpless and said to her third son Fei Xuemin: "Xuemin , you quickly make arrangements to send your father to the emergency shelter."

yogi said quickly at this time: "I want to go!" The

old lady glared at him and said with hatred: "Look at you You look useless! That surnamed wade tied your son and cut off your son's ear! Not only did you dare not take revenge for your son, but you became a tortoise!"

Zaki on the side heard this, his expression suddenly changed Ugly.

If the wife scolds her son as a tortoise, isn't that the same as scolding herself?

At this time, yogi's face was even more embarrassing, and for a while he was a little bit difficult to ride a tiger.

At this time, Zaki's housekeeper hurried over, rushed in without knocking on the door, and blurted out, "Sir, it's not good!"

The Amazing Son In Law Chapter 4528 (The Charismatic Charlie Wade Chapter 4528)

Zaki shuddered and asked subconsciously, "What's the matter? Are you back?!" The

housekeeper hurriedly shook his head and said, "It's the eldest master and Miss Kexin are back!"

When Zaki heard this, he was stunned and blurted out, "Why are they back?! When will they be back? Yes?! Where is the person?!" The

butler quickly said: "The person entered the customs at JFK Airport about 10 minutes ago, and I don't know where they are now."

Zaki suddenly became furious and blurted out, "I didn't say that. As long as the two of them dare to come back, they must tell me as soon as possible, why did it take 10 minutes to report to me?!" The

butler said helplessly: "The informant on the exit and entry side contacted you directly, and he will give it to you. You didn't reply to the message, that's why I found me..."

Zaki exclaimed

: "Where's my cell phone?!" The old lady said subconsciously, "You were in emergency care and had to take off your clothes, so I put the cell phone away with your clothes..."

"Damn!" Zaki scolded: "Do you know how much ten minutes delays me?! I arranged for several killers near the airport to be on call 24 hours a day. As long as they dare to go back to New York, they will kill them both at the first time, but now ten minutes have passed. It's gone! People have long since disappeared!"
The

old lady said aggrievedly: "How did I know this would happen..."

Zaki glared at her angrily, and

said angrily, "I'll settle accounts with you later!" He murmured to himself: "The old man dared to come back at this time, maybe he knew that we were in trouble and wanted to take this opportunity to make a comeback! This old fox is really unusual, a man in his nineties, he can still let him at this time. Find an opportunity to kill a carbine!"

yogi hurriedly asked: "Dad, what should we do now?"

Zaki thought about it, and quickly said to his third son Fei Xuemin: "Xuemin, you immediately release the secret flower, whether it is Anyone who can kill the two of them, I will give a billion dollars! Quick! Must be quick! Let the whole New York who dares to kill, and those who dare not kill, bring me guns to the streets to find their whereabouts!"

" At that time, Zaki had already thrown away the fear of charlie from the bottom of his heart.

He knew very well that it was definitely not a good thing for his father to come back at this time, and it was probably just to regain the position of home lord.

Zaki waited for so many years before finally getting an opportunity to force Jian to abdicate by using apparently legal means, plus death threats.

However, once Jian came back, he could justifiably take back most of the Fei family's assets.

Because, I just squeezed out his chairman position, but the entire Fei family's assets, legally speaking, most of them belong to Jian. Although Jian lost the position of chairman, he can It is required to divide the assets of Fei's family and divest their assets from the Fei's Group.

Once he succeeds, 90% of the Fei family's assets will be attributed to Jian.

At that time, even if I can still sit in the position of the head of the Fei family, the Fei family is definitely not the current Fei family, and the scale has shrunk at least ten times.

Therefore, Zaki immediately regarded getting rid of his father and niece as a top priority right now.

The old lady asked him at this time: "Then are you still going to the emergency shelter?"

"No." Zaki shook his head and said, "Go to the emergency shelter now, in case the old man comes back, I am not there, others may directly I'll turn my back! At this time, I have to sit here no matter what I say!" After

that, he was ruthless and gritted his teeth: "At this time, no matter what, the old man must not take the opportunity to turn around! Hurry up and gather people, tonight if that If the surnamed wade dares to come, I will fight with him no matter what, if he doesn't come, I will find a way to find the old man and kill him!"
