From Zaki's point of view, the position of the head of the Fei family was his lifelong pursuit. After so many years of waiting, he finally got his wish.

yogi saw his father's appearance of a desperate fight, and said quickly, "Dad! Let's contact Li Yalin directly! Tell him the clue of Jamura's kidnapping and let him deal with the surname wade!"

Zaki heard this After speaking, he couldn't help but sighed: "If we tell Li Yalin directly at noon and let Li Yalin deal with him, we can really sit back and relax..."

Speaking of which, Zaki angrily scolded: "But... that Wang Ba with the surname wade Egg, all this has been calculated for a long time!"

yogi was a little surprised and asked: "Dad, isn't that wade surnamed that we are not afraid of calling the police? No matter how powerful he is, it is impossible for him to fight against the police in the entire United States. Right?"

Zaki said sullenly: "Of course he doesn't want to go against the police, so he doesn't want us to call the police. Because of this, he got both of us drunk at noon to buy himself time. , until now, the old man is back, how can we call the police? If the police come and the old man also comes, can we still kill the old man in front of the police? At that time, wouldn't the old man enter the Fei's house in a grand manner? Hearing this ?"

yogi couldn't help exclaiming: "Dad! You mean...that man named wade knew at noon that the old man was coming back?"

"Well!" Zaki said firmly: " I think it's not just that he knows that, it's very likely that the old man has been in his hands all this time! He also asked the old man to come back at this time!"

yogi stunned and blurted out: "Then... , wade has already been eyeing us?!"

"Yes!" Zaki said fiercely: "It must be so!"

Just as he was talking, the second son Rowan strode back and blurted out: "Dad, Brother, the bodyguards at home have all assembled, a total of 136 people, fully armed!"

"Okay!" Zaki suddenly felt a lot more confident, and said: "Concentrate more than half of the staff on me, and you order, as long as the surname Wade dares to come, shoot me to death!"

Okay!" Rowan nodded immediately and said, "I'll go and give the order!"

"Don't worry!" Zaki stopped him and blurted out, "Besides, no matter what the surname is Wade later. Whoever you bring with you, kill them all with me, no matter what! If you kill the surname Wade, everyone will share one billion dollars equally, and in addition, for every one more killed, an additional \$100 million will be added!"

Zaki thought to himself, It is best that your father and niece can come with the surname Wade tonight.

In that case, the bodyguards will definitely see the surname Wade for the money, and they will fire directly regardless of the 3721, and kill him and the people around him together.

In this way, his own confidant will be completely eradicated.

Rowan immediately sent the order, and the one hundred and thirty-six bodyguards were so excited when they heard the huge reward!

As Zaki expected, the hundreds of millions of bounties immediately made these bodyguards gear up for action, and they all waited for the opportunity to start killing each other!

This made the entire Fei Family Manor a mess. Zaki was trembling with fright in the ICU. Seeing the darkness around him, he immediately asked nervously:

“What’s going on? Well, why is the power cut off? Don’t we have multiple power lines?”

yogi was also very nervous and blurted out: “Dad, we have three power lines in the Fei family manor, and we spent a lot of money to find electric power talents from China to make a foolproof power supply system. , these three lines belong to different power supply companies, any problems with the power supply of any one or even two companies will not affect our normal electricity consumption...”

Having said that, yogi said again: “And... and Grandpa also asked those professionals to build large-capacity backup batteries and generator sets in the underground of the manor. In extreme cases, once these three power supply lines fail, our The battery pack can be switched seamlessly and continue to provide us with power protection. At the same time, the diesel generator set buried in the ground will start immediately. With our diesel reserves, we can fully cope with the power outage for one year. This should not happen. A complete power outage...”

Zaki said in a panic, “A situation that shouldn’t have happened means that all the backup measures you are talking about have gone wrong!”

“Impossible!” yogi blurted out. Dao: “We have a team of engineers of more than 30 people who are responsible for the daily maintenance and maintenance of these equipment. How could there be problems all at once?”

Zaki blurted out: “Why do you need to ask? It must be the beginning of the surname wade. He did it! He must have done it!”

“It’s impossible...” yogi blurted out: “You want to say that he cut off our power supply line from the outside, it’s possible, but our battery and generator set Like emergency shelters, they are built underground. Without our blueprint, they may not be able to find it even if they dig three feet into the ground, and even if they can find the location of the battery and generator set, I am afraid they will not be able to go in... ..”

As soon as he finished speaking, all the lights suddenly turned on again.

yogi breathed a sigh of relief and blurted out: “There is electricity again, it is estimated that there is something wrong with the system.”

Zaki still frowned and said, “With such a complete power supply system, how could such a fault still occur? ?”

As soon as he finished speaking, someone outside suddenly shouted in a panic: "Everyone, be careful, I feel like someone is touching in!" The

Fei family suddenly became nervous, and then someone outside shouted: "Oops! The brothers have all lost contact!"

"Quick! Open the insurance and shoot when you see anyone!"

yogi said in a panic, "Could it be that someone really touched it? Could it be the one surnamed Wade!"

After he finished speaking, he looked at Zaki and blurted out, "Dad! That man surnamed Wade is a master of martial arts. If he bypasses the others, it will be troublesome if he just gives us a thief to capture the king first!"

Zaki Hearing this, I was equally frightened and scared, and quickly said: "Quick! Let the bodyguards come in! Protect me closely!"

Just as he was talking, he heard a very strong voice from outside: "I am the Wanlong Palace. Hall Master Abbas! All the top masters of Wanlong Hall are here today, if you bodyguards don't want to die, put down your guns and raise your hands to surrender immediately!"

"As long as those who surrender, I, Abbas, guarantee my personality and will not Embarrassing you all!"

"But if any of you dare to be the enemy of Wanlong Palace, I will not only make his head fall, but also make his family's life worse than death after today!"
